CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptised in the name of the Father and the Son and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger; to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in brotherly love, to remember each other in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORTS

Report on State Missions

Substantial progress has been made in all departments of our State Mission work for the last few years. The work of this department is being carried on with remarkable wisdom and faithfulness by a group of missionary pastors and two general missionaries, under the wise direction of our General Board and our State Secretary, M. A. Huggins. The work

has been richly blessed of God, and the results are both encouraging and challenging. During the past year around 70 missionary pastors were in the employ of the Board, for whole or part time work, serving 150 churches. These workers report a total of 1,390 conversions, 957 baptisms and 639 other additions, making a grand total of 1,596 additions to the 150 missionary churches during the past year.

This work is widely distributed over the entire State, and makes a great appeal to all our people, because they see the results of this part of our work. For one hundred years the program of State Missions has been to win the people of the State to Christ and then to fellowship which the churches provide. In recent years the General Board has been putting on a great far-reaching program of training and developing, which is proving a great blessing to those who come into our churches.

This department of our work deserves the whole-hearted co-operation and support of all our people, as it is undoubtedly one of the wisest and most productive investments of missionary funds that can be made.

Respectfully submitted,
J. HERMAN BARNES, Chairman.

Report on Home Missions

The term "Home Missions" is unfortunate. Many people confuse it with local missions. What we call Home Missions really is Southwide Missions in our homeland. It includes for our missionary efforts, 5,000,000 foreigners in our Southern cities, 10,000,000 brothers in black, 200,000 Indians in Oklahoma and New Mexico, 225,000 Spanish-speaking people in New Mexico, 800,000 Mexicans this side the border, 600,000 souls in the great Acadian section in French Louisiana, more than 3,000,000 in Cuba and the Canal Zone, the Jews throughout the Southland, and many deaf people in this same region. If we fail to keep the homeland evangelized, our missions in far away fields will fail for lack of support.

Last year the Home Mission Board appointed 27 new missionaries, making a total of 283 missionaries working in 894 mission churches and mission stations. There were over 4,000 conversions and baptisms, 18 new churches were organized and 62 mission stations opened. The Board is maintaining 566 Sunday Schools, with 11,554 pupils. It also maintains Acadia Baptist Academy in Southern Louisiana, the Anglo-Mexican Institute and the Southern Baptist Sanatorium at El Paso, Texas, the Mexican Baptist Institute and an orphanage for Mexican children at Bastrop, Texas, and a free clinic for poor children in Cuba. The Board is paying its debts, operating within the budget, and for over two years has borrowed no money. It appeals to Southern Baptists for liberal and adequate support to help save the homeland.

Respectfully submitted,
R. F. MARSHBURN.

Report on B. T. U.

The B. T. U. is an organization through which Baptist churches educate and train their young members It is an agency for the purpose of producing a finer, better type of Christians. It seeks to impress upon

the young people the true meaning of church membership, to hold it intensely sacred. Our greatest usefulness as Christians find truest expression through our church membership. The young people are taught to magnify the church as a divine agency through which men are to be won to Christ. They are taught to reflect in their own conduct the Christian graces.

Respectfully submitted,
J. L. POWERS.

Report on the "Biblical Recorder"

More attention should be paid by teachers and parents to what children are reading. Much that is printed today is impure, suggestive of evil, vulgar and anti-Christian. Many so-called high-class magazines carry articles unfavorable to Christianity and character-building. There is a world of good wholesome literature. Why not keep it in the hands of our people?

For North Carolina Baptists, "Charity and Children" and the "Biblical Recorder" are absolutely essential if we are to be informed and aligned with our work. For more than one hundred years the "Biblical Recorder" has served North Carolina Baptists and Kingdom interests. It has advocated every phase of our organized work. It has always been true, loyal, orthodox and progressive. The "Recorder"' should be in every Baptist home. There is no other publication that can be substituted for it. To be informed on North Carolina and Kingdom movements you must read the "Biblical Recorder." You get information there you cannot get elsewhere.

Respectfully submitted,
J. HERMAN BARNES.

Report on Mills Home and "Charity and Children"

The North Carolina Baptist Orphanage has since its organization fifty-one years ago cared for more than 4,000 boys and girls. According to the latest reports there are 475 children in the Mills Home. The Kennedy Memorial Home, near Kinston, which has been in operation since 1914, and is under the same general management with Mills Home, is caring for 136. The Mothers' Aid, another very important feature of the Baptist Orphanage, is enabling 189 children to remain with their mothers, thus keeping the homes intact.

The children in our orphanage are given physical, mental and spiritual training, fitting them for life.

The sad part of the situation is, that numbers of children are turned away from the doors of our orphanage each month because North Carolina Baptists are not contributing enough to enlarge the institution to take care of the demands and needs. The cry of these helpless and needy children should challenge us to give our best. May each of our churches determine to make the monthly offerings larger in our Sunday Schools and also at Thanksgiving to measure up to this obligation in a worthy way.

"Charity and Children" has three definite objectives: First, to keep the cause of the dependent child before the Baptists of North Carolina; second, to keep the work of Mills Home before the public; third, to train the orphanage boys in printing. "Charity and Children" is a periodical worthy of being in every home and being read by every Baptist family in North Carolina.

Respectfully submitted,
W. R. STEPHENS.

Report on Sunday Schools

The business of the Sunday School is to teach God's Word to every available person. Jesus, the world's greatest teacher, placed great emphasis upon teaching. He said: "Go ye into all the world and preach the Gospel to every creature, teaching them to observe all things whatsoever I have commanded you." Hence, our churches accept this command and seek to teach God's Word to every available person through the Sunday School.

It should be the desire of every Sunday School teacher to take the pupil as he is and so teach him from week to week that he will eventually become what God would have him be in due time.

In North Carolina there are 800,000 prospects for our Baptist Sunday Schools. Every Sunday morning there are 3 people at home for every 1 we have in attendance. In this Association there are now 39 churches, with 6,299 members. In these churches there are 39 Sunday Schools, with an enrollment of 4,267 pupils. If the law of average shows that, there are 3 people at home each Sunday that should be present for every 1 present, then we have in this Association 7,254 people that are missing an opportunity to study God's Word every Sunday morning.

The Sunday School Board through its five-year plan is seeking to enroll 500,000 new pupils by 1941. North Carolina should enroll at least 50,000 of them. This Association should enroll 7,000 of them. We call upon every church in this Association to join our State Sunday School Department and the Sunday School Board in this effort to increase the enrollment in our schools, and at the same time increase the average attendance.

Respectfully submitted,
R. C. FOSTER,
D. E. EVANS,
E. B. JONES,
Committee.

Report on Foreign Missions

Southern Baptists are doing mission work in fifteen foreign countries. Splendid progress is being made on all the fields. The report for 1936 shows 1,665 churches, of which 844 are self-supporting, 2,374 out-stations,

13,982 baptisms, and a total membership of 198,640. The native Christians gave $310,309.02 for the support of the work.

During the year the Executive Secretary visited the missions in Europe, Asia and South America, to learn first-hand from the missionaries and native Christians the need and possibilities of each field. A special committee of the Board also made a careful study of the minimum needs of each mission. These steps, looking to a rehabilitation of our mission program, should result in wise plans for the work, more information for Baptists at-large and a greater mission interest among the churches.

On the part of every Baptist there are responsibilities to be met. We need to make a new study of missions in the light of the Scriptures and present world conditions. We need to pray more for missions and the missionaries. We need to give worthily for the work.

Respectfully submitted,

W. L. BEACH,
A. B. BUTLER,
R. W. GARNER,
Committee.

Report on Old Ministers' Relief

The Relief and Annuity Board of the Southern Baptist Convention was organized in 1918, just eighteen years ago. Its assets the first year were only $106,428.53; but in eighteen years these assets have grown to $4,326,491.05.

The purpose of the Board is expressed in its name, "Relief and Annuity Board." Its main purpose is to administer relief to aged and infirmed ministers and all-time church workers and to provide annuities to the workers who desire to save to that end. In relief the Board paid out last year $73,485.87 to 1,310 beneficiaries in the Southern Baptist Convention territory. In annuities it paid out last year $165,899.72 to 381 beneficiaries.

The Board has several plans of work. The one which it is seeking to enlist the churches and pastors in is the Service Annuity Plan. This is a way whereby the churches may prepare for a happy future for the pastors of today. This is done by the churches paying to the Board 8 per cent of the pastor's salary and the pastor paying 2½ per cent of his salary. Then at the age of sixty-five, or earlier in case of a breakdown in health, the pastor will draw an annuity amounting to one-half of his average salary for the past years of his service.

We urge upon churches and pastors to make a careful study of what the Board offers in their behalf and then to act in the light of your duty to God and to man.

Respectfully submitted,
JOHN E. LANIER.

Report of Pastor, Beulaville Field

There has been an increase in gifts, both to local church work and missions.

Beulaville Church reports the best financial record in its history. The same thing might be said about Sharon in its gifts to missions.

There was a 20 per cent increase in pastor's salary over last year; Jones Chapel increasing 50 per cent.

Beulaville and Sharon are beautifying their buildings by painting.

There was a successful daily vacation Bible school held at Beulaville.

Report on Christian Education

Education is ordinarily understood to be the training of the intellect. Christian education means education plus Christ.

Why Christian education? Different answers might be given, but there is only one sufficient answer: Christian education is the only complete education. The State cannot teach religion, therefore the education given by the State cannot be complete. Education without religion is unnatural, abnormal and dangerous. What is it that survives the transitory? It is the ideals and spiritual values. Abraham outlived Babylon, and I ask why? Because he dedicated his life to the one spiritual God and the ideals of righteousness. What is the secret of the permanency of Jesus and His church? It is the power of spiritual ideals. Even so our Christian schools just as long as they maintain and teach the Christian ideals of the humble man of Galilee, for these ideals constitute the vital breath for a higher sort of education. Our Christian schools or colleges cannot die so long as they remain true to these ideals of the Christian religion. It was the teaching of these ideals that brought the Christian school into existence. When our Christian educational system has nothing more to offer a student than the State schools, then their work is incomplete.

Respectfully submitted,
H. G. BRYANT.

Report on Hospital

When Jesus was here on earth He went about healing the sick and giving sight to the blind. He also commended the Samaritan for giving his service, his means and indebted himself to a stranger brother who was sick and in need. Jesus also taught his deciples to heal the sick as a vital part of their ministry. Baptists have only in the last few years begun to carry out this part of the ministry. In these few years Southern Baptists have built 29 hospitals in the homeland and in foreign countries. The North Carolina Baptist Hospital was incorporated in 1922. Since that time it has received more than 32,000 patients, many of whom could not have received treatment from any other place. This institution merits the support of all Baptist people.

Respectfully submitted,
W. M. BASSETT.

Report on Temperance and Public Morals

The Christian has to view moral questions from Biblical standards. Right and wrong are not to be determined by majorities. It is as much the duty of a Christian to oppose that which is wrong as to stand for that which is right. Our fight is not against flesh and blood, but against principalities and powers, against spirtual wickedness in high places.

We have now in our State prisons and road camps approximately 10,000 prisoners; 1,600 were admitted in the month of August. Hundreds of prisoners are released and turned back into the life of the State every month. An amazing number of prisoners are young white people from twenty to twenty-seven years old. Ten years ago, they should have been juniors and intermediates in our Sunday Schools.

We view with increasing alarm the large number of so-called tourist cabins in connection with filling stations. Note their advertising—beer, wine, dancing, rooms. To say the least, they are capable of enormous evil.

The advertising of liquor, the increased number of drinkers, increased drunkenness, drinking by women and girls, drinking by church members and the dangers on the highways—all these are causes for alarm.

We call upon our churches to oppose vigorously the forward march of the evils of the day, and to give special attention to the deepening of Christian life and the growth of Christian character.

Respectfully submitted,
T. H. KING,
R. C. BELL,
Committee.

Report on Memorials

We the Committee on Memorials find that during the past year 59 have passed from our church family of this Association to the Great Beyond. We would pause for a moment in honor of their Christian service and devotion to Him "Who doeth all things well."

The following list are the names of those gone from our ranks to join the innumerable band.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptised in the name of the Father and the Son and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger; to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in brotherly love, to remember each other in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORTS

Report on State Missions

For a hundred years the objective of State Missions has been to win the people to Christ and then to the fellowship which the churches provide. The method in winning people is in witnessing to the redeeming love and power of the Lord Jesus in the individual life and in all human relationships. This was, and is, the primary task of State Missions. During recent years, however, the training and development of those coming into the churches is being stressed, so that the State Mission task now includes many varied activities, such as: Missionary pastoral assistance, church building, teaching and training, work among students in colleges, among Indians and Negroes, among patients in the Oteen Hospital, together with definite encouragement to our Orphanage, Hospital and Christian Education work.

God has richly blessed all this work. During last year 63 missionary pastors, working all or part time, served 133 churches, reported 1,501 conversions, 889 baptisms, 687 other additions, totaling 1,576 additions to the 133 missionary churches. Surely such work deserves our whole-hearted co-operation and support. In a very vital sense our South-wide and World-wide missionary activities wait upon an aggressive program of State Missions and Christian Education. We recommend that special emphasis be given to State Missions in each church during this month.

Respectfully submitted,

J. J. BENTON,
R. F. MARSHBURN,
Committee.

Report on Home Missions

The hope of the world lies in the unlifted Christ. There is no substitute for the Gospel. We must give the world the Christ of the New Testament.

In this work of Christianizing the homeland, we are serving the world. A triumphant missionary program in our country is necessary if we would push our conquest for Christ in lands afar. A Christianity which does not conquer at home will not be able to conquer abroad. We cannot give what we do not have.

The Home Mission Board is lifting up Christ in the homeland among the foreigners, the Negroes, the underprivileged in the cities and congested industrial sections, and Cuba and Panama. On fields in the South, missionaries opened 39 new stations last year, bringing the total number of churches and stations to 640. The churches have a membership of 11,755; during the year 2,137 were added by baptism and there were 3,633 professions.

A new department of the Board's work is that of evangelism, of which Dr. Roland Q. Leavell is Superintendent.

The budget fixed for the year was $150,000.00 for mission work and overhead, and $203,826.00 for interest and principal on the debt. For the calendar year 1936 the Board received from all sources $443,455.00, which was $46,291.00 more than was received in 1935. Of this amount the women gave $113,981.00 in the Annie W. Armstrong offering, all specially designated, and $56,720.00 came from the Bottoms Trust. During the past year $108,313.00 was paid on the debt.

Respectfully submitted,

E. C. CHAMBLEE.

Report on Baptist Training Union

This is an age of enlightenment, but no period in history calls for more Christian courage than the present time. It is not sufficient merely to listen to sermons, but the earnest Christian welcomes an opporunity for development in the phases of work outlined by the Baptist Training Union. Unlike some denominations, we accept individuals for church membership upon a profession of faith in Christ. With the four types of programs of the B. T. U. one has an opportunity to learn the principles of Baptist doctrine—a field sadly neglected at the present time.

It is to the young people of today that the church will look for leaders of tomorrow. There seems to be a tendency to influence character by legislation rather than Christian training. In contrast, it would seem more fitting that the development of local church talent in ways of Christian living would be the greatest asset in bringing about an intelligent church membership. This is the hope of the future.

Even with returning prosperity, other duties claim much time of church members. Often one gives the best of life to other interests and returns to the church in later years to catch up the threads of what could have been a life of Christian service. Your committee suggests that the churches awaken to the need for Baptist Training Unions and make them the great force for Christianity that they are capable of becoming.

Respectfully submitted,

MARY KATE ALLEN.

Report on "Biblical Recorder"

For one hundred and two years the "Biblical Recorder" has sought to serve the Baptists of North Carolina and the world. It seeks in a constructive way to comply with the command of the Master to carry the Gospel to every part of the world. Page five is set aside in almost every issue for this particular work.

People are largely influenced by what they read. The "Biblical Recorder" seeks to bring to our people weekly a summary of our Baptist news, local and general. It seeks to give a Christian and Baptist interpretation to the

events of the day. It seeks to record achievements of our schools, churches, Sunday Schools, B. T. U.'s, W. M. U., and laymen's work. It carries news from our missionaries at home and abroad, and informs the reader of what is being accomplished through his contributions.

The Home Circle offers help for the development of the spiritual and intellectual needs in every young church member. It seeks to inculcate high ideals in our young people and to be of real help in the development of Christian character. All this means much good for the future generations. Never before was there a time when our boys and girls had greater need for wholesome literature which will instill high ideals, create a desire for pure living and stimulate them to render unselfish service. The "Biblical Recorder" seeks to lend aid at this particular point.

The price is $2.00 a year, or $1.00 for six months. We recommend that a day be observed in all our churches to stir up the mind and conscience on the subject of religious and Baptist literature.

Respectfully submitted,
MRS. FAISON McGOWEN.

Report on Orphanages—Mills Home and Kennedy Home

During the year 1936 the Baptist Orphanages of North Carolina cared for 605 children at Mills Home and the Kennedy Home, at an average cost of $21.71 per child per month. An additional 173 were cared for in their homes under the Mothers' Aid Plan.

For the support of these children the churches, Sunday Schools and other organizations gave $127,144.58 in cash and $9,324.06 in food and clothing. Individual and special contributions amounted to $4,307.79, making a total of $140,776.43 from the Baptists of the State for the support of the Orphanage.

No institution we support is nearer the heart and sympathies of our Baptist people than the Orphanage, and still only a small fraction of the churches and Sunday Schools give it regular support.

The aim of the Orphanage is to give the children in its care the training they should receive in a normal home. In church and school, on the farm, in the print shop—in every phase of its work—the underlying purpose is to prepare the boys and girls for the actual conditions of life they must meet when they leave the institution.

We suggest as a goal for the Association for next year: A monthly contribution from each church or Sunday School; a real Thanksgiving offering in November, and a club of "Charity and Children" in each Sunday School.

Respectfully submitted,
W. L. BEACH.

Report on Sunday Schools

Proverbs 22:6: "Train up a child in the way he should go: and when he is old, he will not depart from it."

Deuteronomy 11th chapter:

18. "Therefore shall ye lay up these My words in your heart and in your soul, and bind them for a sign upon your hand, that they may be as frontlets between your eyes.

19. And ye shall teach them to your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up.

20. And thou shalt write them upon the door posts of thine house, and upon thy gates:

21. That your days may be multiplied, and the days of your children, in the land which the Lord sware unto your fathers to give them, as the days of heaven upon the earth."

The implication and admonitions in the above statements are just as true today as they were when they were written in the long, long ago. We need more than ever to teach our children to lay up the Word of God in their hearts and in their souls. We need to put on ourselves, and to teach them to put on the "whole armor of God," to guide us and them over the perils of our modern-day world. Every pastor, every father and mother, every Sunday School officer and teacher should, by the help of God, put forth every effort to make our Sunday Schools reach every boy and girl, man and woman not in the Sunday School and teach them to know and to love the "Word of God," as divinely inspired, and as setting forth the rules for the living of the fullest, happiest and most successful life possible. Did you know that ours is a most challenging responsibility? Out of the 298 largest Sunday Schools among Southern Baptists, 144 suffered serious losses, 25 hardly held their own, 129 made only slight gains. During 1933-1936 the average annual gain for 1916 to 1932 was 79,154. This fell off to an average annual gain of only 30,472 to 1933 to 1936. What is wrong? Let us find out, for God's sake, for the sake of Southern Baptists, and for the sake of our homes. North Carolina has her part to share, and the Eastern Association has her part to share in this great task for God. The Sunday School is the gateway to a regenerated church membership. Let us open wide the doors and make the way plain.

Respectfully submitted,

C. H. PINNER.

Report on Foreign Missions

Southern Baptists now have in active service 415 missionaries; there are 56 on pension, making a total of 471.

In April at the semi-annual meeting of the Board there were no new missionaries appointed. The first quarter's receipts of the Board showed only an even break, and it would not risk incurring further debt. Regular Sunday to Sunday gifts must be increased by Southern Baptists if we are to lengthen our cords beyond the seas.

Our Foreign Mission Board has work in 16 different foreign countries. There are 63 of the missionaries in these different fields who are over sixty years of age. Some of these should be replaced by younger men and women. Requirements for new missionaries are being raised each year. The greatest care is exercised in filling the places of retiring missionaries. Only the best are chosen.

From all sources the Board received a total of $1,040,574.57 in 1936. The sum of $959,794.74 came from the several States; from income and endowment funds, bequests and miscellaneous sources, $46,003.60 was received; the sale of property, special gifts for debts, etc., brought the Board $34,776.23.

For 1937 the total budget, exclusive of debt funds, was fixed by the Board at $789,165.73.

From the Lottie Moon Christmas Offering the Board received the grand total of $291,761.72. Out of this amount $100,000.00 was set aside for the salaries of 125 missionaries. This gift by our women enabled the Board to go through the lean months without any deficit.

The great crisis in China now faces our Board. The Secretary of State, Hon. Cordell Hull, has advised the Board to withdraw all missionaries from interior China stations. Dr. Maddry, Secretary of our Foreign Mission Board, says that we will probably have to bring home two-thirds of our missionaries from China. It will take about $100,000.00 to bring the 178 missionaries and their 84 children home. The Board is without funds for this purpose.

The Administrative Committee of the Executive Committee of the Southern Baptist Convention met in Nashville, Tenn., Wednesday, September 16th, and passed a resolution assuring the Board of its hearty approval in borrowing $100,000.00 or as much thereof as may be needed to meet these extreme demands. A call has gone out to all of our churches asking that they take special offerings for the purpose of raising the necessary funds for this emergency. Thus our Foreign Mission Board would be relieved of any embarrassment of further indebtedness. Southern Baptists could very easily lay this amount on the altar without any sacrifice whatever.

Our Association gave last year to the Co-operative Program $3,428.70. This is 54 cents (plus) per capita.

Respectfully submitted,

J. P. GULLEY.

Report on Aged Ministers' Relief

The Christ indwelling with us has made us love and provide for the aged and infirm among us. The old and needy minister of Jesus Christ appeals constantly to our hearts. What provision has been and may be made for those who are no longer young or strong?

To meet these needs, the Relief and Annuity Board was constituted by our Southern Baptist Convention in 1918 in session at Hot Springs, Ark. Since its beginning it has done much good and grows financially stronger each year. In 1919 the Board's assets were only $106,000.00; today its assets total $4,500,000.00. In these eighteen years the Board has paid out $2,000,000.00 to aged ministers and widows, not including $1,000,000.00 paid in annuities.

How are these funds administered?

First—Aged ministers who are dependents receive benefits at regular periods annually. Approximately 1,200 families receive assistance in this way each year.

Second—Annuity benefits. Upwards of 3,000 preachers and missionaries have first and last availed themselves of the service annuities of the Board. At the present there are 500 annuity beneficiaries.

Third—Service annuities. Pastors, together with the churches they serve, contribute jointly toward building up a fund against old age dependency. The church contributes a small per cent of stipulated salary; the pastor likewise paying a similar amount of his salary received.

Less than 2 cents per member per year shows the support Southern Baptists give this cause. It is urged that each local church take a special "Fellowship Offering" once each year for these our old ministers.

L. L. JOHNSON.

Report on Christian Education

Christian Education is essential to the Kingdom program. Definite character training is vital for the individual and the church. The principles of our faith and of Christian living need to be taught and cultivated. The church early realized this. A survey will show that in this country the church was first in promoting education, and a majority of our early educational institutions were founded and supported by the church. Public education is now available to all, and for this we are grateful, but there is still an important place for our Christian schools because of the opportunity they have to give religious training in an environment that furnishes an incentive for the cultivation of the moral and religious life.

The denominational schools are our schools. Consider those in our State—Wake Forest, Meredith, Chowan, Mars Hill, Campbell, Boiling Springs, and Wingate. Think of what these have done and are doing in training youth. Then consider that throughout the Convention there are a large number doing similar work. Also, there are our two Seminaries, Louisville and Southwestern, and the New Orleans Bible Institute for the training of ministers and religious workers. These are our agencies for training for Christian living and to furnish a trained leadership for our churches.

Our schools merit our interest. We need to become informed about what they are doing, their need for better equipment and a larger endowment. This is not an easy day for our schools, but they are carrying on courageously. Their position needs to be strengthened. If we do not do it no one else will, for they are our responsibility. Let us show our appreciation for the service our schools are rendering by supporting them wholeheartedly. This is a day that greatly needs the fundamental principles of morality and spirituality and these are Christian. The school and the church uniting in this common task can help bring in the Kingdom of our Lord and Saviour, Jesus Christ.

Respectfully submitted,

ALFRED L. POLLOCK, Chairman,
HEDDIE BLANTON,
L. H. WEST,
Committee.

Report of Executive Committee

Your Executive Committee had only one meeting this year, July 29th. We met with Promotion Committee and other church leaders at Kenansville Baptist Church, Brother Alexander, of Raleigh, being present. Twenty-four churches were represented. The purpose of the meeting was to discuss co-operation and missions. Eighty brethren were present. All were supper guests of Kenansville Baptist Church. After hearing Brother Alexander, a motion was unanimously adopted, that everyone present urge their church to a higher level in co-operation and world missions.

Respectfully submitted,

C. I. ROBINSON, Secretary.

Report on Hospital

The great ministry of healing the lame, blind and palsied had a large place in the program of Jesus during His earthly ministry. Time and time again He commanded His disciples to heal the sick.

Our Baptist Hospital in Winston-Salem is endeavoring to practice these instructions for Him and in His name. As a Christian institution the Baptist Hospital seeks to minister not only to the suffering body but to the distressed mind and spirit as well.

The Hospital depends largely on the Mother's Day offerings from our churches and Sunday Schools to minister to those among us who cannot pay for needed treatment. Patients are thus restored to health and happiness, to their families and in many cases to the service of the Master. Your committee would heartily recommend and earnestly plead for a generous offering on Mother's Day next May from every church in this Association.

In addition to the Baptist Hospital in Winston-Salem we need to remember the Baptist hospitals in the other Southern States, the hospitals in foreign lands, the Southern Baptist Hospital in New Orleans and the Tubercular Hospital in El Paso, Texas. For all our hospitals in the homeland and across the sea let us pray in the name of Him "Who went about doing good."

Respectfully submitted,

W. R. STEPHENS.

Report on Temperance

The liquor situation in North Carolina becomes more and more serious all the time. Blind tigers we have with us always. Since the repeal of the Eighteenth Amendment we have had wine and beer saloons, with all their attendant evils, in every community in the State, with little regard to the alcoholic content of these beverages. Also, we now have the A. B. C. stores in one-fourth of the counties of the State. Every possible effort has been made through advertisements and other publicity to increase the sale of liquor, especially among young people.

The following statements as to the conditions in the counties that have A. B. C. stores have been gathered:

"We have more drunkenness because of A. B. C. stores."—George D. Wheeless, Policeman in Rocky Mount.

"Since the opening of liquor stores in Spring Hope and Nash County, there has been an increase in drunkenness, drunken driving, disorderly conduct generally. In our opinion, liquor stores have not eliminated bootlegging, but have made conditions worse instead of better."—Signed by J. J. Proctor, Mayor, and others.

A similar statement is signed by H. E. May, Solicitor of the Recorder's Court of Nash County.

O. P. Wilkinson, Judge of the Recorder's Court in Wilson County, is quoted in "The News and Observer," December 18th, as saying: "I am

sure, if one will look at the records of this court, he will find that there are more convictions for drunken driving in this county than almost any other county in the State."

The Sheriff of Martin County declared some time ago that blockading and bootlegging in Martin County are worse than ever before.

We deplore the increased sale and use of intoxicating liquor in this State, especially by young people and women. There is only one position for a church member to take in this matter: Consistent and persistent opposition to the whole business.

We heartily commend Mr. Kale Burgess and his co-workers for their tireless, self-sacrificing efforts to preserve our prohibition laws in North Carolina, and thus to prevent as far as possible the sale and use of all intoxicating liquors in the State; and we urge our people to support them morally and financially in their heroic efforts.

Respectfully submitted,

T. H. KING.

BEULAVILLE BAPTIST CHURCH

BEULAVILLE, N. C.

Baptist work had its beginning in Beulaville in 1902, when Rev. Noah A. Shelley began preaching in the Beulaville School Building. He laid the foundation for the organization of a Baptist church. At his death, Rev. J. H. Booth took over the work. The church was organized in 1908 and the house of worship was built in 1910, with Rev. B. G. Earley as pastor. Since his resignation, the following ministers have served the church as pastor or supply pastor: C. W. Cashwell, J. D. Howell, G. W. White, E. P. West, L. A. Cornell, Floyd Harris, Carl Stevens, W. L. Bilbroa, Ernest Gresham, L. M. Holloway and the present pastor, J. L. Powers. The church reports the best financial record for the past year in its history. A fine spirit of unity and fellowship prevails.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptised in the name of the Father and the Son and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger; to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in brotherly love, to remember each other in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORTS

Report on State Missions

The Baptists of North Carolina have been working at the State Mission task for a hundred years. At first our only thought was evangelism and membership in the churches. For twenty-five years we have been laying emphasis also on training and development.

Scattered over the State we have more than seventy missionary pastors, who last year baptized more than one thousand and won more than fourteen hundred to Christ. Many of the churches the Board has helped in the past are now self-supporting. Our Board is giving attention in these latter years to teaching and training. Our Sunday School Department is laying stress on the importance of better teachers and better methods of administration. The Training Union was organized for the purpose of emphasizing the training and development of those who are won to Christ and membership in our churches.

We are also ministering to the Indians of Robeson County; co-operating with the Negro State Convention in securing better educational advantages for their people; working amongst the students in our colleges and universities; bearing our witness to the patients and inmates of Oteen, Black Mountain, Sanatorium and Samarcand; aiding in church building.

We present the following resolution and urge its adoption:

"Whereas, a major emphasis of the Southern Baptist Convention and of our State Mission program during 1939 is to be on evangelism,

"Be it Resolved,

"First—That a committee on evangelism (either a standing committee or one to be appointed immediately) be instructed to make a survey of the evangelistic needs of this associational area, and to inaugurate a well-defined associational program of evangelism, and

"Second—That more prayer and effort be made for winning the lost; an evangelistic meeting be urged for every church; that evangelistic preaching be promoted over radio, in tents, under arbors, in school buildings, and in every advantageous way in unchurched communities; that emphasis be placed on development of personal soul-winners; that stress be given to establishing family altars; that there be an adequate program of conservation of the results of evangelism through enlistment, training, indoctrination and stewardship; and

"Third—That this committee plan for an associational evangelistic rally early during 1939, for prayer, preaching and promotion of the objectives mentioned above."

Respectfully submitted,
J. P. GULLEY.

Report on Home Missions

The Home Mission Board has tasted the joy of going on in 1937. The Lord has richly blessed our missionaries in every field. We have now 332 missionaries working in 886 mission stations. During the past year 23 new missionaries have been put in the field, 22 mission chapels and pastors' homes built, and over 100 mission stations opened, over 776,319 tracts and 34,530 Bibles and portions of the Scriptures distributed; 50,000 people have been personally visited and talked to about their souls' salvation, in addition to the people appealed to in the 36,579 sermons and addresses delivered.

The Bottoms Trust, created by Mrs. Ida M. Bottoms, of Texarkana, Ark., has rendered benefit to Home Missions in Texas, New Mexico, French Louisiana and in Cuba.

From year to year the Woman's Missionary Union has shown increasing interest in Home Missions. In 1936 the Union gave $113,981.15. In 1937 the offering was $130,904.86.

The Board received from all sources in 1937, $508,454.67, an increase of $64,999.40, or 14.6 per cent. The Treasurer's report shows that $145,560.37 was paid on the principal of the debt in 1937. This is the largest amount paid in since 1929. The Board is adhering strictly to a cash basis in all its operations.

We would commend to our people "Southern Baptist Home Missions," a monthly publication of the Home Mission Board, for only 25 cents a year.

The Home Mission Board is going on. The work to be done is just as important today in bringing the Kingdom of God in the homeland and the world as it has ever been.

Respectfully submitted,
E. C. CHAMBLEE, Chairman.

Report on Baptist Training Union

There seems to be in these days a tendency to take for granted that all Baptists understand the aim of the B. T. U., consequently the emphasis is not given to this as in former years. As a result, our younger members, apparently, understand that graduation day from specific church responsibilities comes as they approach the privileges of adults. In view of this, we must clearly and forcibly define the spiritual significance of "Training in Church Membership." Too, we must keep in mind that such a definition will enable us to better understand that this is applied Christianity.

The writer of this paper is reminded of a statement made by one of our great Southern leaders, who quite recently said: "Our denomination is almost without lay leadership." We sincerely hope and pray that this cannot be said ten years from now, as thousands of our young people are being trained to do intelligent and efficient church work.

In closing, we will mention what seems to be the most helpful factor in the B. T. U. field at present, namely, the Baptist Adult Union. It is evident that if the mothers and fathers are active in this work, more of the children will be brought out, and they in turn become sponsors and leaders.

Let us join in prayer that God will enlarge our interest in the lives of our young people.

Respectfully submitted,
R. A. CADLE.

Report on "Biblical Recorder"

The "Biblical Recorder" has been a great denominational and Kingdom builder for more than a hundred years. Although this truth seems to be generally recognized, there is by far too little concerted effort on the part of our people to promote a wider circulation and reading of the paper. The Associations have been used in a wonderful way to promote other phases of our work. Why not use them to promote the "Biblical Recorder" in the same way?

Many of the Associations in the State have taken this view of the matter and have adopted the club plan, therefore greatly increasing the subscription list. If the club subscription plan has helped to greatly enlarge the circulation of the "Recorder" in other Associations, it will do the same thing in our Association if given a fair trial. Let us adopt the club plan and set as our goal a worthy "Recorder" club in every Baptist church in our Association.

Respectfully submitted,
J. HERMAN BARNES.

Report on Orphanage

The Baptist Orphanage of North Carolina is neither an institution for the feeble-minded, nor a reformatory. Its purpose, according to its charter, is "To prepare poor and promising orphans for the duties and responsibilities of life." In some respects, a foster-home or adoptive home might accomplish this purpose better, yet the growing demands assure us that we, as a people, are engaged in a work that is permanent and worthwhile.

No child is received without careful investigation. When admitted, however, a normal home training to prepare for the actual conditions of life is aimed at. Always the physical, mental and spiritual needs of even the smallest child is given careful consideration.

The past year has been one of the best. "Charity and Children" reports a substantial profit, and the farms have effected a great saving. The Trustees and Orphanage staff have been loyal and efficient. The attitude of the children and employees toward the school, church and Orphanage life has been most gratifying. Kennedy Home and Mills Home churches have received 96 by baptism, while 28 are now in college making good records. More than 850 children have been cared for at a cost of $452.14 per day. Many others want to come and ought to come. A liberal Thanksgiving offering, a monthly offering and a club of "Charity and Children" from every Baptist Sunday School in North Carolina would make this possible. Are we willing to do less than our best in the Eastern Association for our adopted children?

Respectfully submitted,
R. F. MARSHBURN.

Report on Sunday Schools

The Sunday School is the training school of the church. The future prosperity or decline of a church is easily determined by the present status of the Sunday School. A church with a large Sunday School may be expected to grow, and one with a small or no Sunday School at all may be expected to decay and go backward. Out of the Sunday School of today comes the trained men and women of tomorrow.

This being true, it is the duty of the church to promote the Sunday School:

1st. In providing the best teachers and officers possible, those who are not only capable and able to teach, but those with character, leadership and Christian faith, and those who are willing to put forth their best efforts to reach all within the bounds of the church.

2nd. To see that the church doctrine is taught.

3rd. To teach through the Sunday School that the religion of Jesus Christ is for all men and women.

4th. To provide denominational literature, both books and papers.

5th. To provide adequate convenience for the Sunday School, Sunday School class rooms and class room furniture. A Sunday School has little or no chance to do its best work that has all classes in one large room. In this way one class is disturbed by another, and consequently there is so much noise made by the different classes, that the whole teaching becomes a confusion and very little is accomplished from the teaching.

I ask the one question, "Are the Sunday Schools of our Association doing the work it is possible for them to do?" The answer is found in the Association report hanging on the wall of this church. This report shows that the Sunday Schools have enrolled less than 63 per cent of the church membership.

It is time to be up and doing.

Respectfully submitted,

A. J. BLANTON.

Report on Foreign Missions

The disastrous effects of the turmoil and war in our world today have not been surpassed in the ninety-three years of the Foreign Mission Board's existence. Primarily in China, physical losses have been great. Most of our mission property, except in south China, is in the hands of the Japanese military authorities; in Shanghai alone damages will be around $250,000.00. At least fifty missionaries have lost personal possessions averaging $1,000.00 per missionary.

But physical losses often present an opportunity for spiritual gains, and herein lies our hope, as such times as these have brought us to a greater dependence on Him Who initiated and is directing the missionary enterprise. Our missionaries, given an opportunity to seek safety away from the dangerous war zone, realized the greater opportunity that was open to them if they remained loyally at their posts, and they stayed. This devotion already has begun to open the way for greater contacts among a people who are thankful for the sacrificial service of our missionaries. The future is bright with promise, and challenging with the task of rebuilding the physical losses when war is concluded.

Over our entire missionary world, there are 413 missionaries in active service, and 59 are on pension; 14 new ones were appointed last year, but this number barely equals the number of deaths, retirements and resignations. The need for volunteers is great, especially for the Japanese and African fields. Perhaps there are some in our Association whom the Lord is calling for such service.

In 1,802 native churches last year there was a total of 14,027 baptisms, bringing the total membership to 208,794. Of the 1,802 native churches slightly over half of them are already self-supporting; the contributions from all of these churches totaled $370,638.00.

For the calendar year of 1937, the Foreign Mission Board received from all sources $1,077,996.34. Of this amount $421,259.72 came through the Co-operative Program, to which the Eastern Association contributed $4,020.00, a per capita annual contribution of 65 cents. The remainder of the Board's receipts came from: Designated gifts, $230,459.70; Lottie Moon Offering, $239,376.92; Hundred Thousand Club, $64,259.91; legacies, $8,749.66; miscellaneous receipts, $113,899.43.

The debt on the Board has been reduced in the last five years by the Hundred Thousand Club from $1,087,510.00 to the present figure of $316,000.00. Redoubled efforts should be made to increase the gifts to the Hundred Thousand Club, so that the entire indebtedness may be removed before the rebuilding program is undertaken in China.

The Lottie Moon Christmas Offering from the Woman's Missionary Union has reached $290,000.00 this year. From this offering, first the salaries of 125 missionaries were paid; then numerous churches, schools and missionary homes were built and paid for. This offering coming in January enables the Board to operate during the lean months without resorting to borrowing. For it the Board is sincerely grateful.

The new foreign mission periodical, "The Commission," should be in every Baptist home. On January 1, 1939, it is to be changed from a bi-monthly to a monthly magazine. Annual subscription rate is only 50 cents.

Report on Ministerial Relief

We owe a distinct duty to render helpful assistance to the needy, aged and infirm, and especially so to the aged and needy ministers, because the Christ dwelling within us has made us love and provide for the aged and needy among us. The old and needy ministers of Jesus Christ constantly dwell in and appeal to our hearts. It is urged that every local church give special attention to the aged and needy ministers, and to take up a special "Fellow Offering" once each year for them. Let us take a glance as to what provisions have been made for the aged ministers who are no longer with physical strength.

My investigation discloses that there was a Relief and Annuity Board set up by our Southern Baptist Convention in 1918 to aid in meeting their needs. This Relief and Annuity Board has grown in assets totaling $4,500,000.00, and during the past twenty years the benefits paid out to the old and needy ministers total $3,235,150.42.

How are these funds to be administered?

First—Aged ministers who are dependents are to receive benefits at regular periods of the year. We have approximately 1,300 families who receive assistance in this way each year.

Second—Some over 3,000 preachers and missionaries have taken advantage of the Service Annuities of the Board and are thereby drawing a certain stipulated amount from the Annuities.

Third—Pastors, individuals and churches contribute jointly and severally toward building up a fund to aid the old age dependency. Some even contribute a small per cent of their salary to the Relief and Annuity Board, so that it will be paid out to old aged ministers.

Respectfully submitted,

H. E. PHILLIPS.

Report of Pastor of Beulaville Field

The Beulaville Field is happy to report progress through the year. Beulaville Church reports the best financial record, both for local and benevolent causes, in its history. The church has installed new pews, laid new carpet, built cement walk and steps and is now remodeling and painting the Parsonage. All of this is paid for in full. Jesse Thomas, of Wilson, presented the church with pulpit furniture.

Jones Chapel has erected a new house of worship, with auditorium and four Sunday School rooms. Church and Sunday School attendance has doubled.

Sharon Church has put a new roof on the church building and is now planning to paint it.

There is evidence of growing interest in missions and benevolences in all the churches. There has been a total of 26 baptisms on the field.

Respectfully submitted,

J. L. POWERS.

Report on Christian Education

Frank S. Mead once wrote in the "Christian Herald" this statement: "Baptists have more dollars invested in education, at the moment, than any other church in America." North Carolina Baptists have reason to be proud of the large place they have in making this statement possible.

Such institutions as Wake Forest, Meredith, Chowan, Mars Hill, Campbell, Boiling Springs and Wingate must rank high among other institutions in the South in equipment as well as scholarship. It is needless to say that an effort is made to keep our schools Christian by holding up before the students vital religion as essential to the best life. We urge that this emphasis be continued and that Jesus Christ be made the focusing point of all instruction.

We acknowledge our debt of gratitude to the leadership of these institutions, including our seminaries—Louisville and Southwestern—also our New Orleans Bible Institute. We commend our schools to the patronage of our people, and urge pastors and churches to give their loyal support, that these may become even greater Kingdom assets.

Respectfully submitted,

R. A. CADLE, Chairman.

Report of Executive Committee

Your Executive Committee has transacted the following business: December 7, 1937, met in Warsaw Baptist Church. Present were J. H. Barnes, J. G. Bostic, F. W. McGowen, G. E. Croom, H. L. Stewart and C. I. Robinson. F. W. McGowen was chosen Chairman and C. I. Robinson Secretary for one year. Opening devotional by J. H. Barnes. Closing prayer by H. L. Stewart. E. C. Chamblee was chosen Leader of Promotion Committee. Application to State Board for $291.50, to aid Beulaville Mission Field, was approved. The adoption of quarterly meetings of Executive Committee and Promotion Committee Leaders was discussed and was left to the pleasure of the Chairman of Promotion Committee.

Respectfully submitted,

C. I. ROBINSON, Secretary.

Report on North Carolina Baptist Hospital

The program of Jesus for winning the world included preaching, teaching and healing the sick. He followed that program Himself and committed it to His disciples—not only to his immediate disciples, but to His disciples for all time.

Baptists have consistently emphasized preaching and teaching, but they have been slow to provide for the healing of the sick. Not until 1922 did North Carolina Baptists establish a hospital. The first patient was received May 28, 1923. Since then 41,304 patients from all parts of the State have been treated. They represent all the leading denominations of the State, while thousands who professed no faith at all have been received. The hospital is open to all needy sick, so far as its capacity permits.

From year to year there has been a marked increase in the number of patients, the number of churches contributing and the amount contributed. During the past year 4,150 patients were admitted and 2,000 were turned away for lack of room. An average of 346 are admitted each month now. In 1937 a total of $22,652.00 was contributed by 1,932 churches to the Charity Fund on Mother's Day.

There is immediate need for the enlargement of the hospital and for additional equipment, that all the needy sick who seek its facilities may be received. This need will be supplied when our people make the means available.

Because the hospital touches the lives of the people over the whole State—last year more than 200,000 lives were touched by its ministrations—it calls upon the Baptists of the State in Christ's name for a generous support.

Respectfully submitted,

R. D. WILKINS,
ED. RICH,
W. L. BEACH.

Report on Social Service and Temperance

Christian Social Service aims to correct the evils in the social order and to promote conditions favorable to wholesome living. We list a few items which now demand such activity:

Gambling is increasing at a rapid rate. Sunday is more and more secularized and made a day of sport. The divorce evil is growing, until now the family as an institution is less secure than ever before. We deplore the fact that the crime of lynching continues and we urge our people to work for better race relationships. With wars and rumors of war throughout the world, we are more than ever convinced that the acceptance and demonstration of the principles of Jesus and the cultivation of world brotherhood is the only means of assuring lasting peace. We advocate the renunciation of war as a means of settling international disputes.

The American people are confronted with a confusing and difficult liquor traffic. Hotels, restaurants, cafes, drug stores, road houses, filling stations dispense of liquor in some form. Court records show that there is a constant increase in the arrest of drunken drivers and slaughter on our highways is terrific. Many newspapers, magazines and even the radio are used by the liquor traffic for alluring and seductive advertisements of alcoholic beverages.

In the face of such conditions, it is manifestly the duty of Christians to counteract these tendencies by personal example and by social influence.

Respectfully submitted,

MRS. J. L. POWERS.

Report of Committee to Nominate Executive Committee for 1939

Your committee nominates the following as members of the Executive Committee for year 1939:

F. W. McGowen, Chairman; C. I. Robinson, Secretary; J. P. Gulley, H. L. Stewart, J. H. Barnes, J. G. Bostic, R. F. Marshburn.

Report on Vacation Bible Schools

This year in North Carolina there have been 340 Vacation Bible Schools reported; 2 of these only were held in the Eastern Association—Garland and Mt. Olive.

In 1935 there were 1,044 Vacation Bible Schools in the churches of the Southern Baptist Convention. In 1937 there were 2,500 such schools. Why this rapid growth?

The Vacation Bible School, because it comes during the vacation time, when public schools are closed and boys and girls, a large majority of whom have nothing worthwhile to challenge them in the use of their time; because of this well-balanced program which meets fully the spiritual need of the child in Bible teaching discussions, story telling, handwork activities and social features; because it affords an opportunity to teach the Bible in a way entirely different from that at the church services, the Sunday School and the B. Y. P. U., making children better understand and love God's Word; and because it has also proved to be a splendid method of evangelization, free from unusual excitement, causing boys and girls to say, "If this is what being a Christian is, I want to be one."

Because of these reasons, the Vacation Bible School is growing in its appeal and challenging every year the time and effort of more and more of our deep-thinking pastors and Sunday School superintendents.

Our State Sunday School Secretary, L. L. Morgan, promotes the Vacation Bible School as a part of Sunday School work. He is assisted by Mrs. Washburn, of Goldsboro. These two will be glad to render help in whatever way they can to churches desiring their assistance.

Respectfully submitted,

MRS. G. S. BEST.

Report on Baptist Brotherhoods

Recognition is constantly being made of the wonderful work that our women are doing. Let it detract none from their glory, therefore, when we state the observation that successful, growing churches are those in which the men also are active. If the energy and enthusiasm of our men in their businesses could only be equalled in their churches, Kingdom work would go forward by leaps and bounds. It is to stimulate such interest and activity among the laymen that the Baptist Brotherhood of the South is striving. Specifically, its three-fold objective is to cultivate spirituality, to spread information on denominational work, and to train men for Christian service. The pastor and deacons who have organized their men into working groups have found that their greatest problems were on the way to solution.

During the past year emphasis has been placed upon regional mass meetings of laymen. These have been attended by 11,534 laymen and 2,859 pastors, representing 3,654 churches. These figures are not large, nor is the entire Southwide enrollment, but interest is growing each year. While the number of organizations is small, the achievements of those which are functioning are being reported enthusiastically.

The need in the Eastern Association for such work among our men is constantly evident. Pastors and leaders should begin now in their efforts to enlist all of their men in support of the denominational program as presented in Brotherhood work.

The new Secretary of the Brotherhood, Lawson H. Cooke, has just succeeded Dr. J. T. Henderson, Secretary for over a quarter of a century.

Respectfully submitted,

S. LEWIS MORGAN, JR.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father and the Son and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger; to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORT ON OUR BAPTIST PERIODICAL

It is interesting to note that through one hundred and six years of Baptist History the Biblical Recorder still stands influencing lives and directing the thoughts of serious minded men and women of this State and elsewhere. Surely no one could speak the truth more forcefully concerning religious periodicals than did Matthew T. Yates in a letter written from China in 1886 as follows:

"If a man is largely influenced by the books and papers that he reads and studies—and I believe it—I am soaked through and through with the Biblical Recorder and the Religious Herald. No man can partake of such food as they now furnish weekly without growing larger and broader and better in every relation in life. What a wonderful and secret power they wield for the unification of the churches and the diffusion of knowledge. Why they are the greatest preachers of the land. If widely circulated they would do more good than all the Missionaries of the Home Board. I wonder that pastors do not make more efforts to introduce these powerful auxiliaries into their congregations. Even the heathen are benefitted by my reading these papers for I am enabled to preach better. Anyone who is anxious to do good can do a great work by persuading others to take and read a good religious paper."

Can the average home in Eastern Association afford the Bib-

lical Recorder? Surely there is not a Baptist home that can afford to be without it. What shall we do then about it?

Respectfully submitted,
Mrs. G. S. Best

Report State Missions. R. A. Cadle chairman. Report follows.

REPORT ON STATE MISSIONS

Our organized State Mission work today has many phases. Mr. J. C. Pipes and Mr. M. O. Alexander are employed as general missionaries. After reading their reports in the State Baptist Annual we marvel at their accomplishments and their faith. In addition to these general missionaries we have 78 missionary pastors serving 154 churches in the State. Last year these men won 2,042 souls to Christ, baptizing 1,336, added to the church membership other than by baptism 846.

Other phases of our State Mission work included the aiding of churches, 32 of which were helped in the amount of $28,226.83 in the past two years; co-operating with the Negro State Convention in an effort to better conditions under which they labor for our Lord; our work among the Indians; the students in our colleges and universities; and special institutional work such as Oteen, Black Mountain and others.

Our State Board has been planning to begin work among the prisoners but a lack of funds has kept North Carolina Baptists from this important work.

There comes to every Baptist of the Eastern Association a call to pray and to give that God's will may be done in our beloved State.

Respectfully submitted,
R. A. Cadle

Report Foreign Missions. L. L. Johnson chairman. Report follows.

REPORT ON FOREIGN MISSIONS

For ninety three years, Southern Baptists have felt the darkness, hopelessness and evil of the peoples of heathen lands. Inspired with the command of Jesus to "bear witness" and "teach all nations," we have endeavored to send the Light. Far be it, that we should say that we have fully obeyed. However, we humbly make mention of the following items to indicate the direction of our effort.

The Foreign Mission Board now has 419 missionaries and 1082 native workers in the thirteen foreign countries in which it

is operating. On these mission fields are 1774 Churches, of which 1053 are self-sustaining. These Churches have a total membership of 214,975. During the past year 16,207 united with these churches by baptism.

Six years ago the total receipts of the Board were $880,000. Last year we received for all purposes $1,130,000. We now owe $275,000. We have paid on the principal of the debt in six years the sum of $830,000.

Six years ago the Lottie Moon Christmas offering was $129,000. The 1938 offering was $315,000. The salaries of 125 missionaries are cared for out of this offering. The remainder is used for the support of missionary training schools in many lands, and for the repair of missionary homes and chapels.

With the world of nations sliding toward ruin, there are two definite things we may do; First, we can humble ourselves under the mighty hand of God and pray. Second, we can prove our humility and earnest desire with an unceasing flow of gifts to our Lord for support of those sent, and for relief of the distressed millions in the war areas.

Respectfully submitted,
L. L. Johnson

Report Sunday Schools. J. B. Sessoms chairman. Report follows.

REPORT ON SUNDAY SCHOOLS

Jesus the world's greatest teacher, placed great emphasis upon teaching. He said, Go ye into all the world and preach the gospel to every creature, teaching them to observe all things whatsoever I have commanded you.

Hence our churches accept this command as a challenge to Christianity, and therefore our churches are seeking to teach the unsearchable riches of Christ to every available person possible though the Sunday School.

During the past twenty years Southern Baptists have made a stupendous increase in the enrollment of the Sunday Schools, and yet there are more than ten million prospects for our Baptist churches in the south land.

In North Carolina alone there are approximately seven hundred and fifty thousand prospects for our Baptist Sunday Schools.

Each Sunday morning there are at least three persons at home or elsewhere for every one that is in Sunday School.

Our own eastern association has approximately four thonsand enrolled in our Baptist Sunday Schools, with a little more than fifty per cent of average attendance.

It looks as though with some concerted action on the part of

every church that we should increase our enrollment by at least twenty five per cent, and also our average attendance.

We sincerely hope in presenting this report that every Christian and every church in every community will accept this challenge, and through the teaching of the Sunday School magnify the church of God, help to prevent crime, promote church attendance, win the lost to Christ, teach missions and enlist in the practice of missions.

Respectfully submitted,
J. B. Sessoms

Report Baptist Hospital Mrs. F. W. McGowen chairman. Report follows.

BAPTIST HOSPITAL REPORT

The Baptist Denomination owns and operates twenty hospitals in fourteen Southern States with a total bed capacity of three thousand. About one hundred thousand patients were treated last year.

Our own Baptist hospital in Winston-Salem received its first patients in May 1923. Since then 44,635 patients from every county in the state have been treated. More than 4,000 were treated last year. Over one-third of these were service patients, that is, they paid little or nothing. About 90 per cent of these come from outside Winston-Salem.

The hospital treated last year about 100 preachers, missionaries, and ministerial students, most of whom were free patients.

The hospital has a fine staff of 72 doctors and four internes, who rendered during last year $196,177.00 of free service. We have 42 specialists on the free service staff. The hospital has 82 nurses —51 of these are students in training.

During the past year the hospital has turned away more than 2,000 patients for lack of room. Winston-Salem people who could pay their bills have often been turned away in order that the hospital might take those who could not pay a hospital bill.

Plans are being made to add 100 more bed space to the hospital.

The Mother's Day offering and other donations by Woman's Missionary Societies, etc., help to bear the expense of caring for these multitudes of sick who can not pay.

Your committee recommends that the association increase its donations to our Baptist Hospital.

Respectfully submitted,

Report Social Service and Temperance. R. F. Marshburn chairman. Report follows.

REPORT ON SOCIAL SERVICE AND TEMPERANCE

Jesus went about doing good. Always He sought to save and to bless humanity, and to make this world a better place in which to live. This is the true purpose of Christian social service and temperance. It presents to us one of the greatest spiritual challenges of our day. This challenge may be glimpsed from the following items:

Lynchings are decreasing, yet continue with six in 1938. Death marches on; but at the slower pace of 95,000 last year. Better marriage laws are in effect, yet divorces continue. Our nation is crime-ridden with over four million criminals making a crime bill last year of fifteen billion dollars (estimated). Legislatures are still usurping power; the government threatens to tax churches, and sets a precedent for diplomatic relations with the Vatican. The spirit of war and conquest grows bolder and more satanic. Liquor promotion and consumption is increasing with few signs to definitely encourage yet.

What would Jesus do about this? What would He have us do? What does He desire to do through us? Down through the centuries His voice rings clearly: Tarry and pray, receive power, witness, let your light shine, bring lost men to me, hate no one. Forgive, love My Father and one another, even your enemies, deny self, take up your cross daily, follow Me, and lo I am with you all the days. If we will be true to Him, a brighter day must dawn in His good time and providence.

Respectfully submitted,

There are approximately 35 Unions within the Eastern Association. Some of these are B. A. U.'s, Seniors, Intermediates, Juniors and Story Hours. There are enrolled in these 35 Unions 656 persons—about one-half the possibilities. There were 258 Training Union awards issued in the Association between Nov. 1, 1938 and Sept. 14, 1939. New Unions organized since Jan. 1, 1939 are: 2 adult unions, 3 seniors, 3 juniors and 2 Story Hours.

About a year and a half ago some of us took upon ourselves the responsibility to call a meeting of our Training Union at Warsaw in order to set up a general organization for the entire Association. At that meeting general officers were elected and the Association was divided into two districts, the Western and Eastern, the A. C. L. railroad being the dividing line. Presidents were elected to head up the work of each district. The Western district president with the cooperation of the pastors in the district went to work with a constructive program. Fifth Sunday meetings have been held since that time with programs of varied interest presented. So far as I know, the Eastern district has done nothing toward bringing the Unions of that district together.

There is much need for a wide-awake Associational organization here in the Eastern to tie up our work with the State B. T. U. department.

The first week in July, this year, a trip was arranged to the State B. T. U. Assembly at Ridgecrest for about 30 of our young people representing the following churches: Rowan, New Hope, Turkey, Piney Grove, Clinton, Mt. Gilead, Ingold, Warsaw, Beulah. There young people met classes and heard addresses and received much inspiration from the contacts made with the more than one thousand young people from every part of North Carolina.

May God help us to open our eyes in the Eastern Association and train our youth to be "efficient Christians.' '

Respectfully submitted,
E. C. Chamblee

Resolved, that this Association undertake to do something to

enhance the religious training of its young church members.

1. Since it is not possible for many of our young people to attend the Ridgecrest Assembly each summer due to distance and expense,

2. That we here establish what may be called "Baptist Training Union Religious Emphasis Week" sometime in the month of June.

3. That Study Courses, Addresses, and Wholesome Recreation be the purpose of such a gathering.

4. That this body appoint a committee of three to investigate this matter and have the authority to work out all details.

Respectfully submitted,
E. C. Chamblee

An amended motion requesting the Moderator to name a community to study this motion and make recommendations to the Executive Committee.

Moderator names in this committee: Rev. J. P. Gulley, Rev. E. C. Chamblee, Mrs. G. S. Best.

Report Home Missions. C. W. Duling chairman. Report follows:

REPORT ON HOME MISSIONS

While Southern Baptists have ever been mindful of the Great Commission in its command to carry the Gospel to all the world, we have not forgotten that part of that world lies within the boundaries of the home-land. We have wisely and obediently sought converts beyond the seas, and while we have been doing that we have also sought to make our neighbors Christian, lest we be overcome by heathenism at home.

We are confronted with a great Mission field at our very doors. Within the territory of the Southern Baptist Convention we have 5,000,000 foreigners, 11,000,000 Negroes, and great hordes of Native American Indians. We have some 800,000 Mexicans and the Acadian section of Southern Louisiana alone has some 600,000 French. All these, along with the hundreds of thousands of Jews and our own Anglo-Saxon people yet unreached. confront us with a field white unto harvest and a challenge to send forth reapers. When we are inclined to think of America as a Christian nation, let us not forget these unreached millions, and that only approximately 50 per cent of our entire population is even nominally Christian.

In our Mountain areas in Kentucky and Tennessee, there are whole sections where 90 per cent of the people are unchurched. Among the mountain people we have nine workers, five churches, and fourteen Mission Stations.

Good Will centers in such cities as Baltimore, New Orleans,

and Birmingham minister to the needs of the people who throng those great cities. Rescue Missions in such centers as New Orleans and Jacksonville are reaching the lost. The New Orleans Mission reports more than 5000 conversions since its opening in 1927. These Missions minister to the physical needs of the people, as well as to their spiritual needs. Food, clothing, and Medical attention are provided.

The original Americans who came here in advance of the Mayflower, have not been forgotten. We minister to great numbers of them in Oklahoma, Florida, New Mexico, Arizona, Alabama, and North Carolina. Two Missionaries work among the 3000 Cherokees in our own State.

"As early as 1893, when Miss Annie W. Armstrong made a plea for the colored people, Baptist women have been interested in Negro Missions." Dr. Beall and twenty-two other Home Board employees are our white ambassadors of good will to the Negroes. We lend support to thirty-five churches, thirty-four Missionaries, and two day schools. Experience has taught us that the best preachers and teachers for Negroes are Negroes. So we are stressing Negro education, that people of that race may minister effectively to their own people.

The people without country, the Jews, are ministered to by Rev. Jacob Gartenhaus and others. Many of you know Rev. Gartenhaus and of his fine work among his own people.

Cuba and Panama belong to the home field. Cuba is a new, but a promising Mission field scarcely touched by the Gospel. The entire membership of all evangelical bodies is slightly over 20,000 in a population of 4,000,000. This is slightly more than one-half of one percent of the entire population. The Home Mission oBard has not forgotten the deaf and it is ministering to 45,000 deaf people in our territory.

Fort Worth, Texas has a Baptist Church exclusively for the deaf.

The South is rapidly becoming a manufacturing center. The coming of industries means the influx of men and women and children to support those industries. Many of these will be of foreign birth or foreign parentage. Our task will, therefore, be an ever enlarging one, and the need for Home Missions more urgent.

Last year was a good year on our Home Mission fields. Our work is growing. Victories are being achieved and we press hopefully onward.

Your committee commends to you "Southern Baptist Home Missions" published in Atlanta, Georgia. This deals with our entire Home Mission field, and the price is only 25 cents.

Report Orphanage. J. I. Memory chairman. Report follows:

REPORT ON OUR BAPTIST ORPHANAGES, THE MILLS HOME AND THE KENNEDY HOME

The Baptist Orphanages of North Carolina, the Mills Home and the Kennedy Home cared for 584 children during the year of 1938 at an average cost of $25.57 per child per month compared with $27.80 for the year 1937. An additional 46 children were cared for under the Mother's Aid plan .

Our churches and their organizations gave $136,642.81 in cash and $11,425.01 in supplies. Individual gifts amounted to $848.26 for the support of designated children. Special contributions were $3,-731.36. The Duke Endowment gave the orphanage $16,042.70, making a total of $168,690.15 contributed in cash and supplies.

Our orphanages should be nearer the hearts of the Baptist people than any other institution we support; however, only a small number of Sunday Schools and churches gives to their support regularly. The orphanages have given home-like care to 4,530 children since they were opened in 1885. Our orphanages are doing a noble job in training our young people in their churches, schools, farms, and shops to meet the actual conditions they will encounter throughout life.

As a goal for the association for next year we suggest: a monthly contribution from each church or Sunday School; a larger-than-usual Thanksgiving offering; a "Charity and Children" club in each Sunday School; a program in each church to acquaint our people with the work of the orphanages and our responsibility to the children, the program to be given by a group who has visited the orphanage; that each church or Sunday School send food and clothing as special gifts. We further suggest that a committee to report on orphanages be appointed at this meeting and authorized to keep in touch with the churches and Sunday Schools, urging them to carry out these suggestions.

In addition to the regular cooperative program gifts, every church in the Association should respond to the appeal of the Board for at least one Fellowship offering to be taken at the Lord's Supper during each year. This offering would help the Board to furnish more adequate help to the aged ministers and would be in line with our Mother's Day offering for the Hospital and our Thanksgiving offering for the Orphanage.

The churches of the Association should also consider the adoption of the Convention Retirement Plan. This plan is already in operation in our state, and in some of the churches of our Association. When this plan is generally adopted, the problem of Ministerial Relief will, in a large measure, be solved.

Report Christian Education. H. L. Stewart chairman. Report follows.

REPORT ON CHRISTIAN EDUCATION

Outstanding in the growth of North Carolina Baptists is the progress we have made in the field of Christian Education. In the very beginning of our denominational life in this state our leaders realized the supreme need of an educated membership, and specially of an educated Ministry. As early as the latter part of the eighteenth century, even while Wm. R. Davie and his associates were oragnizing the University of North Carolina, the Baptist people were giving their children the benefit of secular and religious training in the community schools taught by Christian men and women. This interest in education soon deepened into the desire for advanced training and under the leadership of Meredith and others, Wake Forest was brought into being. Later in the nineteenth century Chowan College was organized to offer educational advantages to the young women of that vast North Eastern section of the state from which so many of our leaders—both men and women—have come. Later in the same century Meredith College was organized. To serve other sections of the state have come Baptist Schools and collges—Mars Hill in the far West and Campbell College in the East—as well as numbers of schools that have been supplanted by the state operated system of secondary schools.

The need for Christian Education is just as imperative to-day as during the early days of our history. The growth of atheistic tendencies, agnosticism, extreme nationalism, which seems to teach the idea of self sufficiency; the continued indifference to the importance of the family altar—all points us to the need for Christian educational training for our children. If we believe in Christ whom we

profess to follow, certainly we wish our children to know of him and the eternal truths he taught, in their proper setting and relation to our moral and spiritual standards. Indeed it is upon these truths that we would desire our young people to build their standards of morality and spirituality. We quote from the pen of W. F. Powell who says: "Jesus is the power of God and the wisdom of God. He is light and he is love. The Saviour of men was and ever will be the supreme Teacher of men. When Jesus said 'I am the light of the world,' he wedded religion and education. Christianity is the soul at school in the world. And it is by education that man is trained to grasp truth and respond to it. Dr. Mullins said: 'Art is man's response to beauty. Science and philosophy, man's response to truth. Human government is man's response to law. Morality is man's response to righteousness. Religion is man's response to God.' Education is the process by which these adjustments are made. The highest adjustment of all is man's adjustment to God. That can be made only through Christ. Therefore as the greatest process in life is education, the greatest education is Christian Education." There is evidence that leads us to the belief that the Baptists of North Carolina are beginning to realize this last statement of Dr. Powell. Asking that you keep constantly in mind the fact that "The greatest education is Christian Education," we commend to your prayers and your active support the Educational Institutions of our Denomination. These institutions are building Christian Character and training Christian leaders. From these schools and colleges our young people have the opportunity of finding themselves and better fitting themselves for the greatest of all Christian work-bringing men to Christ.

Report Baptist Brotherhood E. C. Chamblee Chairman.

THE BAPTIST BROTHERHOOD

A word about the origin of this Brotherhood: It is an outgrowth of the Layman's Missionary Movement which had its beginning among Southern Baptist at the Southern Baptist Convention at Richmond Va. in 1907. It was changed to the Baptist Brotherhood of the South" in 1926. The change was made for the following reason: the organization seeks to promote every enterprise that Southern Baptists stand for—Christian education, hospitals, orphanages, and ministerial relief, as well as missions.

Now a word about its aim: "It urges laymen to pray daily,

study diligently, plan wisely, and serve zealously, that the kingdom of Christ may prosper. It stresses the Bible doctrine of stewardship, advocating that God holds supreme claim on our thought, time, talents and treasures." It advocates tithing, and stands for religion in business as well as business in religion. It does not collect funds for missions or send out misionaries but encourages men to give through existing deniminational agencies in order to make possible the sending of more missionaries by our regularly constituted boards of missions.

The following are objectives of the Baptist Brotherhood:

1. Adequate pastoral support, including a pastor's home; and in the country, a grouping of churches into fields for pastoral support ond other improvement.
2. Better church attendance on the part of men.
3. Stewardship practices among men and organization of stewardship bands in every church where practicable.
4. Suggestion to Christian laymen that they write their wills early, secure legal counsel, and devote at least one-tenth of their estate to the Lord's cause.

REPORT OF EXECUTIVE COMMITTEE

Your Executive Committee has transacted business as follows. December 8th, 1938 met in Warsaw Baptist church.

Present were H. L. Stewart, J. G. Bostic, J. H. Barnes, J. P. Gulley, R. F. Marshburn, R. A. Cadle.

Business considered: First: Request for $270.00 from State Mission Board to aid Beulaville Mission Field was recommended.

Considering the future for this field the following resolution to the State Mission Board was approved.

Resolved the Executive Committee of the Eastern Association go on record as favoring two missionary pastors instead of one on this field. And we do hereby give notice to the General Board that aid will be asked for in 1940 on this basis.

Second: The Moderator of this Association is authorized to call a meeting of the association on fifth Sunday afternoon in January; same being the 29th at 2:30 o'clock that the Simultaneous Revival emphasis approved by the Executive Committee and pastors may be presented to the Association.

The B. Y. P. U. Department of the Association already has the tentative program outlined. It is in the hands of Brother Granville Wallace, Clinton, N. C.

The Committee on Evangelism suggests that January 1939 be a month of Special Prayer for Evangelism. February be a month of special preparation for our Simultaneous Revival; and March 12th to April 9th be the month for special Simultaneous Revivals in every church in the Association.

Third: The Moderator is also authorized to make such arrangements as he deems wise in having our Association well represented at the State Sunday School meeting in Winston-Salem February 2nd to 3rd.

Signed: J. P. Gulley Moderator protem.

R. F. Marshburn Secty protem.

At a call meeting of Executive Committee in Warsaw Baptist Church in January 29th 1939 the subject of a Committee on Brotherhood in reference to paragraph No. 58 in Association Minutes was discussed and as the Association is having at this time a Sunday School enlargement campaign: A "B. T. U." enlargement campaign; and a Simultaneous Evangelical Campaign it is the opinion of the Committee to defer the Brotherhood Campaign for a while.

Members present: J. H. Barnes, J. P. Gulley, R. F. Marshburn, H. G. Stewart, J. G. Bostic, F. W. McGowen, C. I. Robinson.

August 25th, 1939—Executive Committee called to meet at Warsaw Baptist church at 7:30 P. M. Present were J. P. Gulley, R. A. Cadle, J. G. Bostic, F. B. Robinson, C. I. Robinson. No business was transacted as no quorum was present.

Prayer by J. P. Gulley.

REPORT SIMULTANEOUS MEETING

During the four weeks from March 12 to April 9 twenty-five of the thirty-nine churches in the Eastern Association conducted revivals cooperating with the Associational Simultaneous Revival effort. Each of these churches has reported a deepening of spiritual interest as a result of the week's meeting. There was a total of 109 baptisms as a result of the revival and 23 additions to the churches by letter.

In some of the churches revivals had been held within the past six months and small numbers of conversions does not (as it never does) give a true picture of the results in the deepening of consecration among the church membership. Several of the churches whose names do not appear in this article showed all willingness to cooperate in the simultaneous effort, but other meetings at the time, or revivals scheduled a bit later in the spring, made it seem unwise to hold revivals at that time. The undertaking received wide-spread cooperation and permanent results are assured.

During the first week, March 12-19, the following meetings were conducted:

Alum Springs: The pastor, Rev. J. L. Powers, was assisted by Rev. B. G .Early of Kinston.

Cedar Fork: The pastor, Rev. J. L. Powers, was assisted by Rev. W. R. Stephens of Whitakers. 8 baptisms, 1 by letter.

Clinton: The pastor, Rev. S. Lewis Morgan, Jr., was assisted by Dr. Carl M. Townsend of Raleigh. 29 baptisms, 6 by letter.

Hallsville: The pastor, Rev. J. L. Powers, was assisted by Rev. T. N. Cooper of Richland. 4 baptisms.

Johnson's: The pastor, Rev. R. A. Cadle, conducted his own revival. 6 baptisms.

Magnolia: The pastor, Rev. J. B. Sessoms, conducted his own revival.

Mt. Gilead: The pastor, Dr. R. F. Marshburn, was assisted by Rev. J. P. Gulley. 4 baptisms, 4 by letter.

During the second week, March 19-26:

Beulaville: The pastor, Rev. J. L. Powers, was assisted by Rev. R. A. Cadle of Warsaw. 8 baptisms, 2 by letter.

Center: The pastor, Dr. R. F. Marshburn, was assisted by Rev. L. L. Johnson of Magnolia. 2 baptisms, 1 by letter.

Ebenezer: The pastor, Dr. R. F. Marshburn, was assisted by Rev. S. Lewis Morgan, Jr. 3 by letter.

Jones' Chapel: The pastor, Rev. J. L. Powers, was assisted by Rev. J. F. Mauney in a new church building completed just prior to the revival. 10 baptisms.

Poplar Grove: The pastor, Rev. J. B. Sessoms, conducted his own revival. 2 by letter .

Rowan: The pastor, Rev E. C. Chamblee, was assisted by Rev. L. R. Ennis of Durham. 9 baptisms.

Turkey: The pastor, Rev. E. C. Chamblee, was assisted by Rev. Willian Poole of Wendell. 4 baptisms.

During the week, March 26-April 2:

Concord: Rev. J. H. Barnes, the pastor, was assisted by Rev. J. B. Sessoms of Magnolia.

Ingold: The pastor, Dr. R. F. Marshburn, was assisted by Rev. Troy Jones of Red Springs.

Kenansville: The pastor, Rev. R. A. Cadle, was assisted by Rev. J. P. Gulley of Mt. Olive.

Sharon: The pastor, Rev, J. L. Powers, was assisted by Rev. L. C. Pinnix of Jacksonville. A revival in November was responsible for 10 baptisms last fall; none at this time.

During the week, April 2-9:

Faison: The pastor, Rev. R. A. Cadle, conducted his own revival.

Garland: The pastor, Dr. R. F. Marshburn, was assisted by Rev. S. N. Lamb of Whiteville.

Mt. Olive: The pastor, Rev. J. P. Gulley, was assisted by Rev. R. A. Cadle; 10 baptisms, 1 by letter.

Mt. Vernon: The pastor, Rev. J. B. Sessoms, was assisted by Rev. E. N. Teague of Fayetteville. 11 baptisms, 2 by letter.

New Hope: The pastor, Rev. E. C. Chamblee, was assisted by Rev. John Edwards of Henderson.

Piney Grove: The pastor, Rev. E. C. Chamblee, was assisted by Rev. Donald J. Myers of Chadbourn. 1 baptism.

Union Grove: The pastor, Rev. S. Lewis Morgan, Jr., conducted his own revival. 3 baptisms. 1 by letter .

SUGGESTED RESOLUTION ON "EVANGELISM" FOR AN ASSOCIATION (Suggested by Roland Q. Leavell, Supt. of Evangelism, Home Mission Board, 315 Red Rock Building, Atlanta, Ga.)

WHEREAS: There is a sweeping spirit of revival in evangelism and soul-winning now blessing Southern Baptists, and

WHEREAS: There is a sore need and a challenging opportunity within our associational area and our churches for a sin-destroying, soul-saving, Christ-honoring, Holy Ghost revival, and

BE IT RESOLVED: FIRST, that our associational committee on evangelism be requested to plan and promote an intensive and extensive program of evangelism for the coming year, and

SECOND, that the committee make a survey of the area to locate needy fields, encouraging weak or pastorless churches, and promote evangelism in every advantageous way, and

THIRD, that Sunday, December 31, 1939, be recommended to the churches as a day of fervent prayer for lost souls and for a world-wide revival, uniting in prayer with Baptists thoughout the South, the nation, and all the nations represented in the Baptist World Alliance, and

FOURTH, that it be recommended to the churches to seek to bring oll the members to humility, repentance, faithfulness in preaching attendance, soul-winning, and Scriptural stewardship, and

FIFTH, that our people strive to win to Christ not less than one person for every ten church members, and

SIXTH, that it be recommended to the churches that their evangelistic programs be planned for in advance, on a perennial basis, with at least one major activity each month, such as the following: (1) religious census, (2) visitation program, (3) a month of preparation for the revival meeting, (4) revival meeting, (5) instruction and training new members, (6) enlistment of inactive church members, (7) a vacation Bible school, (8) some out-of-the-church plans such as a mission Sunday school, tent meeting, or radio, (9) Sunday school decision day, (10) study courses in soul-winning, (11) an enlargement campaign, (12) associational evangelism, (13) a youth revival, (14) soul-winninw plans at Christmas, (15) distribution of tracts, publicity in the county or daily newspapers, and (16) special efforts by the church auxiliaries.

REPORT FROM BEULAVILLE MISSION FIELD

I submit the following report of the Beulaville field. We co-operated with the Associational plan for a simultaneous revival with rich blessings and a total addition of 40 members to the churches. The Beulaville church has continued its building program, having remodeled and painted the parsonage, also beautified the church and parsonage grounds. The Cedar Fork church has painted its building and plans further improvements in the near future. Due to present economic conditions the financial reports have fallen short, but the general outlook for all the churches is encouraging.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger; to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Report of Baptist Hospital read by Rev. J. I. Memory, adopted by motion, spoken to by Superintendent Smith Haggaman of the Baptist Hospital in Winston-Salem. Report follows:

REPORT BAPTIST HOSPITAL, WINSTON-SALEM

Our Baptist Hospital in Winston-Salem received its first patient on May 28, 1923. Since then a total of 48,734 patients have been treated. 19,000 of these were charity patients, treated at the approximate cost of $1,900,000. 4,099 were treated last year and 3,000 were turned away for lack of room. Many patients that were able to pay were turned away to make room for free patients. There have been treated at the Baptist Hospital more than 14,000 mothers and 1,185 ministers, missionaries and ministerial students, most of whom were free patients. About 90 per cent of all these patients have come from outside Winston-Salem, representing every section of the state.

The hospital has a staff of 76 medical and surgical doctors, a specialist for every particular case, at the call of the hospital every minute, day or night. There are 91 nurses besides an adequate number of special graduate nurses at the service of patients.

The hospital is increasing its bed space of 108 to 300 which will enable the hospital to care for 10,000 or more patients each year.

We would recommend to the various representatives of this associational meeting that upon returning to our churches we urge our people to contribute freely to the Hospital Building Fund and substantially increase our Mother's Day offering which goes to relieve the pressing need of our charity patients at the hospital.

Respectfully submitted,

J. I. MEMORY

Orphanage report read by Rev. L. L. Johnson. Adopted by motion.

Spoken to by Treasurer R. D. Covington of Mills Home, reading from the 6th chapter of Deuteronomy, 4th chapter of Joshua and 18th chapter of Matthew. Report follows:

REPORT ON ORPHANAGE

No labor of love lies closer to the hearts of the people of our churches than that of our Orphanage work, at the Mills and Kennedy Homes. Reasons for this love and support are readily observed.

First: This institution and its interests are close to us. Either Home may be visited in a days's automobile drive. Many of our people have found inspiration in such visits. Again, Church officers make frequent mention of Orphanage needs in Sunday School and worship hours. While the weekly distribution of copies of "Charity and Children" provides

facts and inspiration for readers. One brother,, disappointed in the teaching of the Scripture Lesson for the day, was heard to remark, "Nothing from the lesson today, but I got a "Charity and Children" to take with me."

Second: We have seen the value of our Orphanage training demonstrated in our midst. Many of us personally know young men and women who made good use of privileges and responsibilities during their stay at the Home in Thomasville or Kinston. Their high purposes and clean lives make us glad.

Third: In Jesus we receive our love for the underprivileged. Through this Jesus, alive in our midst, we have the material means and power to meet their need. When He is allowed to control your life and mine then "The LEAST, the LOST, and the LAST," have first place in our motive and action.

Certainly, we will stand by this ever present need with love and the proper support.

Respectfully submitted,

L. L. JOHNSON

An offering to prohibition was made at this time. Amount $18.15.

Report on Christian Education read by Rev. T. N. Cooper. Adopted on motion. Spoken to by Professor Campbell of Buie's Creek. Report follows:

CHRISTIAN EDUCATION

The chief end of society is to improve the race, develop the higher and steadily improving type of human beings. Life is a highway, either to the completeness or destruction of character. Therefore, we appeal to the Home, the Church, and the School to make character complete. The Home affords the very best agency for the development of character. Indeed the people must so choose, knowing that they endure hardness, bear the yoke in their youth, and learn that:

"Love and joy are torches lit at altar fires of sacrifice."

The need for Christian Education is by far the greatest need of our day. The clean heart is still the great gift to any young man or young woman. The individual is the object of God's love. God has overlooked ignorance, but He now charges men that they are all, everywhere, to repent of their sins. We all need a complete change of our minds and our hearts concerning our relationship to God. Nothing short of this the very beginning of Christian Education.

Only the BIBLE has lifted the veil of the future; it is the way to eternal life.

This Book upholds Jehovah's mind
This Voice salutes in accents kind,
This Friend will all your needs supply,
This Fountain sends forth streams of joy,
This Mine affords us boundless wealth,
This Good Physician gives us health,

This Sun renews and warms our SOUL.
This Sword both wounds and makes us whole,
This Letter shows our sins forgiven,
This Guide conducts us safe to Heaven,
This Charter has been sealed with blood,
This Volume is the Word of GOD."

In joy or in sorrow, in youth or in old age, at home or abroad, amid scenes of unceasing activities or when the sands of life are ebbing low, His Word will be our comfort, and crown the weary life with a portion of the joy of GOD. (Job) "I have esteemed the words of His mouth more than my necessary food."

The great task we have today is to teach the teacher and unteach the pupil who has been mistaught by our teachers. We must appeal to the Churches to insist upon the thoroughly Christian teacher for our youth. We must learn to send our young people to the Christian teacher, whether in the University or in the Sunday School. The teacher of religion is an important factor and operates through the presentation of saving knowledge. The personality and teachings of Christ when skillfully presented have an incomparable drawing power, especially for the tender heart. The child is another factor. Through self-activity and the acceptance of the teachings with an open mind, the child becomes instrumental in its own spiritual adaptation. We must prepare efficient Christians for the service of God's kingdom here and now. Finally, the Spirit takes the teaching and makes it effective in quickening the Soul perception, creating the disposition in the child to receive the message of God and embrace the Saviour. Thus the child is gradually adapted to the eternal, spiritual God-enviroment in which the Soul will pass eternity.

The greatest education is Christian Education.

Report on State Missions, read by Rev. J. L. Powers. Adopted by motion. Report follows:

REPORT ON STATE MISSIONS

The New Testament idea of Missions is, Reaching the lost with the message of life. Christ's command is to begin at Jerusalem and continue until the remotest bounds of earth are reached. We believe this work of winning the lost and also training them requires all phases of our enlarged State Mission Program.

Our work is conducted through the State Mission Board under the leadership of Mr. M. A. Huggins. We have two general missionaries who labor in churches with pastors and people. We have 78 missionary pastors who work in 154 churches. Good work has been done among other races of people, especially with the Indians of Robeson County and the Negroes of the state. State Missions seeks to lift up the fallen in our institution at Samarcand. We also minister to the sick in two sanatoriums and our hospital. We provide a home for the fatherless and motherless in our orphanage.

In the Department of Christian Education each division has had a good year. The Sunday School Division has gone forward. The Training Union has made good gains. The Student Division has made rapid progress this year.

May we work, pray, and give for the coming of God's Kingdom in our state.

Respectfully submitted,

J. L. POWERS

Report on Home Missions read by H. L. Stewart. Duly adopted. Report follows:

REPORT ON HOME MISSIONS

The enormous task of carrying the Gospel to all nations, assumed in recent years by the Christian peoples of all denominations, denotes a more general acceptance of the Great Commission. The successful prosecution of this work must be based on strong and vigorous local organizations. This fact has long been realized by our denominational leaders. Out of this realization has come our Home Mission Board with its wide and well diversified activities. The Board is maintaining work among the Indians, Foreigners in our country, the Negroes, in the congested sections and centers of population and in Cuba and Panama.

According to the report of the Home Mission Board the work for the past year has been greatly blessed. We have now 411 missionaries working in 863 mission stations. During the year 40 have been added to the mission force, 93 new mission stations have been opened and 14 pieces of property have been acquired. It is interesting to note also that 40,362 Bibles, Testaments and portions of the Scripture, and 660,847 tracts have

been distributed. Our missionaries have preached 34,008 sermons, led more than 9,000 persons to make profession of faith in Christ and received into fellowship in the churches 4,672.

During the past year the receipts of the Board were larger than for the year before. This fact made it possible to make marked progress in reducing the debt with which we have been burdened for many years. Receipts from all sources amounted to $544,289.04. The sum of $159,585.15 was paid on the principal of the debt during the past year. It will be heartening to you to know that a program has been worked out to liquidate the debt of the Home Mission Board by 1945, provided there is no decrease in the receipts below the 1939 level.

Under the direction of Dr. J. W. Beagle, Field Secretary, in the Department of Missions in the Homeland, we have 269 missionaries, which is 17 more than last year.

The work in Cuba is under the leadership of Dr. M. N. McCall where new fields have been entered and much progress made.

In the Department of Evangelism Dr. Roland Q. Leavell is giving much time to the organization and promotion of city-wide evangelistic campaigns. The Board estimates that there are more unsaved souls in the Southland today than when the work was started in 1845. It is the conviction of the Board that the spirit of evangelism must recapture the small country churches if our rural areas are preserved from the inroads of unscriptural off-brand types of religion.

The work among the Jews under the direction of Rev. Jacob Garthenhaus and among the Negroes as it is led by Dr. Noble Y. Beall, is showing decided growth

In order that you may keep informed as to this basic work of your denomination, you are urged to take the Home Missions Magazine which deals with all phases of this important activity of your denomination.

Report on Foreign Missions read by Rev. J. L. Jones. Duly adopted. Report follows:

REPORT ON FOREIGN MISSIONS

Just before Jesus went back to the Father, He gave to His disciples a commission that they should go and make disciples of all people, and should carry on the work which He had started while here on earth. This commission was that they should carry out His program which included preaching, teaching and healing.

Conditions in our fields of labor have made it hard for the missionaries to carry on, but by the grace of God, we are still making progress.

War conditions in China have worked havoc in some of our fields, but have caused our missionaries to have the opportunity to move into new fields of endeavor. Some of our property has been taken by these conditions, and some of our missionaries have suffered personal losses. Through it all, God is getting glory.

During these trying years, the Foreign Mission Board has operated within its income, and has been able to pay off a good bit of its debt. During the year 1939 the Board received from all sources the sum of $1,149,251.87.

During the year of 1939 the W. M. U. gave to the Board the sum of $330,424.70. This generous gift enabled the Board to greatly reinforce the work.

A new Theological Seminary has been opened at Santiago, Chile, and under the leadership of Rev. J. W. McGavock, assisted by missionaries McConnell, Wood and Bryant, the work is going in a fine way.

During the ninety-five years of the Foreign Mission work, there have been many things to discourage and many to encourage. May each loyal Baptist pray and give, so that the work of our Lord may be carried on in a great way.

Respectfully submitted,

J. L. JONES

SUNDAY SCHOOL—BAPTIST TRAINING UNION REPORT

Realizing that our Association was falling short somewhere in its Sunday School and Training Union Work; feeling the need of greater endeavor in these fields; knowing too, that our Association is largely rural and scattered over a wide territory, making more difficult Association-wide gatherings, with most of our pastors serving more than one church; and coming to the conclusion that more unity and coordination in our work in the bringing of Sunday School and Training Union Workers together at the same time, in the same meeting, would result in more enthusiasm and closer cooperation on the part of all concerned in our work, the Sunday School and Training Union Association decided early in 1940, to form a joint organization. And so early in the year, a committee composed of all the pastors of Eastern Association and two laymen, met in the Baptist Church in Warsaw with a two fold purpose. Namely, first, to nominate a group of officers to serve in this newly formed organization; second, to plan a program that would be of equal value to both groups; a program of both instruction and inspiration.

The new organization was to be called "The Sunday School—Baptist Training Union Association". It was to be held each fifth Sunday at 2:30 o'clock in whatever church invited it. Its program was as follows:

Fifteen minutes, Devotional and Business; thirty minutes, Sunday School Conference; thirty minutes, Baptist Training Union Conference; twenty minutes, Inspirational Address.

The following officers were nominated and duly elected. President, Rev. R. A. Cadle; Vice President, Mr. Everett Peterson; Secretary-Treasurer, Rev. Tom Cooper; Sunday School Vice President, L. G. Lovell; Baptist Training Union Vice President, Mrs. G. S. Best.

This new organization met for the first time in the Turkey Baptist Church on the fifth Sunday afternoon in June, and again on the fifth Sunday afternoon in September in Johnsons Church. A large group attended both these meetings. Reports were given, and we feel that new life has come into our work and that we are now ready to march forward to greater effort and permanent good.

Baptist Training Union Recommendations:

1. That we realize Christ is the head of the Baptist Training Union.
2. That we realize Baptist Training Union is a place for training to be a faithful Christian.
3. That we determine to make this opportunity available to all members in every church.
4. That we look into the advisability of a Baptist Training Union enlargement campaign for Eastern Association during 1941.
5. That we make definite plans for worthy representation at Association Meetings, Ridgecrest Baptist Training Union Assembly, and Southwide Baptist Training Union Conference in Memphis, Tenn., December 31, 1940-January 3, 1941.
6. That these recommendations be given careful consideration by our Baptist Training Union Officers for Eastern Association.

Report on Sunday Schools by Rev. J. P. Gulley. Adopted by motion. Discussed by Rev. J. P. Gulley. Report follows.

SUNDAY SCHOOL REPORT

If we face the facts the picture is none too bright so far as our Sunday School work is concerned. Eastern North Carolina has been called one of the most difficult fields for Sunday School endeavor. The work we are doing is, comparatively speaking, good. However, we are by no means measuring up to our possibilities. A few of our churches are doing an excellent job.

We have failed to enlist our own members in the teaching service. There were 6,608 members listed by the churches last year. Only 4,248

of these were enrolled in the Sunday Schools. Out of the 4,248 enrolled, ony 2,448 were average attendants. Someone has wisely said: "A church member who is not lined up in Sunday School, unless providentially kept away, is only half a church member."

Many of our pastors and leaders have sensed the weakness at this enlistment point, and great emphasis is being placed on enlargement. An Association-wide Enlargement Campaign was launched and completed in our Association in April. Under the leadership of brethren L. L. Morgan and Perry Crouch a corps of about thirty workers were brought into the Association to work in more than thirty of our churches. In this effort, around 1200 of our people were reached.

The Enlargement Campaign serves a dual purpose. Therefore, not only was a religious census taken in every church and an effort made for enlargement, but a study course was held each evening in all of these churches for the purpose of training teachers and workers to handle the larger organization.

Teaching the Word of God is the main function of our Sunday Schools, but the Word cannot be taught effectively, unless, there are trained teachers for this purpose. Let us emphasize the teaching of God's Word as never before in the coming year. Let us also stress enlargement and teacher training.

Report on Brotherhood read by Rev. J. B. Sessoms. Adopted by motion. Report follows:

REPORT ON OUR BROTHERHOOD

In the year of 1907, during the Southern Baptist Convention, which was held in Richmond, Virginia, a group of our Baptist Laymen organized a Layman's Missionary Movement to be sponsored by the men of our denomination in the Southland. Nineteen years later, or in the year 1926, its name was changed to The Baptist Brotherhood of the South.

Some reasons are offered for this change in name. The Brotherhood seeks to promote the various causes which Southern Baptists advocate and maintain: State, Home and Foreign Missions; Christian Education; Hospitals; Orphanages and Ministerial Relief and Annuity.

The Aim of the Brotherhood is, To bring our men into a greater spirit of fellowship one with another; to promote a greater prayer life; to encourage the study of God's Word; to plan and promote with a greater zeal and integrity the purpose of the Kingdom of Christ among the people of the Churches of the Southland.

It advocates God's plan in making ourselves good stewards of God's blessings to us. It does not collect money or send missionaries, but encourages Systematic Giving through the agencies of the Church.

It also advocates and encourages better support of our local churches; more adequate salaries for Pastors, and more Pastor's homes; better teaching facilities in all branches of our work; more co-operation in our Associations among the weaker churches, in establishing a greater system of service to their communities, and helping them to become conscious of their real worth in the Master's Cause.

Report on Religious Literature read by Rev. S. Lewis Morgan, Jr. Adopted by motion. Spoken to by Brother David Morgan of Raleigh, Field Representative of the Biblical Recorder. Report follows.

REPORT ON RELIGIOUS LITERATURE

In war times we realize how powerful is the effect of planned propaganda. The axis powers in Europe are spending millions of dollars for a progaganda campaign in South America. Besides the radio, their chief weapon is literature. The printed page scattered throughout the land has the power to formulate public opinion. Again the children of this world are wiser than the children of light.

On our news stands the literature that is displayed suggests the reason for a large part of the immorality that is rampant in our land. Again we see the power of the printed page. All over our Association seeds of doubt and questioning are being sowed by the distribution of literature by representatives of a sadly misinformed religious sect.

North Carolina Baptists are playing with the most powerful agency but one, when they might be using it as a great force for the advancement of the Kingdom of God. For it is merely play when only 13,000 families take the "Biblical Recorder". In our Association only 204 families take it. We should not be satisfied until a copy of the Recorder went into every home in every church.

The same thing may be said about our periodicals on our Mission Work. "The Commission", our Foreign Mission Magazine, and "Home Missions" are absolutely necessary as Christian propaganda.

Respectfully submitted,
S. LEWIS MORGAN, Jr.

3:00 P. M., the hour for the afternoon sermon. Song No. 249, "Faith of our fathers, living still".

Dr. G. N. Ashley of Pineland College addressed the Association; subject, "The ministry of the church in a world at war", reading Romans, 12th chapter, 17th and 21st verses.

Dr. Ashley said, "A little girl put a shredded picture of the map of Europe together by adjusting the picture of a man on the back of the map", thereby saying to us and to the nations, that the picture of the Christ adjusted in our lives and nations would spell Peace. Prayer by Dr. Ashley.

Report of Executive Committee read by C. I. Robinson. Approved by motion. Report follows:

REPORT OF EXECUTIVE COMMITTEE

Clinton, N. C., October 8, 1940.

To Eastern Association, Greetings:

Your Executive Committee has transacted the following items of business:

December 5, 1939, met in Warsaw Baptist Church at 7:30 P. M. Present were Rev. R. A. Cadle, J. G. Bostic, H. L. Stewart, F. W. McGowen

and C. I. Robinson. Visiting brethren, T. Y. Dobson, Wilbert Canady.

First item of business: Matter of an additional Pastor in Beulaville Field was discussed at length. On motion by H. L. Stewart, State Board is asked for one thousand dollars for partial support of two pastors in above named field.

Rev. J. P. Gulley, a member of the State Board was requested to visit the Beulaville Field and inform himself of the pressing need in the field for an extra pastor service.

Motion by Rev. R. A. Cadle, seconded by H. L. Stewart, that Association clerk be instructed to draw check on Association Funds for his service as clerk, in the sum of thirty dollars, to apply on the Association order to reimburse the Clerk in the amount of forty dollars.

Motion by Rev. R. A. Cadle, seconded by H. L. Stewart, that the overcharge in the sum of $36.00 by Zebulon Press, Zebulon, N. C. be denied, as the Executive Committee is unanimous in the opinion that the charge is in error.

The Association Clerk having contracted in writing with the Press to print two thousand Association Minutes for $120.00, delivered; same to be similar to the 1938 Minutes, a copy of which was furnished them. However, the Press without the knowledge or consent of the Clerk, on their own initiative, changed size of type used in printing the Minutes, and by doing so increased the size of the Minutes by twelve pages, which was charged for at three dollars per page, over the contract price.

No further business, the meeting was closed in prayer by C. I. Robinson.

March 14, 1940, Executive Committee met in Warsaw Baptist Church at 7:30 P. M. Present were Rev. R. A. Cadle, Rev. J. P. Gulley, Rev. J. L. Jones, W. L. Beach, F. W. McGowen, C. I. Robinson, and one visitor, Theo Lee.

Opening prayer by Rev. J. P. Gulley.

First item of business being the discussion of a Called Session of the Association on April 6th, for information, inspiration, and spiritual strength. However, the Committee thought it unwise to recommend calling an extra Session of Association at this time, on account of there being four other state meetings in this Association during the months of April and May.

No other business, the meeting closed in prayer by W. L. Beach.

C. I. ROBINSON, Secretary

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Report on "Bible Study in Sunday School Work" read by Rev. G. Vann Stephens. Discussed by Rev. G. Vann Stephens, was adopted. Report follows:

Bible Study in our Sunday School Work

The Bible School would be a more appropriate title for that part of our church work given to the study of the Bible, provided, we really used the Bible as we should. However, in so many cases, it is sadly neglected. Besides, thousands of dollars worth of S. S. Literature is wasted, annually, in our State, and Southland, by not being used. The neglect of the Bible is evident for two reasons: First, the ignorance of the Bible of the majority of our church members; Second, the inconsistent living as to the principles, and teachings of the Bible. They can not say, as did the Psalmist, "Thy Word have I hid in my heart that I might not sin against Thee".

Here are a few suggestions, which if followed, will help us to a greater knowledge of the Bible, and in our Christian living, also:

1. Study the Bible daily. The spiritual Bread of life should not be neglected any more than the physical.

2. Study intelligently. The parallel passages, the daily readings, the comments of quarterlies; also a Bible dictionary, and some good condensed commentary should be at hand.

3. Bible study should be planned. A time when, and a place where we can best concentrate on the Word of God.

4. We should study the Bible prayerfully, and reverently. It is the inspired Word of God, and we should so use it.

5. If we expect our people to bring their Bibles to Sunday School, we must plan for an attractive and helpful use of them. This takes time and work.

A wonderful opportunity is before us. The urgency of prevailing conditions demand that we do our best. Besides, He has commanded that "We teach them to observe all things whatsoever He has commanded us". What will be our reply and response?

Report on "Biblical Recorder and Religious Literature" read by Rev. S. L. Morgan, Jr. Discussed by Rev. S. L. Morgan ,Jr. Duly adopted. Report follows:

Biblical Recorder and Religious Literature

If we Christian people are to be transformed into active and powerful soldiers of the Cross, it must be "by the renewing of our minds". This will be accomplished by God's Holy Spirit working through the various means available. One of the most potent of these is the printed page, for through reading we are able to share in the accumulated thought and inspiration of other minds and hearts.

We must read the Bible, for therein we read what God has said to men through centuries. As we read we discover daily, deeper truths about God's divine love for us and His will for our lives.

We must read books which interpret the Bible and which present Christian truth with new thoughts and fresh viewpoints. We must read our Baptist periodicals, because through them we keep abreast of contemporary religious thought and contemporary activity among our fellow Christians.

THE BIBLICAL RECORDER presents current religious thought as found among our Baptist people. We need to know what others are thinking on certain subjects related to our common Christian experience. Moreover, THE RECORDER weekly lets us know what other churches are doing in the interest of the Kingdom, and we find stimulation and information therein.

The progress of the work we are having done on foreign fields is monthly described in THE COMMISSION. The work among the needy groups in our own Southland is presented in HOME MISSIONS. We can not promote the work of the Kingdom, unless we know what is being done.

All too many Christians, old and young, are conforming to this world, largely because they make no attempt to "grow in Christ". Let us rather be transformed by the renewing of our minds through the reading of religious literature.

Submitted respectfully,

S. LEWIS MORGAN, JR.

Motion by Rev. S. L. Morgan, Jr. that the Clerk be instructed to express to Dr. John Calvin Slemp, Editor of the Biblical Recorder the regret of the Association of his passing from us as Editor at this time, and our deep appreciation of the untiring efforts rendered by him in advancing Kingdom Work through the columns of the Recorder while editing the same. Report on State Missions read by Rev. L. L. Johnson.

Adoption of the report deferred until Wednesday Session. Report follows:

State Missions Report

The achievements of our State Mission effort must not be discounted. Our Board has sent flaming evangelists throughout our state. They have shepherded faithfully infant Churches. Through the witness of these churches many have found the New and Living Way. These missionaries labored because they loved.

Now let us look squarely at some of our present dangers and difficulties. Secular education, the pleasures of luxurious living and the love of money, has turned multitudes of professed Christians from our living Lord. Consequently, our Churches desire little more than a formal worship and a little instruction in methods. Discipline to win back the erring brother and to uphold the Church family name is well nigh gone. Us pastors and preachers—called to be prophets and shepherds—are become routine priests looking for greener pastures in the name of the Lord. The daily lives of professed Christians has so little reality that those who long for a Savior and Lord, knowing what we are, do not always hide their cynical smiles. The unspoken motto of most of our Church families is "Live as you please. It is no concern to the others of us." What shall we do? From the least to the greatest let us change our minds and our ways!

Some suggestions:

First, Let our Board use spiritual qualifications as a basis for the choosing of missionaries to be sent, and give them bread enough to relieve them of the necessity of continuous daily toil.

Second, Let each Association have its own evangelist-missionary. The Churches will gladly support any missionary when assured that he is doing the Lord's work in the Lord's way. Most of us give generously and gladly when the appeal centers about a person.

Third, Let our State Board lead in a movement for setting up altars

of daily devotion in the homes represented in our Church memberships.

Fourth, Let our Board name a day for each Church to pray over the condition of worldliness within the local Church and ask for grace to do something about it.

Respectfully submitted,
L. L. JOHNSON

Report on Home Missions, read by Rev, J. L. Powers. Duly adopted. Discussed by Rev. M. O. Alexander. Report follows:

Home Missions In Our Southland

There is marked progress on every field in our Southland. Total receipts show $560,168.09. We have 391 missionaries, 915 churches and mission stations, 71 new stations opened, 14 new pieces of property acquired, 77,440 people touched in personal work and 5,375 made profession of faith. Reducing the rate of interest on our debt of $850,000 will amount to $9,000 annually.

Great transformation is taking place on our field in Cuba. We have 15 more workers. In the department of missions in the homeland we have 30 new missionaries. The workers report 2,468 baptisms, 302 Sunday Schools and 256 revival meetings. The superintendent of evangelism reports a quarter of a million people won to Christ. Rev. Jacob Gartenhaus reports the greatest awakening on the part of the Jews toward Jesus.

Transformation is being felt through the distribution of Home Missions News by the publicity department. The Board has published two study books, THE TRAIL OF SEED and SIGNS OF THE TIMES. Our field worker has represented Home Missions to groups in the organizations of our denomination.

Under the direction of Dr. N. Y. Beall the Board is doing a great work on the campuses of our Negro Schools. Dr. Beall is also the Board's contact man in the army camps and we have a great work to do in these camps.

Respectfully submitted,
J. L. POWERS

Report on Foreign Missions read and discussed by Mrs. S. L. Morgan, Jr. Duly adopted. Report follows:

Foreign Missions

After 96 years of earnest endeavor under the direction of the Foreign Mission Board, Southern Baptists are perhaps facing the most crucial and challenging hour in their history. In Europe, under Nazi leadership, we find the worship of the totalitarian state.

In the Far East in Japan and Japan controlled Asia this new religion takes the form of Emperor worship. The new Japanese church is a curious mixture of paganism, shrine and emperor worship, and Christianity. In Japan, we have a lone missionary at present—Dr. Maxfield Garrott. In China 84 have been forced to leave their fields, 10 from Nigeria, and all from Palestine.

However, South America is the open door to opportunity in Missions. Much is being said and done in the Western Hemisphere to promote good will. We hear a great deal of Good Neighbor policies

and practices. South American youth have lost faith in their government and Roman Catholicism. In their restlessness they are promoting strikes, revolts and revolutions. They want what Christ can give them.

The Board's total income for 1940 was $1,326,862.95. This was an increase over 1939 of $247,277.67. For the calendar year $33,500 was paid on the debt.

Dr. W. O. Carver quotes from "God in Conversation with the World" in which he says, "What could be more tragic than a church emerging from this period without having been changed". Surely God's call to order to the church is this—"Wake up and realize your calling—for His message to the world will be through the church". Are we ready to declare His word to the nations; or will we make terms with the times?

Respectfully submitted,

Report on Brotherhood read and discussed by Dr. R. F. Marshburn. Duly adopted. Report follows:

Report on Our Brotherhood

What is a Brotherhood? It may be defined in one simple sentence: "A group of consecrated men promoting the whole program of their church and of the denomination, and endeavoring to get every other man in the church to do the same thing". Its slogan, "A MILLION MEN FOR CHRIST", pictures its great objective, a million Southern Baptist men for practical Christian service through the programs of their churches.

It came into being in 1926 when the Laymen's Missionary Movement, organized in 1907 to parallel the Woman's Missionary Union work, was changed to Baptist Brotherhood of the South. This was done to include all the denominational program rather than just the one phase of Missions, and also to include both pastors and laymen. In addition, it sponsors Layman's Day, Hundred Thousand Club, Ministers' Retirement Plan, State Papers, and an annual Southwide Brotherhood Conference at Ridgecrest. Nine States now have full-time Brotherhood secretaries, and it is hoped that North Carolina may be in that number soon. There are functioning Brotherhoods in over 4,000 churches in the south, and new Brotherhoods are being organized at the rate of more than three a day. These organizations include more than 100,000 men in their membership today. The booklet, "Organizing and Operating a Brotherhood", is used as a handbook for this work throughout the Southern Baptist Convention.

North Carolina and Eastern Baptist Association have been slow in their promotion of this work. Are we missing something that we need to learn about and promote in our churches?

Report on Ministerial Relief read by W. L. Beach was duly adopted. Report follows:

How Much Then is a Man Better Than a Sheep?

Men care for the dumb beasts that have served them, even when they become useless. How much more then should we care for men, who have given their lives to the service of the churches, now that they are no longer able to serve! This is a privilege and a duty that has rested all too lightly on us in the past. Let us now consider it seriously and support it generously.

Respectfully submitted,

W. L. BEACH

Motion by Rev. S. L. Morgan, Jr., that Brother W. L. Beach be asked to amend his report on Ministerial Relief and furnish the Biblical Recorder a copy.

Brother Beach's amendment follows:

(Summary of a part of the discussion of Ministerial Relief, requested by the Association for publication in the Minutes as a supplement to the report on the care of old preachers.)

Having considered the worn-out preachers for whom some measure of relief is furnished by the Relief and Annuity Board, and the active pastors who may be provided for by the Retirement Annuity Plan, there remains a third class to be considered. This class is composed of once active pastors and a surprisingly large number who have never been pastors, or at best, pastors of one or two small churches.

Three causes for the existence of this class may be considered. Probably the chief cause is the mania of many churches for young pastors. Certainly there is nothing against young preachers personally. Most of them are educated, many have been trained in the seminaries. They are eager and enthusiastic. They must begin work somewhere. But for them many loyal, efficient, but older men are eased out of the pastorate. Tennyson's line, "Knowledge comes but wisdom lingers", is to the point just here, and one wonders whether the eagerness and enthusiasm of the young preachers is adequate compensation for the wisdom and experience of the man he replaces.

Another cause is an undue emphasis on the fundamental Baptist doctrine of the independence of the local church. For apparently trivial reasons many weak churches refuse to co-operate in the formation of fields, but tag themselves on to some already overworked pastor for an afternoon service. In this way an injustice is done to the local church, and the effectiveness of the pastor's preaching to his other churches is materially reduced.

Of the third cause, the indiscriminate ordination of men to the ministry, a layman hesitates to speak. In more than fifty years connection with Baptist Churches, I have never known a man to be refused ordination. All too many of them have little education, less knowledge of the Bible, and the vaguest conception of the call to the ministry. The golden G. P. C. of this vision emblazoned on the midnight sky may mean, "Go pick cotton", rather than, "Go preach Christ". All of which would not be so tragic if their influence were confined to the churches which ordained them. These causes and the responsibility

for their results rests with the churches and can be corrected only by the churches.

What can be done to bring back into the pastorate most of the good men who are now inactive and to eliminate those who have never had the pastor's heart? In seeking a remedy it must be definitely understood that there are not too many God-called preachers. There is more work to be done than the workers can do. The problem is to bring the work and the workers together. We must sacrifice some of our local church independence and use some Christian common sense in the formation of fields and location of pastors. Let ability and results rather than age determine the usefulness of a pastor. Most men do their best work after forty. Finally, draw the line on the ordination of men who are not fitted for the pastorate. Education and knowledge of Bible doctrines, unmistakable evidence of a divine call, coupled with demonstrated aptness and ability for the work to which he aspires, should be required of everyone whom the churches send forth to preach the gospel and to promote the interest of God's kingdom.

Signed,

W. L. BEACH

Motion that Rev. J. L. Jones be heard at this time in the matter of evangelism in the Association.

Pastor Jones recommends a full time missionary for Eastern Association and offers a motion that the Executive Committee be empowered to formulate plans to call a missionary to be paid by the churches. Report on Orphanage read by Rev. T. N. Cooper. Discussed by Brother H. G. Early of Mills Home. Duly adopted. Report follows:

Mills Home and Kennedy Home

"Mills Home and Kennedy Home constitute the Baptist Orphanage of North Carolina. Last year 564 children were cared for within the two Institutions; 138 at Kennedy Home and 426 at Mills Home. Fifty-nine children were cared for through Mother's Aid or Aid in the home. Twenty-eight children were cared for in Boarding Homes. During 1940 there were 425 applications. Seventy-four children were dismissed from the two Institutions. This means that only 74 of the 426 applications could be admitted this fall. Our turnover is small; our demands are great. Our method of support is taken care of by the monthly offering in the Sunday schools of the Baptist Churches throughout the State, Thanksgiving offering, and by special gifts from friends.

Each Home maintains a farm on which is produced food stuff, grain for cattle and stock. Through the Holstein dairy herd, a minimum of one quart of milk per day for each child is provided. Eggs and chickens from the poultry yard. A supply of pork from hogs and plenty of beef from Hereford cattle; thus, the practical side of making a living on the farm is available to every boy in the Institution.

The children of the Kennedy Home attend public schools. Mills Home maintains their own school on their campus. Special emphasis is placed upon the spiritual life; each Institution having a well organized

Church on the grounds. Wholesome recreation is provided for the children in the Institution. Health program for the prevention of diseases is stressed with special emphasis on a well rounded personality.

According to our records, the majority of our boys and girls are serving society well as Christian citizens. We wish to thank our Baptists hosts of North Carolina for their loyal support in the past and look to the future with hope of even more loyalty.

"There are three classes of children now being cared for by the Orphanages, full orphans, half orphans, and victims of desertion of wrecked homes. This service is being rendered through Mother's Aid, boarding homes and the Orphanage proper. In addition to this the Orphanage authorities are rendering a fine service by helping children and parents make adjustments with neighbors and relatives.

In spite of the fact that the government has entered the field of child welfare in a large way, the demands upon the Orphanage authorities have never been greater. They receive upon an average forty-five applications every month during the year. No matter how urgent the demands, however, the policy of the Orphanage is not to make special appeals. The average cost of running the Orphanage is approximately $5.00 a day. Special appeals for worthy causes may come and special appeals may go, but this constant stream of human need must go on day after day and year after year until the purpose of Christ through His church has been fulfilled.

This places upon every Sunday school and church a Christian responsibility they cannot afford to shun. Perhaps there is not a Sunday school in this or any other association that would not give something to care for the children each month in the year if given an opportunity.

We recommend that this association name an Orphanage representative who will see that a representative is named in every Sunday school to keep this worthy need before the people once a month and at Thanksgiving.

We pray to our Heavenly Father, "Give us this day our daily bread". The only way He can give the children their daily bread is through us. Let each one of us as a messenger pledge here and now that our Sunday school will help answer this prayer."

Report on Hospital read by Brother E. C. Watson, Sr. Discussed by Brother E. C. Watson, Sr., Dr. R. F. Marshburn, Rev. J. B. Sessoms, Report was adopted. Report follows:

Report on Hospital

The Baptist Hospital, Winston-Salem, has completed additions which increase its bed capacity from 108 to 300. Ten thousands patients can now be treated each year. Approximately one-third of these will be preachers for whom no charge will be made.

The Hospital has a staff of 100 doctors, all specialists. It also maintains a training school for nurses with an enrollment of 150. Fifty are taken each year. The Bowman Gray School of Medicine Building was completed and opened September 1, 1941.

While the school and the hospital will be closely related, they will remain separate institutions supported by different sources. Everything contributed to the hospital is used for hospital support. Mother's Day offering is used entirely for patients unable to pay.

The hospital has a full time pastor in the person of Rev. Chas. E. Parker who is also teacher of Bible in the Nurses' Training School. This enlarged program of the hospital will require larger donations which must and will be promptly provided by our North Carolina Baptists.

The growth of the Southern Baptist Hospital, located in New Orleans, La. has been little short of phenomenal. Enlarged twice within the last three years, it is now filled to capacity.

During its fifteen years of operation its indebtedness has been reduced from $962,000 to $291,000. $556,000 has been spent during this period of time for additional building and equipment.

"Inasmuch as ye have done it unto one of the least of these, ye have done it unto me".

Respectfully submitted,

E. C. WATSON, SR.

Report on Christian Education, read by Rev. E. A. Walker. Duly adopted. Discussed by Dr. Leslie Campbell. Report follows:

Christian Education

In these trying times, we do well to remember that all early efforts at education, throughout the concourse of civilization, were deeply rooted in religious motives and Christian principles. In this Republic, it was especally true of the first State Public Schools, and of the first State College and University. These facts are basic to all constructive planning for Christian Education today and for the future.

With the world aflame now and in titanic struggle over primarily secular issues, Christian Education and Christian Schools face the current acid test of their intrinsic integrity. With us the heroic traditions of Christian Education, from the pioneer days of the Founding Fathers even to this good hour, are a priceless heritage. Ours is the challenge to "Carry On" this part of the Kingdom work in worthy fashion. Thus, we will be enacting our theme—"Be Ye Transformed".

In the year 1941-42, our Baptist Schools and Colleges have had normal enrollments, with slight gains in many of our schools. They have made some gains in equipments and other objective resources. The endowment funds in hand will surely yield sharply reduced income.

Already operating budgets in most of the schools are far too small; financial worries try the souls and test the faith and ingenuity of all our Baptist Christian Education leaders.

The erection of Wake Forest Chapel is our greatest single objective undertaking for the year ahead. Its completion is almost a certainty; not that funds have already accumulated sufficient to complete the Chapel, but our people will, when informed, contribute cheerfully to this most needed cause. This being true, we must inform our people and together act quickly in making added funds, in large amounts at once available to the schools and colleges which we foster. **If every Baptist gives to Christian Education with some slight measure of sacrifice, this raising of big money for Baptist Schools and Colleges will prove an easy task.**

Is this task in line with the Gospel Message? In the language of Woodrow Wilson, the most scholarly statesman who ever sat in the White House, and an alumnus of a Christian College, "The Christian College is the lighthouse of civilization". In the language of William Louis Poteat, one of the most cultured Christians who has served as president of a church college, his Alma Mater, "The Christian College is the center for the reorganization of society after the mind of Christ".

In the days following the present world crisis and emergency, regardless of the terms of peace, "The reorganization of society after the mind of Christ" will be the supreme need of the world in the immediate future. **We dare not let the light go out today or tomorrow in the Christian College, the lighthouse of civilization!**

Above all else, remember reverently the interest of Christian Education in your fervent effectual prayers, and consider the major role of the Christian Home in carrying the basic work of Christian Education.

Report on Beulaville Mission Field read by the Pastor, Rev. J. L. Powers. Duly adopted. Report follows:

Report of Beulaville Pastor

The Beulaville field has formerly consisted of Sharon, Beulaville, Cedar Fork, Hallsville, Jones Chapel and Alum Springs. In the summer of 1940 Shiloh Church was organized and added to the field making a total of seven churches. The Shiloh Church was received into the Association at the last session. The church began immediately to build a house of worship. By the first of June these thirty members had completed a church valued at $2,500 and it is all paid for. This is the most perfect spirit of sacrificial giving and cooperation I have ever known.

This big field has long needed two pastors. With the aid of the Mission Board the field has been divided and Sharon and Shiloh are now in cooperation with Island Creek and Corinth. Rev. Woodrow Castelloe was called to this field about the middle of June and is now located at Chinquapin.

We note progress on the Beulaville field. The churches are better organized to do more efficient work. Two Missionary Societies have been organized. Every church on the Field now has a missionary society and Beulaville and Hallsville have full graded W. M. U. We have organized 4 Training Unions on the field. All the churches have paid their financial pledges to local expenses and have over paid their pledges to Missions and Benevolences. The field's contribution to missions is the largest in its history. It is noticeable in all the churches that our people are growing more missionary minded. Three of the churches had fine Vacation Bible Schools. We have received 20 members by baptism. A fine spirit of fellowship and cooperation prevails in all the churches. Hallsville and Alum Springs have painted their buildings. The women of the Beulaville Church have remodeled and painted the parsonage on the inside, painted two Sunday School rooms and beautified the parsonage yard. We thank God and press onward.

B. T. U. REPORT

"Learning by Experience"

In Eastern Association thus far in 1941, we rejoice to report Training Union Work begun anew in three of our churches, Beulaville, Hallsville and Johnsons. On the otherhand three churches have dropped their Training Union Work, Corinth, Island Creek and Dobson's Chapel, which makes our report in numbers exactly as it was last Association—fourteen churches with Training Union, twenty-six without. We are anticipating much good results from our Assocation-wide Enlargement Campaign, November 2-7, for every Pastor in our Association is showing the finest spirt of co-operaton in this endeavor.

In our Lord's great Commission are these familiar words, "teaching them to observe all things whatsoever I have commanded you". These words are just as much a part of His Commission as "go", "preach", "baptize". Is it not true that we are laboring and praying to win the lost, then so often when they're won we fail to lead them, by teaching and training, into active service? Someone has said that in our churches the emphasis is likely to be much more on spiritual birth than on spiritual growth.

Paul said to Timothy: "Exercise thyself rather to godliness". Exercise of the spirit, like that of the body, depends for its effectiveness upon regular performance. Our Training Union is serving our church in two outstanding ways. First, it is providing a practice hour for church members where they may learn by experience, where their talents multiply by use. Second, it is providing, through the literature available, food for spiritual growth and exercise whereby Christians are thransformed day by day into the likeness of Christ.

The trend in large areas of the world today is away from Democracy. Dr. Walt N. Johnson says: "Democracy will not live among unregenerated people. It is surely true that America is democratic in the measure that it is Christian.

Surely as members of the most democratic church of our democratic nation we realize that the church that gives equal privileges to all, likewise places equal responsibility upon all. Does it not then be-

hoove every Baptist in Eastern Association to realize that it is his responsibility to do his utmost in seeing that Christians, young and old alike, face the tasks of to-day with trained and transformed lives.

MRS. G. S. BEST

Motion by Rev. J. L. Jones that Association express to Dr. O. A. Teachey of Rose Hill the thanks of the Association for the spiritual co-operation rendered by him in songs at the Association. Also our deepest sympathy on account of the wreck he was in on the way home from the Association.

At 4:15 P. M., October 8, 1941, Eastern Association closed its one hundred and fourteenth annual session to meet in annual session with Johnsons Baptist Church, near Warsaw, N. C., Tuesday and Wednesday after the first Sunday in October 1942 at 10:00 A. M.

Benediction by Rev. T. N. Cooper.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORTS OF COMMITTEES

VICTORY THROUGH FAITH IN THE SUNDAY SCHOOL

The Sunday School has been and must continue to be the agency for training workers for Christ. In a discussion of our timely subject three thoughts are considered. First, the field of opportunity; Second, the necessity for immediate and dynamic action and, third, suggested and practical plans for this Associational year at whose gates we now stand.

Briefly stated our field is broad and our opportunities are unlimited. Statistics are not here available but one is not far wrong in stating that in this Association at least 40 per cent of our young people from five to twenty-five years of age are not enlisted in any Sunday School whatsoever. This estimate is based upon an actual finding in a group of some 900 children in the community in which the writer lives. The number of unenlisted is considerably higher for adults from twenty-five years and upwards. Forty per cent of the many hundreds of youth in this Eastern Association not receiving this training is a tragic waste in manpower for Christ and cannot be afforded in this day of challenging action. In addition to these residing within this Association who are not enrolled in Sunday School, there are many others who were formerly enlisted but who now live in defense areas or who have gone into the service of our country and are receiving today little or no religious instruction. These must be trained for Christ.

Such a field of service demands immediate action. Without hesitation we need to realize our responsibility. The unenlisted must be enlisted. To delay for even a month may mean disaster. We cannot afford in this rapidly changing world to neglect such a large group of potential Christian soldiers who are so urgently needed in the defense of civic and religious righteousness. Positive, aggressive and immediate action is absolutely necessary.

And what can we do? How can we reach and enroll the unenlisted? Our Sunday School leaders in the Southern Baptist Convention have two plans, both of which can become immediately effective.

First of all those who have gone out from our church community and those who find it inconvenient or impossible to attend Sunday School can be reached through the Extension Department of the Sunday School. For this extension work no new organization is needed. With an enlarged vision, we can through correspondence, by sending lesson periodicals and other literature and by visitation render this great service. A little time, forethought and planning will amply repay in the vast amount of good that can be done.

In the second place, the Association can be organized for Sunday School work. Where there have been functional associational organizations every phase of the work in Baptist churches has been strengthened. A study of such organized associations reveals that the churches within such districts are much more efficient and aggressive than churches in associations which have failed to grasp this opportunity for practical Christian service. Such an organization makes necessary an associational superintendent and other officials as the type and scope of work may demand.

As Dr. Truett says: "The Association is an incomparable agency for magnifying the fellowship and cooperative service of the local churches. We have heretofore failed to derive the benefit from this agency that

could have resulted with the proper emphasis placed upon pupil training. May we not now use the suggestions of our leaders, Dr. Allridge, Dr. Dobbins and others, and thus achieve Victory Through Faith in Our Sunday Schools.

VACATION BIBLE SCHOOLS

Compared with secular education our religious education is but a mere speck upon the horizon. For six hours a day, six days a week, and for eight or nine months a year our children go to the public schools. For a few minutes on Sunday they go to study the Word of God. This is about all the religious education that children of the Protestant faith have an opportunity offered by their churches to attend. Realizing the meagerness of our religious education and attempting to make use of the vacation time of the children, we have begun to organize and promote Vacation Bible Schools. Our Baptist Board has developed a most outstanding and practical system to be used as a guide in these schools. A series of books have been published by the Board which gives a well planned program lasting for a period of four years. In these planned programs the teachers are instructed to train the children in worship, recreation, and above all study different books of the Bible. If the program as is promoted by the planners of this system is used great things can be accomplished.

Children like to attend Bible Schools. The writer of this report has observed children as they walked for five miles or more over muddy mountain trails in order that they might spend a short while in Bible school. Here in the East children are just as anxious to attend as they are in the hills if they are given the opportunity. This opportunity to train our anxious children challenges us to offer them the privilege by conducting schools at our churches. A faith in the Bible schools to the extent that each church will provide this opportunity for its children will contribute to victory for the conquest of righteousness over evil.

Through September 16 of this year only seven churches in this association had reported Vacation Bible Schools held during this past summer. These churches were: Clinton, Faison, Jones' Chapel, Garland, Mount Olive, Mount Gilead, and Warsaw.

In 1935 there were 70 Vacation Bible Schools in North Carolina. In 1941 there were 674. The growth during these years is encouraging. It is hoped that the conditions existing in the world today will not retard this progressive work in our churches.

An hour in Bible School is an hour well spent for both teacher and pupil for all learn more about our Father, our Lord, and our church.

Respectfully submitted,
J. WOODROW CASTELLO.

"VICTORY THROUGH FAITH IN THE TRAINING UNION"—1942

Of the 38 Missionary Baptist Churches in Eastern Association, we reported last year 13 with Training Union, a total of 40 Unions and Story Hours, and a membership of 582.

This year we report 23 churches with Training Union, a total of 85 Unions and Story Hours.

To our State Secretary, Rev. Nathan C. Brooks, Jr., and his twenty-

five co-workers, who came to our Association last November and worked with and among us for one week, is due in a large measure the credit for this great increase in organization and membership. We are deeply grateful for their help.

Following the Enlargement Campaign last November, at our Training Union Conference in Warsaw, our pastors, Associational officers, and representatives from all our churches with Training Union, realizing the great step forward we had taken, and realizing that in order to hold that which we had gained we must continue to go forward, set for ourselves goals for 1942.

These goals are as follows:

1 New Training Union With Director.
25 New Unions and Story Hours.
25 Standard Unions.
500 Study Course Awards.
A Family Altar in Every Training Union Home.

Toward these goals we have made the following steps to date:

9 New Unions and Story Hours.
2 Standard Unions.
109 Study Course Awards.
25 Family Altars.

Our Association was represented in the Better Speakers', Intermediate Sword Drill, and Junior Memory Work Contests at our Regional Meeting at Elizabethtown ir April.

The following Juniors were winners there and again at Ridgecrest in July: Betty Ann Huffham, Warsaw; Edna Mozing, Mt. Olive.

Respectfully submitted,
Your Committee,
MRS. G. S. BEST.

VICTORY THROUGH YOUTH WEEK

Today as never before our hearts go out to the youth of our land. For surely the shadows of war clouds confuse and distress them. Life plans are very uncertain; ambitions are weakened. What are they to do? Many are unanchored. They need your help and mine. These words always appeal to young people: greatness, power, glory and victory. In First Chronicles twenty-nine eleven, David tells us that God gives us these things. Surely He does. There is no real greatness, power, and victory without God. We can not do too much toward leading youth to these great achievements. Our homes should be the first source of help and guidance; then, our church with its various organizations for training in Christian living and leadership. We fail to realize sometimes there is a place in our church activities for young people. They need to serve, and our churches need their services.

During the early part of the summer, a group of seven students, and four student secretaries spent four very meaningful weeks in youth revival work, in our State. This group worked in churches with Warsaw, Rocky Mount, Winston-Salem, and Asheboro as centers. The work was under the direction of Rev. Nathan C. Brooks, Jr., acting State Student Secretary, assisted by Miss Cleo Mitchell, Student Field Worker; Mrs. Elwood Roberts, Student Secretary at A. S. T. C., Miss Laura Bateman, Student Secretary at W. C. U. N. C., and Miss Mary Lee Ernest, Student Secretary at E. C. T. C.

On June twenty-first, these workers came to our Association and worked in nine of our churches for a week. Five hundred and thirty were enolled, with an average of three hundred and ninety-nine for the week.

These workers are fine consecrated Christians, willing to give of their best to the Master. We are grateful for their every effort in our midst. They report that our young people are most responsive, and cooperative, as they seek to know the Way. Their eagerness for truth and guidance, in their Christian growth, is a constant challenge to every Christian.

MRS. G. VAN STEPHENS.

REPORT ON CHRISTIAN LITERATURE

The need for each individual to read and meditate is greater than ever. The strain of war is upon us. A little season spent each day with our inner spirit quiet and a printed page may be the way we shall possess our souls. Some individuals may have more leisure. But for many life consists of one interference after another with hardly a moment for reading.

What shall we read? First and foremost let it be God's Word to us. For it is promised in Eph. 3:4 that whoever reads the Word of God shall come to understand the meaning and issues of life. Besides the Bible we need to read the thoughts and experiences of the true witnesses of Jesus. Your postman will bring to your door books and papers that tell of the movements of the Kingdom of God among men in every part of the earth.

Of our own papers and magazines mention should be made of The Commission which seems to be the fullest source of information concerning our foreign mission work. The subscription price is fifty cents per year and may be had from: Baptist Foreign Mission Board, Richmond, Va. The Charity and Children is read and appreciated by many of our people. It tells of orphan children and other matters, too. This paper ought to be called **Love and Children.** No worthy soul wants charity. All of us want love that is usefully kind. It is expected that the Biblical Recorder will soon have a much wider circulation and deeper appeal.

The American Bible Society is worthy of the financial support of the Churches. It is a non-profit publishing house that exists solely for the distribution of the Scriptures in every language.

Lastly, two matters for full consideration of editors and contributors of our publications: First—that the realities of The Gospel of Jesus be expressed in the simple words of us common people. Second, that printed matter that centers about persons has most human interest appeal and is eagerly read and sought after.

Respectfully submitted,

L. L. JOHNSON.

THE BIBLE IN THE PUBLIC SCHOOL

The past five years have witnessed the growth of a movement in North Carolina—and throughout the United States—the impact of which is felt now in our own Association as it claims a place on our condensed one-day program. This movement has to do with the teaching of the Bible in our Public School System. From a small beginning many years ago a sudden awakening of interest within the last five years has brought the number of full-time Bible teachers in the State to 70. Several systems like Wilmington and Charlotte have 2 teachers, but this represents over 65 schools with this instruction. One of these is in our own Association; namely, Clinton.

While procedures are not identical in all cases, chief points are alike. These teachers are elected by a committee from the churches of a given

community. The churches cooperate in paying her salary. The committee approves the curriculum used by the teacher. This classwork is recognized for State credit. The courses are purely elective. Chief purpose of the movement is definite instruction in the facts of the Bible, and in those countless fundamental truths upon which almost all Christians agree.

This movement has met an eager response, for people everywhere are coming to realize what dire results follow the education of a generation of young people without instilling in them also religious truths. Our wise and well-intended doctrine of the separation of church and state has been made the basis for a policy that has separated religion from everyday life and led to an attitude among young people which assumes the major importance of things that consume the majority of their time. Our educational system at our own request has left religion out. We pretend to take care of the religious education of our children in 20 minutes once a week, but insist on their taking 6 hours every day for a course that leaves the Bible out. It is no surprise that religion has come to be looked on by thousands of our citizens as an outmoded luxury.

Believing that the Bible, source Book of our religion, must find a place **at least** of equality in the minds of our youth, advocates of this movement are pointing out already great results in increased interest among the students, many of whom have never read the Bible before.

Robinson and W. L. Scott, visiting. F. W. McGowen presiding. Prayer by Rev. J. B. Sessoms. Matter of Associational Missionary was discussed at length by Rev. J. L. Jones and all members present.

Many suggestions but prevailing was a motion by Rev. J. B. Sessoms that the matter of an Associational Missionary be confirmed, and a salary of $1,800.00 per year be named; and amended motion by Rev. D. G. Myers, seconded by W. L. Beach that we name a salary of $900.00 for a six months period. The amended motion was duly approved.

It was the expressed opinion of the Committee that the duty of this new officer would be to co-operate with the pastors of the Association in the building up of Sunday Schools, B. T. U., W. M. S., and general spiritual strengthening of the churches in the Association. The churches to be asked to co-operate in the salary of the Missionary; and the State Board be asked to supplement the amount of salary paid by the churches.

Matter of the Moderator of Association naming various committee chairmen at close of Association Session instead of the present plan per motion of Rev. S. Lewis Morgan, Jr., was discussed and deferred till our next meeting. Meeting adjourned to meet again at Magnolia Baptist Church Nov. 14th, 1941, at 7 o'clock P. M.

Dismissed in prayer by Rev. D. G. Myers.

F. W. McGOWEN, Chairman,
C. I. ROBINSON, Secretary.

McGowen relative to estimated amount to be presented to the churches endeavoring to raise the Missionary's salary of $900.00 for six months be confirmed and the churches be asked to approve said amount, and notify the Executive Committee.

A substitute motion was offered by Bro. H. L. Stewart which read as follows: Whereas after a thorough consideration of the matter of an Associational Missionary and the necessary arrangements for financing salary and other expenses it was found that most of our churches have already completed their budgets for this Associational year. Now, therefore, be it resolved that the Executive Committee submit to the churches of the Association the figures suggested by Bro. McGowen with request that they consider the matter as a possibility for the next Associational year and report to the Clerk or Moderator of the Association whether or not they are willing to include the amount suggested for such missionary in their budget for the next year; and report their decision to the Clerk or Moderator of the Association not later than February 1st, 1942.

Amended motion seconded by J. G. Bostic and duly approved.

Matter of Moderator naming various committee chairmen at close of Association meeting instead of the present plan of naming them at opening of Association was discussed but not approved. Meeting adjourned. Closing prayer by Rev. E. A. Walker.

F. W. McGOWEN, Chairman,

MORE ATTRACTIVE CHURCHES

'Making our churches more attractive" is apparently one of our great needs of today. Many of us are possessed with the idea that what was good enough in the old days is good enough now, but if we will question those same good Baptist people, we will find that the old church is the only thing in their minds that is as attractive as it used to be, remaining in the attire of the nineteenth century.

We know that the world with its sin is changing its raiment from

time to time to cope with the changing minds of a changing world. To make sin more attractive and to lure the youth of our land in a downward trend.

The church is the only agency that we are expecting to stand out altogether for Christ, and we feel that it is the duty of the Christian people to consider their responsibility to the youth of our land and come to their rescue. We need to make our church buildings and grounds, both the interior and exterior, so attractive that we shall be delighted to recognize it and call it our church, and so that our friends will be proud to enter and enjoy worship together with us. There are a few suggestions we would offer. Each church takes its own position and makes the best of its opportunity. We would suggest a well kept yard. Some shrubbery. (Not too much.) A coat of paint, where and when it is needed. A good roof. Good ventilation. A good heating system. A good lighting system. Sunday school department and rooms for the teaching of the word of God. Modern musical instruments. A good supply of well selected hymn books, and an ample supply of good literature for the service of which ever the occasion might be. But most of all we need to express to our friends that fellowship that only can come from the consecrated life.

Respectfully submitted,
J. B. SESSOMS.

MINISTERING TO THE NEEDS OF OUR BOYS IN SERVICE

The calling of so many of our young men from civilian to army life in these troubled times impose upon all of us new responsibilities, duties and obligations. No matter what our attitude toward war is, we have a responsibility to our young men, who are enlisted in the defense of our country, that we can not escape. The way in which we discharge that responsibility will have a great deal to do with what happens to these young men while they are away, and their condition when they return.

What are we doing and what can we do now, to help these boys who are sacrificing their all, if need be? This question is on the heart and lips of the American people, and rightfully so. For anyone to fail to do his best is worse than suicide — it is to be a traitor to all that we hold dear, cherish, love and adore. Our forefathers purchased with their own blood our way of life—FREEDOM, EQUALITY, and FRATERNITY. These boys are offering their lives, if need be, to maintain this priceless heritage—freedom of religion, freedom of press, freedom from want, and freedom from fear. For all of us to offer ourselves into the direct service of the armed forces would be next to impossible, and if it were possible would make the situation more critical. But we can render valuable aid and help. There is no time to sleep and say, "Let the other fellow do it." We all have a job, and unless every person — man, woman and child—assumes this task, we might awake some morning to see that it is too late. Let this be our motto, "I will do the best I can with what I have for Victory's sake today."

To answer these questions—what are we now doing and what can we do, may be analyzed under two divisions: first, through our denominational organization; second, direct contact with the men in service.

The Work of the Home Mission Board

The plans which have been made by the Home Mission Board and the State secretaries under the capable leadership of Dr. Alfred Carpenter, who will serve as superintendent of camp work, will provide religious influence for these boys in service. In the work of the Home Mission

Board, as it now operates, there are two features: one on the inside of the camp, and the other in the communities contiguous to the camps. Inside the camp we are working in cooperation with the Chaplains; outside the camp, we are working in cooperation with the Baptist churches.

Work in the Army Camps

1. We are giving to the Baptist Chaplains in the camps, which are now about 225, denominational standing. The men whom we have employed for camp work will personally contact the Chaplain, hold conferences with them, build group morals and establish for the boys denominational contact.

2. The government is building chapels in which services can be held, but it is not furnishing sufficient equipment — musical instruments, song books, Bible School literature, and Training Union literature. The Home Mission Board must meet that need.

3. Pastors of churches are invited to assist the Chaplains in conducting revival meetings. In most cases these pastors are willing to give their service free, but their traveling expenses must be paid.

4. We will need to furnish Bibles and religious literature for these 300,000 Baptist soldiers.

5. We need a well-written book for our soldiers in training that will give them instructions for their daily Christian life. We want him to come away from the camp a good Christian. It will take 250,000 copies at least to supply the demands.

Work Outside The Camp

There are more than 130 communities which have grown up outside the camps and in these live many of the families of the officers. In many of these communities there are only part time churches, absolutely unable to minister to these enlarged new communities. We must and are helping these communities to serve this neglected group.

1. In many instances we will have to build new church buildings. In others we will have to assist in building additions, but in practically every place, if these churches serve the communities something will have to be done in order to enable them to render the service needed. 2. We actually need at all of these camps, a worker who will contact the boys outside the camp and work cooperatively with the Baptist churches.

Local and Individual Help Apart From the Denomination

1. The first and most obvious thing we can do is to keep in touch with the boys while they are away. Postage is not expensive and mail from home is a great experience to a young man in the army. Bright and cheerful letters at frequent intervals from a friend, and especially his pastor, will go a long ways toward bringing the boy back to church when the war is over. Be sure to send the church bulletin when you write.

2. The pastor should also keep in touch with the soldier boy's folks at home. It is a time of stress and strain for them also and they will appreciate pastoral attention. The boy who is away will often worry about how things are going along at home. He will be doubly grateful if the letters from his pastor indicate a knowledge of how the home fires are burning during army days.

3. The churches should also cooperate with army Chaplains and pastors adjacent to the camps. Pastors of our Baptist churches in the camp communities are always anxious to know about Baptist boys nearby. Valuable denominational contact can be kept up by passing the word along to local pastors when our boys go away to camp.

4. Formulate groups out of our churches and assign to each a name

of a soldier boy for whom they are to pray definitely. Ask them to frequently communicate with this boy by letter, and to send him the church bulletin, Sunday School quarterly, and any other religious literature or clippings from newspapers that will be of interest.

5. A monthly prayer meeting in which the parents of the boys in service are special guests. In this group letters are read from the boys that will be of interest to the whole group. This will guarantee a spiritual uplift.

6. Each Sunday morning in the worship service, call a brief pause in remembrance of our boys in service and to whom we pay tribute. At the close of this interval a prayer is offered asking God's guidance and preservation of these boys.

7. Some churches have organized their church membership into a prayer group; someone praying for our boys each minute of the day and night.

8. Have posted in our churches a Service Roll which carries the names and address of all the boys in service. Also a Service Flag bearing a star for each of her loyal sons in service. In case a boy is reported missing his star is to be repaced with a gold one.

9. We can all help by remembering and complying with II Chron. 7-14—"If my people who are called by my name, shall humble themselves, pray, seek my face and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

STATE MISSIONS

The present ministry of State Missions in North Carolina includes:-

1. A sound and aggressive program of evangelism.

2. Establishing and supporting churches in needy and strategic centers of our State.

3. The ministry of church development—of teaching and training the 500,000 members of our churches. The responsibility of this enormous task is divided as follows:-

(1) The work of the General Missionaries—Alexander, Pipes, and Branch, (2) Sunday School work under Sect. L. L. Morgan, (3) Training Union work under Sect. Nathan C. Brooks, Jr., (4) The Student work in various colleges of the State, (5) The Summer Schools for pastors conducted at Mars Hill, and Meredith.

4. The ministry to the other races — negroes, and Indians.

5. The ministry to the sick at Oteen, Black Mountain, and the State Sanitorium near Aberdeen.

6. The ministry to the wayward at Samarcand, and the East Carolina Training School at Rocky Mount.

7. One of the most urgent needs is that presented by the multiplied thousands of men in training in our armed forces, and other multiplied thousands of workers in ship yards, and construction of defense plants. A new church has been built at Fayetteville, with Brother Edwin Perry as Pastor; and another church at Wilmington, with Brother Jimmy Butler as Pastor. Our State Secretary, and his co-workers have worked diligently at this unparalleled situation. Much has been done within a few months, and so much yet, needs to be done. Funds are very greatly

needed. Surely, the Baptists of our State should give liberally as the money comes from high prices, and good salaries.

Our State Mission Board has done a great work in all these phases of its ministry, one for which we can be justly proud, and deeply grateful. Much more could be done if funds were available. As we face the future with the dark clouds of war hanging over us, let us remember that above those clouds the God of Peace still reigns, and that we must hold up His Banner by our presence at the churches, our prayers at the Mercy Seat, and the contents of our pocket-books on the altar.

G. VAN STEPHENS.

VICTORY OVER DEBT

Southern Baptists have made a great comeback. A few years ago all our boards and institutions, and nearly all our churches were so far in debt that the situation seemed hopeless. Now we can praise the Lord for the fact that the most of our churches are entirely free from local debts, our state boards and institutions are rapidly getting out, and the old debt upon Southwide causes has been reduced from approximately $6,500,000 to less than $1,500,000.

Under the improved financial conditions, with the needs of a bleeding, war-torn world facing us it is obvious that we should put forth a special united and determined effort to get rid of the rest of this old debt before 1945. The Baptist Hundred Thousand Club is the best plan for enlisting our people in the payment of the remainder of our Southwid' debt. It has paid more than $1,750,000 upon the principal of these debts. This is sufficient to pay the salaries of 218 foreign missionaries for a year.

If we can get the full 100,000 paying members in the Club this year we will surely have a Debtless Denomination in 1943. Then we can build up a reserve fund for use in entering the doors our Lord may once more open to us after this war. What a challenge to evey local church in Eastern Association! **We ought; we can; we will be debt-free in 1943** if we trust in God and work.

Respectfully submitted,

R. F. MARSHBURN.

A REPORT TO THE EASTERN ASSOCIATION ON THE MATTER OF CORRELATION

Organizations in the Church have grown up because they championed great causes that had been neglected. They have done and are doing a great work. However, the burden of work done in these organizations is done by a few willing workers who serve in two or more organizations. For sometime we have felt the need of closer correlation between the different organizations and these with the Association. Now with restrictions in travel growing it becomes even more necessary to make the most of all our meetings.

In view of this, it is recommended to the Association that a plan of closer correlation be worked out. An example of such a plan would be to have the Association elect the Associational Sunday School Superintendent and Training Union Director. At the two fifth Sunday meetings the Moderator would preside. At the two fifth Sunday Group meetings, the W. M. U. could have their Group meetings at the same place. We would continue with the annual Associational business meeting in October.

A further step would be to include on the Executive Committee of the Association the Associational Sunday School Superintendent, Training Union Director and President of the W. M. U.

D. G. MYERS,
G. VAN STEPHENS,
H. L. STEWART,
MRS. GROVER BRITT,
MRS G. S. BEST.

REPORT OF COMMITTEE ON CORRELATION

To Promote Sunday School and Training Union Work

In order to bring our organization closer together and to save travel we recommend:

1. First and third fifth Sunday meetings be presided over by the moderator, or in his absence, the vice-moderator.

2. We recommend that the 2nd and 4th fifth Sunday Group meetings be planned for Sunday School, Training Union and W. M. U. work.

3. We recommend to the committee to nominate members of the Executive Committee that they include the heads of the Associational Sunday School, Training Union, and W. M. U. organizations in the 7 members.

4. We recommend that the Association elect the B. T. U. Director and the Sunday School Superintendent.

DONALD G. MYERS,
G. VAN STEPHENS,
H. L. STEWART,
MRS. GROVER BRITT,
MRS. G. S. BEST.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORTS OF COMMITTEES

TEMPERANCE AND PUBLIC MORALS

The Christian people of our nation ought to be alarmed because of our complacency with respect to public morals. The increase of immorality and lawlessness, all about us, does not seem to be disturbing us greatly. We are hearing much about the home front and morale. Our home front and morale cannot be strong if evil forces continue their diabolical work of weakening the minds, bodies, and souls of our people. Surely we must do all we can to smash evil forces on the home front and keep moral and spiritual banners flying high.

A few weeks ago Mr. J. Edgar Hoover of the Federal Bureau of Investigation gave out some facts and figures relative to crime and immorality among our teen-age boys and girls. Mr. Hoover feels that parents and Christian leaders of our nation ought to realize the seriousness of the situation. A few years ago Mr. Hoover made these statements: "Crime is costing this country 15 billions of dollars each year, which is about one hundred dollars per capita. We have in our country 700,000 boy and girl criminals. Drunkenness among men and women is on the increase, and especially young men and women. The commercialization of womanhood for base and degrading purposes is increasing. Surely these facts ought to arouse us.

During the year 1940 our people spent $38.60 per capita for liquor. This was more than ten times what we gave to our churches. What can we hope for if we spend ten times as much to make America drunk as we spend to made the whole world Christian? Surely the Christians of our country must do more than we have ever done to save our nation from utter destruction. May God arouse us!

C. H. HORNSBY.

SUNDAY SCHOOL REPORT

William Gladston said: "The Sunday School is the world's greatest institution for the popularizing of the world's greatest book." The potentialities and possibilities of the Sunday School are almost beyond our imaginations. While some 95% of our church members come from the Sunday School, many of our churches seem not to realize the great importance of this great source of power and supply. Less than half of our church members are enrolled in the Sunday School, and only about one half of these attend.

We spend two hours or more on one evening to see a moving picture show, and very little more than twenty minutes per week in teaching the Word of God. And if the truth was known, the average Sunday School member spends no more than ten minutes in preparation of the lesson

Statisticians tell us that it costs $50,000 to kill one enemy soldier in the present war; yet, we are spending about 50 cents per member per year in teaching the Bible.

Many of our Sunday School departments, and rooms are still very unattractive, in spite of modern homes, automobiles, and public schools.

These facts are startling, but no more so than the lack of preparation and consecration on the part of many who attempt to teach in our Sunday Schools. As goes the Sunday Schools of today, so go the churches of tomorrow; and as go the churches, so goes our Christian civilization.

The attendance of the year just ending will be considerably less than that of a year ago because of the hundreds of our men in military service, and other hundreds of our men and women in various kinds of government employment.

Taking all things into consideration, however, we have a right to be very thankful for what our Sunday Schools have done. They have brought forth abundant fruit considering what we have put into them. And permit a word of worthy praise and thankfulness be spoken for that faithful band of officers and teachers who have faithfully carried on through the years. "Let us not be weary in well doing, for in due season we shall reap if we faint not."

In conclusion, permit me to offer these suggestions for the coming year: 1. At least one study course for S. S. officers and teachers in every Sunday School. 2. A regular meeting, at least once a month, for SS. officers and teachers. 3. A religious census followed by an enlistment program. 4. The making of our S. S. departments and rooms more attractive. 5. The election of an Associational S. S. Superintendent, and the formation of an organization to promote Sunday School work in the Eastern Association.

G. VAN STEPHENS.

"GREATER THINGS FOR THE MASTER THROUGH THE TRAINING UNION

Eastern Association has 12 churches with Training Unions—48 unions in all, with a total of 653 members. Of this number 222 have received awards for Study Course credit during the past Associational year.

The Training Union is a "Field of Treasure" to every church and to every pastor who buys it. There are many treasures in this field, but limited time and space permits the discussion of only one. That one is the opportunity the Training Union affords our leaders and pastors to teach our people, the Baptist Bible truths and Baptist doctrine. The Baptist book store at Raleigh is running over with books that are filled full of truths that would bless the lives of our people, young and old, if they knew them. These books cost just 42 cents each, but a Study Course costs a great deal more of something that is harder to give than money —it costs in prayer and hard work. Is it worth its cost? Do Baptists need to be taught? What answer could the average Baptist give to our non-Baptist friends for the faith that is within us? How many adult Baptists can state in simple words the actual difference in Baptist doctrine and Roman Catholic doctrine, or any other denomination's doctrine? How many average Baptists can take a Bible in his hand and lead a soul into a saving knowledge of Jesus Christ? Two weeks given for study each year in every church, year in and year out, would be of infinite worth to our people. The Baptist soil of the rural communities of our beloved State is rich and fallow. There are others who have discovered this fact, and they are laboring to sow and reap the grain that is rightfully ours. Shall we remain complacent?

When Baptists begin to study to become approved workmen, then it is that we shall be able to do greater things for the Master.

Respectfully submitted,

MRS. G. S. BEST.

CHRISTIAN LITERATURE

Reading is but a tool in the hands of the sculptor by which he chisels his own destiny. God tempers the chisel and inspires the workman, but the artist must be trained in handling the hammer. Every Christian is an artist, not only chisling his own destiny, but is influencing the growth and development of all the membership. An informed constituency is a potential organized, growing and progressive enterprise, whatever its nature. We may, and we often do not, do what we know is best; we can never do better than we know.

We accept these truths to be self-evident, in the material realm, but ignore the Lord's injunction—"To study to show thyself approved unto God . . . " The Lord helps those who help themselves, but how may we help ourselves, not to mention others, when our minds stand dimmed behind the screen of ignorance.

To keep informed about what others are doing should be an incentive to guide us in our endeavors. There is no better medium through which we may be instructed than our own Baptist paper, the Biblical Recorder. Our illustrious editor, Dr. D. L. Carpenter, is very much gratified in his report submitted relative to the growth of our paper. Its circulation now numbers 18,497. This is a net gain since August 1942 of more than 7000. In our Association we have made slight gains. In 1939 there were 241 subscribers, with Clinton leading the other churches of the Association with 30 subscriptions. In 1943, this Associational year, we have 706 taking our denominational paper, and with four churches including it in their budget.

The Recorder has three simple subscription plans: Two dollars a year for individual subscriptions; $1.50 a year for clubs—a minimum of at least three subscriptions is required for every church reporting less than a hundred members and five subscriptions for every church reporting more than a hundred members; $1.20 for the budget or family plan—one subscription for each active, resident church family is required. Let's place the Biblical Recorder in every resident church family.

EDW. A. WALKER.

STATE MISSION REPORT

The New Testament idea of Missions is, Reaching the lost with the message of life. We believe this work of winning the lost and training them requires all phases of our enlarged State Mission Program. In North Carolina about one out of two belonging to any church belongs to a Baptist church. This means that Baptists are about one-half responsible for the one million souls in North Carolina who have never accepted Christ.

In the face of these facts the task of State Missions is clear. If we are to try to Christianize North Carolina we must carry on a State Mission program. We Baptists have a great responsibility to aid in growing a Christian State.

Through our program we are seeking to train and teach those in the church. We are aiding missionary pastors and giving help to growing churches in needy places.

We should support the Baptist Cooperative Program, for State Missions receives 15% of the undesignated gifts. An appeal has been made for an offering to help in the work around the camps. The last Sunday in October the Sunday Schools are asked to make a generous offering.

The W. M. U. is laying unusual stress on their State Mission Program this fall.

May we work, pray and give for the coming of God's Kingdom in our State.

Respectfully submitted,

J. L. POWERS.

ORPHANAGE REPORT

Eastern Baptist Association:

The cause of childhood always meets a responsive chord in our Christian endeavors. The churches of the Eastern Association have not been unmindful of the needs of our orphanages. This year the churches have responded to their obligations to care for the fatherless in a noble way.

The deeper emotions which we feel as we contemplate the responsibilities of the churches and Sunday Schools to help care for the many thousands of needy children cannot be here expressed. It is sufficient to say that there are more children in our State now than ever before who are looking to us each one, for a home and all that this sacred word can mean. This increase in the number of needy children is a result not only of the loss of parents by death, but is caused by adult work, delinquency throughout the State and by the destructive elements of war. Unless we care for these children a worse tragedy than war will be the inevitable result.

A digest of the church letter this year shows an increase of approximately 30% in special gifts to the orphanage over the last Association year. The Circles of the Church have more than doubled their gifts and their subscriptions to Charity and Children. All of the reports from the churches are most encouraging. It is to be noted with joy that some of the churches not reporting any gifts last year are included in this year s report. Last year our State gifts amounted to $2,408.80. This year the total for the Association is much larger.

As encouraging as this offering is we must not forget that the buying power of the dollar is considerably less today than it was a year ago. Expenses have increased alarmingly. We need to give unstintingly of our means and to share unselfishly our love with the thousands of little lives in North Carolina so pitifully destitute of Christian care and affection. Without hesitation we urge you to support our homes at Thomasville and Kinston and to let their support be reflected in ever increasing gifts, which should be given each month regularly and at Thanksgiving.

Respectfully submitted,
N. E. GRESHAM.

REPORT ON SCHOOLS AND COLLEGES

One of the outstanding assets to Baptist growth and stability in the state, nation and the world has been brought about by the fact that we have believed and practiced Christian education. Christian education began when our forefathers began teaching the principals of our Lord in the home. Realizing the need for more Christian education, especially for the ministers, some of our earliest schools were established. In 1834 Wake Forest College was founded especially for the training of our preachers. Since its foundation our college has branched out into the fields of law, education and medicine. From these schools, we have felt the effect and the whole world has benefitted by the influence of the men and women who have gone out from the environments of these schools.

Later on in the same century, Chowan College, (closed for the duraiton) was established in the northeastern section of the state. While the college is not functioning now, the effect can be readily recognized as one approaches its environs.

Meredith College for Girls was established in the same century, and has made its influence felt in all the world. Along with these we have Mars Hill, Campbell, Wingate and Gardner-Webb.

From all these institutions we feel the influence of Christian education in every phase of life.

In this modern time when so many of our youth are being led astray by so much modernistic teaching, we need to stand as never before for our Christian institutions.

J. L. JONES.

REPORT ON HOSPITAL

Located in Winston-Salem, owned and managed by North Carolina Baptists with Brother Smith Hagaman as Superintendent, the North Carolina Baptist Hospital is doing a worthy and commendable work that deserves the loyal encouragement of all North Carolina Baptists.

The Convention year of 1942 marked the completion of our great hospital expansion program This represents a change in bed capacity from 100 to about 300; 4,000 to 10,000 patients annually.

The new hospital has been furnished and equipped with new and up-to-date appliances, representing an expenditure of $682,000. The present staff is composed of 26 internes and about 75 doctors practicing in the hospital. The entire staff of the Medical School is available at all times for consultation and diagnosis. These two institutions have now a combined floor space of four acres and represents a total value of $2,000,000. The American Medical Association has recently given our hospital the highest rating of any in the South, except one.

Under the urge and help of our National Government, we have greatly enlarged our classes in the Nurses' Training School. The school now has in training 105, making a nursing staff of 150.

Indications of growing interest in our hospital is reflected in our increased Mothers' Day offerings. We have received this year over $60.000, an increase of some $20,000 over last year. Of the 12,000 patients received, 4,000 were "Service Patients" who paid little or nothing. The Mothers' Day offering is largely the hope of these poor, plus a generous donation from the Duke Foundation. In the name of our Lord, may we do our best for these through the Mothers' Day offering this coming second Sunday in May.

Respectfully submitted,

R. F. MARSHBURN.

REPORT ON HOME MISSIONS

Occasion for universal rejoicing among Southern Baptists is the fact that for the first time since 1920 the Home Mission Board is out of debt, the final note of the Board's indebtedness being paid on May 12, 1943. When the final $55,000 note was paid on that date it terminated a struggle against debt for fifteen years, during which time the Home Mission Board paid a total of $2,425,531.91 on debts. Since 1933 the Hundred Thousand Club has furnished $636,900.21 which was over one-fourth of the total amount of debts paid by the Home Mission Board, the other three-fourths being paid by the Board from Co-operative Program and general denominational receipts.

The Board's report shows a total of 435 workers in all fields. During the year thirteen new missionaries were added, forty-three mission stations opened and six churches constituted.

The missionaries distributed 14,445 Bibles and Testaments and 672,093 tracts. They preached 37,657 sermons, and led 15,928 to profess faith in Christ.

During the year the Board enlarged its work on all fields and also added new departments. Notable among these was the city mission department, of which Dr. Solomon F. Dowis is superintendent.

The Board is also planning to create a department for the revitalization of the country church. A program is being worked out which will, when carried into effect throughout the land, re-establish the country church as a potent factor in denominational life.

Respectfully submitted,

J. B. SESSOMS.

FOREIGN MISSIONS REPORT

The most welcome news of a decade came last March when the news was flashed from Richmond, "Foreign Mission Board Out of Debt." From the personal viewpoint the safe arrival of forty of our missionaries from the Orient on the Gripsholm in August, 1942, caused equal rejoicing. But thirty-eight are reported to be interned in China, four are marooned in the Portuguese colony of Maco, and ten are held in Japanese controlled Manila. It is hoped that all of these will be on board when the Gripsholm sails again.

In Free China (the areas not conquered by the Japanese army) the work of evangelism is going forward in an unprecedented way. Hospitals and schools continue to function. Churches are crowded as people seek a living, loving God. Yet, famine again is stalking the land. Since January 1942, we have forwarded over $200,000 for China relief. We must send more.

I suggest that every pastor urge his people to subscribe to "The Commission," the publication of the Foreign Mission Board, and that some time during the meeting of the Association a free will and generous offering be taken for China's relief.

Respectfully submitted,

DONALD G. MYERS.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

STATE MISSIONS REPORT

Report on State Missions read by Rev. R. W. Fitzgerald. Duly adopted. Report follows:

As gathered from **New Testament Data:** Missions is carrying Christ to the lost; "I came to seek and to save that which was lost", "Go ye" are statements from the life of Christ. We believe this work of winning the lost and teaching them to observe all things commanded by Him requires our whole-hearted support of all phases of our enlarged state mission program. For how can they believe unless they hear.

In the face of these facts: Also being faced with an ever increasing amount of juvenile delinquency and realizing that the state of tomorrow will be what we make of the youth of today. We must carry on a state mission program that will be effective. We as a denomination have a great and grave responsibility to aid in developing a truly Christian state.

Through our program we are striving to teach and train those already in the church. We are helping every weak church have a stronger pastor than they otherwise might have. We are aiding in building, we are contributing to Christian education, we have a program for carrying Christ to other races, we administer to the sick and needy, we also try to administer to the spiritual needs of the men in the camps located in our state.

We should support the Baptist cooperative program, as state missions receive fifteen cents out of every undesignated dollar. The other sources of support for state missions are the W. M. U., the Sunday School, interest from invested funds, the Sunday School Board, and a small amount from miscellaneous sources.

R. W. FITZGERALD.

REPORT ON HOME MISSIONS

Report on Home Missions read by Rev. J. V. Case. Duly adopted. Report follows:

The Home Mission Board now has 514 missionaries working in 1,050 churches and mission stations in every state in the territory of the Southern Baptist Convention and in Cuba and Central America. Missionaries of the Board are working among the Spanish, Indians, French, Italians, Negroes, Jews, Deaf, Chinese, Japanese, Mountain peoples and underprivileged groups. Workers are supported in mission churches, Good-will centers, kindergartens, rescue homes, preachers institutes, and in house to house evangelism. More than 125 missionaries are serving in Cuba and Central America. The Board has cooperated with the government by certifying 1,139 Southern Baptist preachers for the chaplaincy.

The Home Mission Board is now cooperating with the respective state mission boards in the selection and support of workers for the City Mission Program and the Country Church Program. Work is now being done in thirty-one cities and rural workers are serving in this cooperative effort in six states.

The Baptists of the Southland face a great challenge today. The world is looking to America for Christian leadership. Southern Baptists have a peculiar responsibility in furnishing such leadership. We must do a better job at home and prepare for a larger work abroad.

In the Southland out of a population of 45,000,000 about 20,000,000 have never made a public profession of faith in Christ. There are 11,000,000 Negroes, 5,000,000 foreigners, nearly 1,000,000 Jews and 250,000 Indians in the territory of the Convention.

The year 1945, the Centennial year of the Convention has been designated as a time for a special evangelistic campaign. Dr. M. E. Dodd has been chosen as leader in this great crusade for souls. Pastors and laymen alike are asked to give themselves to this great soul winning effort.

Respectfully submitted,

J. V. CASE.

FOREIGN MISSIONS REPORT

Report on Foreign Missions read by Rev. C. H. Hornsby. Duly adopted. Report follows:

Southern Baptists are indeed grateful for the work done by our Foreign Mission Board through the years. If we were forced to abandon all our work in foreign lands entirely the efforts of the past would not be in vain. Waves of Christian influence have been set in motion that will last until the end of time. The good seeds which have been planted have brought fruit and will continue to bring fruit.

At present we have 502 missionaries in active service in 17 countries. Southern Baptists have not turned deaf ears to the cries of suffering people around the world. Since December 1937 we have given the amount of $1,340,820.14 for relief purposes. The income for the current work of the Board for 1943 was $1,530,318.48. The Lottie Moon Christmas offering for 1943 was $761,269.79. Since the retirement of the indebtedness on the Foreign Mission Board the Board has been able to accumulate a reserve of approximately $1,000,000.00. Since April 1943, fifty-two missionaries have been appointed to Southern Baptist foreign-mission fields.

The future of our Foreign Mission work seems as bright as the promises of God. Some day the present conflict will come to an end. When victory is at last realized Southern Baptists will have unprecedented opportunities to minister to a needy world. Millions around the world will be hungry physically and spiritually. We must be ready to answer these calls.

Respectfully submitted,

C. H. HORNSBY.

TRAINING UNION REPORT

Report on B. T. U. read by Mrs. G. S. Best. Duly adopted. (B. T. U. Officers on page 7), spoken to by Rev. G. Van Stephens and Rev. C. H. Hornsby.

The Training Union of Eastern Association has held two meetings during the past Associational year. One in November, 1943, which was a Mass Meeting of 186 of our members and pastors from 13 churches. The other was a Worker's Council in July, 1944, composed of 86 of our officers, leaders, and pastors from 11 churches. One of the results of the council is that definite plans have been made for an Enlargement Campaign to be conducted in this Association either the week of June 10-15 or 17-22, 1945, sponsored by our State Workers.

Training Union not only trains Christians to serve in Kingdom activities but through the spiritual food found in all its literature, the Training Union challenges, inspires, and furnishes incentive for the highest type of Christian living. In every Baptist Church of Eastern Association there are potential ministers of the gospel, potential missionaries, potential Sunday School and Training Union officers, leaders, and teachers, potential consecrated Christians for all walks of life. A Training Union in every church would discover and challenge at least a part of these potential laborers of God for the harvest field of every community.

Shall we remain complacent when only one-third of our churches maintain Training Union? We have the church buildings. We have the church

membership. We have plenty of potential leadership. Then why are we failing to maintain Training Union in two-thirds of our churches thereby failing to teach and to train and to challenge to maximum Christian living our Baptist membership?

After serving as your Director for several years I am firmly convinced that we are failing for three reasons. First, we have not realized how necessary it is to train and teach our Baptist people; second, we have not realized how big that task is; third, we have not realized how rich would be the harvests upon its achievement.

And so, my plea today is that we awaken to the realization that "Associational Missions" is just as important, just as challenging as "City Missions", and that we begin now to work and pray to the end that Eastern Association have a full time worker or missionary who shall be qualified and authorized to visit and work with and in every church in our Association, who shall not only assist in the setting up of organizations but shall help to maintain them by constant visitation, teaching, encouraging and aiding when and wherever a need is felt on the part of Pastor, Sunday School Superintendent, or Training Union Director.

Respectfully submitted,

MRS. G. S. BEST.

REPORT ON CHRISTIAN EDUCATION

Report on Christian Education, read by Rev. R. F. Marshburn. Duly adopted. Spoken to by Rev. Charles Howard.

Ever-expanding opportunities for Christian service in a destitute world magnify the responsibility resting upon churches, colleges, and seminaries to develop and maintain an adequate Christian leadership.

In these crucial days of change and confusion, our Christian schools and churches need to reaffirm their absolute devotion to the Bible as the Word of God, to Jesus Christ as the only Saviour of men, to the New Testament pattern of the church, to preaching and teaching as the divinely given means of accomplishing the purposes of Christ, and to the Kingdom of God as the only ideal making possible a just and enduring peace. This need was emphasized by Woodrow Wilson when he said:

> "Our civilization cannot survive materially unless it be redeemed Spiritually. It can be saved only by becoming permeated with the spirit of Christ and being made free and happy by the practices which spring out of that spirit."

Because of this important need, our real task in all Christian Schools is to make them, and keep them, deeply and genuinely Christian in all their ways, and in all their life; in administration, in campus relations, in class teaching, in all athletic activities, and in student solicitation.

We are true to our heritage and highest purposes when we maintain colleges, seminaries, and training schools to train our young people for Christian service and leadership. With more and more well-trained chaplains, pastors, and missionaries about to be needed, we need to give special support and help right now to theological education. The spiritual trend and hope of the world for the coming generation may be determined by these leaders.

May we renew our conviction that Christian education is fundamental in the program of Jesus and of our churches. May we give expression to this conviction by supporting generously our schools and by sending our sons and daughters to them.

Respectfully submitted,

R. F. MARSHBURN.

CHRISTIAN LITERATURE

Report on Christian Literature, read by Rev. N. E. Gresham. Duly adopted. Report follows:

There is a compelling urge in making this report to stress the negative and to suggest the things that should not be read. Cheap, salacious and sinful literature abounds everywhere and of this we should be warned. It seems the better part of wisdom here to forego this urge and to give the proper emphasis to positive Christian reading.

First of all, the Bible must be read if one would understand the issues of life in these terrific days. Then the witnessing for Jesus recorded in wholesome literature is needed.

Three Baptist publications command our especial attention. These are The Commission, Charity and Children and the Biblical Recorder. The Commission is informative and inspirational, Charity and Children is remarkably interesting and uplifting and the Recorder is unmatched in the quality of reading matter and unsurpassed as a church periodical.

These publications should go into every home. It is especially recommended that The Biblical Recorder be included in the program of church activities and its circulation assured by placing it in every church budget.

Finally, the Baptist Book Store is recommended to the Baptist reading public. On its shelves can be found the best in Christian Literature. Your support and patronage of this institution is recommended without hesitation.

Respectfully submitted,

N. E. GRESHAM.

OUR SUNDAY SCHOOLS

Sunday School report read by Rev. T. N. Cooper. Duly adopted. Report follows:

Our educational system at our own request has left religion out. We pretend to take care of the religious education of our children in twenty minutes once a week, but insist on their taking six hours every day for a course that leaves the Bible out. It is no surprise that religion has come to be looked on by thousands of our citizens as an outmoded luxury.

Believing that the Bible, the source Book of our religion, must find a place at least of equality in the minds of our youth, advocates of this movement are pointing out already great results in increased interest among the students many of whom have never read the Bible before.

In many cases among the young people, the whole class has gone to war. The few young ladies left are discouraged and scattered. In the words of a young Soldier "Do not give up my class." This soldier sent this message to his fine consecrated teacher. It is a message to all Christians and the world—"Do not give up that class." The young men will return at least often enough to check on us to see if we really are for Victory.

The acid test of our Christianity today is every Man, Woman and Child in his place early on the Lord's Day. Some cannot be where they would like to be, but still "the multitudes in America can do right. Many of our defense workers are coming back home." May we open our doors and welcome them back. They are rather cold and unsettled; more than we can imagine. Let's take them back like the Prodigal's father. Positive, aggressive and immediate action is absolutely necessary.

Revival, oh blessed thought, with heavenly wonder (frought?). Many of our churches have been through the annual series, some now engaged, and some to follow. When the church is revived the Bible is uncovered, dusted, reverenced taught and heeded. When has the church seen a revival as at Pentecost? Let us pray that the Sunday Schools will let the true Revival begin in our classes.

These are days which call for the closest cooperation of all our spiritual forces and Christian organizations.

The freeness of Salvation means, the blessings of salvation are made free to all by the Gospel. It is the immediate duty of all to accept them by a cordial and obedient faith.

"Whosoever will, let him take of the water of Life freely." Rev. 22:17.

Respectfully submitted,

T. N. COOPER.

WOMEN'S MISSIONARY UNION

W. M. U. Report, read by Mrs. Grover Britt. Duly adopted. Spoken to by Mrs. H. S. Hood. Report follows:

"Realizing that missions is the foundation of Christ's program, the women of the Baptist denomination met in Richmond in 1888, and organized the work of the Women's Missionary Union. During the past 56 years the work of the W. M. U. has spread throughout the Southland. For 35 years the Eastern Association has had a part in this program, during the past year we have had 29 W. M. U. societies reporting and 48 Young People's Auxiliaries, 5 churches full grade unions, during the year the women gave $4,960.35, and the Young People gave $1,155.22. There were two Queen's Regents in the Eastern Association in 1943. The Women's Missionary Union of the Eastern Association rejoices that Miss Katie Murray, our Missionary Representative in China for the past 15 years has lived faithfully through the trials and tribulations of the war in China and is now in Bombay, India awaiting transportation. The W. M. U. annual meeting was held in Island Creek Church April 14, 1944. Mrs. J. S. Farmer of Raleigh, Mrs. Pearl Johnson of China and Rev. J. C. Powell of Nigeria, Africa were with us at that time, each visitor bringing a message. Officers elected at this meeting were: Mrs. Grover Britt, Clinton, Superintendent; Mrs. G. Van Stephens, Warsaw, Associate Superintendent; Mrs. L. G. Lovell, Clinton, Secretary; Mrs. H. S. Hood, Clinton, Young People's Leader; Mrs. M. J. Herring, Mission Study Chairman; Miss Macey Cox, Magnolia, Stewardship Chairman; Mrs. M. O. Summerlin, Mount Olive, Community Mission Chairman; Mrs. V. R. Garner, Mount Olive, R. F. D., Literature Chairman; Mrs. Eddie Drew, Warsaw, Route 1, Training School and Margaret Fund Chairman; Rev. G. Van Stephens, Warsaw, R. A. Counselor of Association; N. E. Gresham, Camp Director; Mrs. Paul Parker, Beulaville, Obituary Chairman. The 1945 W. M. U. meeting will be with the Beulaville Church April 15, 1945.

Respectfully submitted.

MRS. GROVER BRITT.

REPORT ON ORPHANAGE

Report of Orphanage read by Rev. J. W. Lambert. Duly adopted. Spoken to by Dr. Reed of Kennedy Home. Report follows:

Brother Moderator: From available material I submit the following report on our Baptist Orphanage:

During 1943, 698 children were cared for in the two homes of our Baptist Orphanage. In addition 23 were cared for in boarding homes, and 60 in their own homes.

During this critical period our Orphanage has had to face two outstanding problems. (1) The changes in certain types of personnel due to unavoidable interruptions caused by demands of the draft board. (2) The increase of juvenile delinquency and the breaking up of homes. These two

conditions are always present to some extent, but they have been "intensified by the influence of war." This means that the staff of the Baptist Orphanage has been called on as never before for all its skill, patience, and ingenuity.

School attendance was almost 99 per cent, a factor which was due to the general good health of the children. There were neither no serious illnesses during the past year, nor were there any deaths.

The Executive Committee in July 1943, authorized the painting and repairing of all buildings at Kennedy Home as soon as possible. In spite of the current labor shortage, the painting of the cottages is almost completed.

In addition to other agencies, we have at both of these homes—Mills Home and Kennedy Home—a graded Sunday School, B. T. U., and W. M. U. helping to round out the lives of the boys and girls.

The resources of our country have been geared to win the war, organizations are now being geared to win the peace, but a shocked world cannot be rebuilt without properly trained men and women—men and women who labor to build His Kingdom. Our Baptist Orphanage assumes its responsibility of placing into the world trained men and women upon whom a war-torn world can depend for guidance and leadership. Each day 600 children depend upon the friends of the Orphanage for support. We cannot fail those who look to us for support.

Due to the increase in the cost of living, monthly contributions and the coming Thanksgiving offering should be larger than ever.

In the name of Him whose love for the child was supreme.

Respectfully submitted,

JOHN WESLEY LAMBERT.

REPORT ON HOSPITALS

Report of Hospitals read by Rev. C. H. Hornsby for Brother H. L. Stewart. Duly adopted. Report follows:

Compared with other enterprises of our denomination our hospital is a new undertaking. Notwithstanding, this work has in a few short years grown to be of major importance. It fills a need long realized by large numbers of our Baptist people all over our State. It is ministering to large numbers of Baptists as well as members of other denominations. Because of outstanding management of the institution it has expanded far beyond our hopes for it. And even since the plant has been enlarged many calls for help cannot be answered.

Our churches have been called upon to take special offerings for the benefit of many who are not able to pay. These offerings are requested on Mother's Day of each year. The response has been generous and yet it has not been generous enough. The Eastern Association has contributed to date this year $887.01. Five churches report no contributions. The committee feels that if this worthy cause is placed on the hearts of the members of these churches they will take their place along with the others of our section. It should not be necessary to call the names of these churches for surely the messengers representing them will know from the annual reports. Won't you see that on Mother's Day next year your people are given an opportunity to make an offering for our Hospital?

Respectfully submitted,

H. L. STEWART.

TEMPERANCE AND PUBLIC MORALS

Report on Temperance and Public Morals read by Rev. J. V. Case. Duly adopted. Spoken to by Rev. G. Van Stephens. Report follows:

"Righteousness exalteth a nation, but sin is a reproach to any people." Intemperance is growing and immorality is on the march. Each year many more join their train of followers.

The liquor traffic stands out as one of the most horrible enemies of America. When our government allows precious cargo space to be filled with beer and whiskey while needed equipment and food are left behind it is time for us to do more than groan and mutter under our breath. When our government allows grain to be used to make liquor even for one month while people in other lands are starving should we keep silent?

The evil of divorce cuts at our national strength like a mighty cancer. Each year the sanctity of the marriage relationship is taken more lightly. Many have no moral compunction to get a divorce and marry at will. Coupled with this is our juvenile delinquency problem which is largely a parent problem and a problem of broken homes.

The disregard for the Sabbath both by our government and individuals is becoming more and more alarming. Many of our church members use Sunday as a holiday rather than a holy day.

We cannot expect the unsaved world to look upon these conditions as Christians do. But it is high time that Christians repent of their sins of neglect and indifference and let their example be seen and their voices be heard. A few courageous souls under the leadership of an humble Gideon can put a great enemy to flight. In the power of the risen Lord we can conquer. Shall we do it?

REPORT ON AMERICAN BIBLE SOCIETY

Report on American Bible Society, read by Mrs. H. E. Philips. Duly adopted. Report follows:

Possibly the best way to approach this topic is to ask five questions. 1. What is it? 2. What it does? 3. Where it works? 4. Why it must expand? 5. How can it expand?

Now as to Number one—what is it? The American Bible Society has as its single, simple purpose to encourage the wider circulation of the Holy Scriptures, without note and comment and without purpose of profit to every man on earth in whatever language he may require. It is the sole American national and international society organized for this purpose. Founded in 1816, it is one of the oldest missionary societies in America. Throughout its long years of service members of many Christian churches have united in its activities. More than 40 denominations are represented on its Advisory Council. Its work in the United States and abroad serves hundreds of missionary societies and national church bodies. Its President, Vice-Presidents, and the principal part of its Board of Managers are lay men and women.

Question Number two—What it does? The American Bible Society's supreme concern is to get the Bible into the hands of those who do not have it and to do so in a manner to secure serious interest and a receptive mind. Its principal processes are translation into many different languages, publication of readable, durable Scriptures at low cost and supervised distribution, through its offices and agencies, of hundreds of thousands of Scriptures.

Question Number three—where it works? The American Bible Society has its headquarters at the Bible House, Park Avenue at 57th Street, New York City, and many district offices in the United States as well as quite a few agencies abroad. Richmond, Virginia having the office nearest us.

In the present war emergency, war prisoners, refugees, and soldiers who desire a Bible can receive one with little or no expense. Last Easter, the Protestants of Paris gathered 500 Bibles—all those of middle-sized format and in good condition that the parishioners could spare—to be sent to the prisoners of war in Germany. Proper arrangements were made, and in due time the books were delivered. In reply came amazing news. Not only had the Bibles been gratefully received and appreciated, but in two of the camps the prisoners had voluntarily taken up a collection, which amounted to several thousand francs, which sum they urgently requested to be used for the printing of Scriptures for their fellow prisoners. And letters similar to this come from German prisoners of war, so it is very evident that there are those who just wouldn't be satisfied with Mien Kampf.

Question four—why it must expand? The one hope of our fear-wrecked, sin-ridden world is the gospel of Jesus Christ and the Bible being the Book of all books in which we can obtain such information and further because there are great masses of people in the world who do not have the Bible and do not even know of it. And through proper distribution of Scriptures it reaches hundreds of thousands of persons whom no other Christian effort will reach and American Christians are better able to bear the costs of the needed expansion than any other people in the world.

Question five—how can it expand? The greatest means by which it can expand is through churches, individuals and auxiliary societies. In the church through a designated percentage of the benevolence budget, through an annual grant from the denomination or through gifts from individual churches and groups within them. By individuals through annual memberships, legacies and gifts in trust or even small gifts and by auxiliary societies through the stimulation of interest and the solicition of funds in the locality represented.

The Bible is the Book of Faith on which rests freedom. Soldier, sailor, prisoner of war, refugee—they all need it, ask for it, but cannot get it—will not get it unless American Christians help.

REPORT OF ALLIED CHURCH LEAGUE

Report of Allied Church League, read by Rev. E. A. Walker. Duly adopted. Report follows:

Having covenanted together, as believers in the Lord Jesus Christ, to abstain from the sale and use of intoxicating drink as a beverage, it further becomes our duty and responsibility to organize in an effort to outlaw and overthrow any pernicious evil that undermines the very fabric of our Christian civilization.

In view of this fact, the Christian people of North Carolina have allied themselves together to function under the name of "The Allied Church League," with Dr. I. G. Greer of Thomasville, North Carolina as president, in an attempt to rid this State of beverage alcohol.

We submit, therefore, the following facts to challenge the support of every fair minded, God fearing, and Christ loving citizen in this effort to make this "Fair State" a decent place to live:

1. Intoxicating drink is a moral issue and not a political question, and that the Church should take the lead in all moral issues.

2. That which is morally wrong cannot be economically and politically right.

3. It is the duty of the State to make it as easy as possible for all individuals to do right, and as difficult as possible for anyone to do wrong.

4. That Christian citizens should do their utmost in electing legislative officers who are personally and politically dry.

5. That it is better to fight an evil than to try to make it respectable, and legalize it.

6. The total sales, legal sales, of wine, beer, and other strong drinks in North Carolina last year were in excess of $66,000,000, which was nearly three times what was spent for public education, and more than three times what all denominations spent for all religious causes.

Respectfully submitted,

EDW. A. WALKER.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Report on "Christian Education" was made by Rev. J. W. Lambert. Duly adopted. Report follows:

REPORT ON CHRISTIAN EDUCATION

Dr. Lewis Robeson Akers quotes H. G. Wells as saying that, "Education is a race between Christianity and annihilation." Then Dr. Akers continues, "The most deadly danger confronting the world today is that its affairs may be directed by men who possess ten-talent minds but who are morally blind and spiritually dwarfed."

Let no man think that because many "ten-talented" minds of the day have produced great experiments and brought about many new inventions that religion is less essential. On the contrary, it is more essential today than ever before. What with the new discoveries of atomic energy by which "scientists confidently tell us that this amazing discovery will make man independent of the sun for food production. Man will be enabled to live underground as healthy as above ground, and more comfortably. Any country, with any climate, at any time of the year, on a small acreage can grow all it needs to feed, clothe and provide shelter for its citizens. The citizens will need only to contribute services according to their talents—administrative, manipulative or technical—and for only a small fraction of their time," says Marshall Wingfield in THE PULPIT for October 1945. Therefore, in such a time the responsibility for Christian education weighs the more heavily upon our shoulders. God must have first place in the thought, will, and action of our young men and women if we are going to make any showing in this "race between Christianity and annihilation." What if the "ten-talented" minds, dwarfed by selfishness, get another hold upon the affairs of men and nations, and the "morally blind" lead us again to destruction?

Members of the staffs of our Christian Schools—and a great host of Christian teachers in secular schools—consider it their duty not only to impart information, but also to mold Christ-like characters. And therein is the difference between Christian and secular education. We place our young people into our Christian Schools for the purpose not only of gaining knowledge, but primarily of being molded into Christian personalities. And it is only by such a Christian motive and purpose that we can win the "race between Christianity and annihilation."

But when times look dangerous, they also look hopeful. Young men and women are rapidly returning to our schools. Our institutions have capacity enrollments, and many of them have had to send students home, placing their names on waiting lists. Present conditions have both encouraged and given many material helps in their return to school. Let us, therefore, be worthy of our high privilege to support these our several institutions by directing young men and women to their doors, giving both of our material means and our moral support to the great cause of Christian Education.

Respectfully submitted,

JOHN W. LAMBERT.

Address on Christian Education was given by Rev. J. B. Willis of Hamlet.

Report on "Hospital" was made by Rev. C. E. Crawford. Duly adopted. Report follows:

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL

The North Carolina Baptist Hospital received its first patient May 28, 1923. Originally planned as a 100-bed institution, it was enlarged in 1942 to a capacity of 247 beds and 55 bassinets.

The underlying purpose of the Baptist Hospital has always been medical care to the poor. Its caliber of service was enhanced many times over when the Wake Forest Medical School became a four-year school in 1941 and was located adjacent to the Baptist Hospital. When the Hospital became a teaching institution, its purpose became twofold—teaching and healing, the twin endeavors of Christ.

The Baptist Hospital operates one of the fullest approved schools of nursing in the South, and at present has an enrollment of about 150 girls receiving professional training under Christian auspices. Only applicants representing high mental and moral character are considered for admittance in the School for Nursing. While the most rigid scientific training is given the students, the Hospital takes great pride in the Christian and humane attitude it develops in these girls.

The Hospital has developed into one of the top ranking hospitals of our nation in the caliber of its medical work. In developing its medical program care has been taken that the spiritual atmosphere of the hospital should develop to the same measure. Emphasis is given at every turn, in its educational program, in its employees, and with its patients to the spiritual needs of all coming in contact with the Hospital. Chaplain C. E. Parker reports many conversions and rededications among the patients in the Hospital.

Baptists have developed in their hospital one of the greatest medical centers in our country, and at the same time one of the strongest influences for the cause of Christ that exists in any land. Its huge opportunities for serving as an agency of mercy, as a means of teaching, and as a means of spreading the influence of Christ are a challenge to our denomination that its program will not be restricted for lack of finances. It is self-supporting with the exception of its charity work, and it is for this merciful side of its program that North Carolina Baptists this year gave over $100,000 through the Mother's Day program.

Respectfully submitted,

C. E. CRAWFORD.

Report on Old Ministers Relief was made by Rev. J. B. Sessoms. Duly adopted. Report follows:

REPORT ON MINISTERIAL RELIEF

In the year of 1910 our statistics show that the average Baptist pastor's salary was $344.00 (three hundred forty-four dollars) annually. In those days of unpreparedness and unorganized effort on the part of our Southland to meet the needs of old age and disability of the ministry it meant retirement with insecurity, worry and want, even sometimes suffering. However, in the organization of The Ministers' Retirement Plan, through the cooperation of the pastors, churches and State Convention it has been made possible for the old, disabled, or retiring pastor to face the future with more courage and comfort; and also for the churches to look forward with comfort in knowing that their former servants in Christ will be reasonably cared for.

We believe that our Convention should send someone to each of our non-cooperating churches and pastors and encourage their enlistment.

Respectfully submitted,

J. B. SESSOMS.

Honorable J. D. Johnson, Sr., of Garland was recognized and made a short address.

Report on State Missions by Rev. J. B. Sessoms. Duly adopted. Report follows:

REPORT ON STATE MISSIONS

The purpose of State Missions is to provide a program of activities in which all of the churches may have a part in winning the lost to Christ in their respective communities.

Our Baptists of North Carolina have about one member for every one in all other denominations, hence our great responsibility in carrying on this great program for Christ.

The Convention attempts in its programs to help in the paying of salaries to ministers in the weaker churches and more strategic places of worship in some of our more sparsely settled sections of our state. These 65 such pastors reported last year some 6,000 sermons, 22,000 visits and 902 baptisms out of a possible 121 churches.

State Missions also cares for three general missionaries, contributes to salaries of associational missionaries, Sunday School and B. T. U. Training courses, pastors' schools, work among the Indians, radio programs, and various other objects in spreading the good news of Christ in our state.

May we give of our best to the Master in our efforts to evangelize through State Missions.

Respectfully submitted,

J. B. SESSOMS.

Report on Home Missions by Rev. C. H. Hornsby. Duly adopted. Report follows:

REPORT ON HOME MISSIONS

It is obvious that the work of our Home Mission Board is becoming more and more complex and challenging. As our population increases, and as new economic and social problems arise our Home Mission work becomes more imperative. There are today 25,000,000 unchurched people in our Southern Baptist Convention territory, and at least 12,000,000 in Home Mission fields in Cuba, Panama and Central America. We have reached only about one per cent of the foreigners in our midst to Christ and the

church. Sixty per cent of the people in our cities are unchurched. In the South as a whole one out of every 8.6 is a Baptist, but in our cities only one out of every 34 people is a Baptist. In many sections our rural churches are becoming depleted and inefficient because of the drift away from the farms and because of the lack of leadership and a worthwhile program. Our work in mountain sections, in Cuba and Central America, and among the Negroes offers a great challenge.

During the past year 654 missionaries were busy preaching and teaching. 153 new missionaries were added, 82 mission stations were opened, and 54 pieces of mission property were acquired. More than 15,000 people were led to Christ.

Our greatest task is to evangelize those in our midst who are still in darkness and sin. Our Evangelistic Centennial Crusade will succeed this year only if those who know Christ will with hearts on fire for the lost tell the Story to those who know it not.

Respectfully submitted,

C. H. HORNSBY.

Report on Foreign Missions by Rev. G. Van Stephens. Duly adopted. Report follows:

FOREIGN MISSIONS REPORT

With approximately 540 missionaries at the present time, (one for every 10,000 members), we face a world a greater part of which is lost in sin: China with her 400 millions, bled white by war, hungry and suffering; Japan defeated, baffled, and dominated by her conquerors; Europe, including Spain, Italy, Yugoslavia, Hungary, Rumania, the Ukraine—all of which are war-torn, and very needy; Syria and Palestine with their political, economic and spiritual problems; Africa on the march for freedom, and human rights; Latin America, including Mexico, Brazil, Argentina, Uruguay, Chile, Columbia, and Paraguay all dominated largely by the hand of Rome, have had restrictions lifted to new missionaries, to a great extent; Hawaii, the cross roads of the Pacific offering a mighty challenge.

We need at least 300 new missionaries, to say nothing of replacements: One hundred in Latin America; 150 in the Orient; and an entire permanent staff for the Hawaiian Islands.

The income for 1944, exclusive of Relief Funds, amounted to $2,747,207, and an increase for the first quarter of 1945 of $333,256 over the preceding year. The Lottie Moon Christmas offering reached a total of $950,000. We are averaging a little more than fifty cents per capita for Foreign Missions.

The need is very great for the future: the 1945 regular budget calls for approximately 2½ millions of dollars; we'll need, at least, 2 millions for replacing destroyed property; and emergency reserve fund of 2 millions; and 3 millions for growth, development. All this does not include a great sum which is greatly needed for the relief of millions of homeless, hungry, and cold.

The right kind of response to these needs means the enlistment of our people as never before. Fervent prayer, powerful preaching, and intelligent teaching should cause the liberal use of the pocketbooks of Southern Baptists, and that includes, to be sure, the Baptists of the Eastern Association.

"There's a call comes ringing o'er the restless waves:
Send the Light."
"Let us not grow weary in this work of love:
Send the Light."

Respectfully submitted,

G. VAN STEPHENS.

Report on W. M. U. by Mrs. Grover Britt. Duly adopted. Comments on report made by Miss Mary Cox. Report follows:

W. M. U. REPORT

Today I bring you greetings from the 28 W. M. S. presidents, and the 52 Young People's Counselors of the Eastern Association. Many of whom are with us in this meeting. Most of the societies made their financial goals and some made the Standard of Excellence. 16 W. M. S. observed the season of prayer for State Misisions, and 10 Young People's organizations, Foreign Missions, W. M. S. 17 Young People, 22 Home Missions, W. M. S. 18 Young People, 14.

The W. M. U. reports a membership of 624 in the W. M. S. societies, and 452 in the Young People's organizations. Total gifts reported for the year, $8,225.27; of this amount $1,782.76 was given to Lottie Moon Christmas offering. The women and young people were anxious to clear the debt we Baptists owed, so they gave $723.98 to the 100,000 Club. In the field of Mission Study we report 38 classes in the W. M. S., and 27 classes amongst the young people. Tithers reported W. M. S. 133, Young People 60. Literature subscribed to by W. M. U. members, Recorder 485, Royal Service, 265, World Comrades 74, Window of Y. W. A. 19. Societies grading A-1, W. M. S. Garland, Mt. Olive, Clinton Young People's organizations, Y. W. A. Clinton, Intermediate and Junior G. A. Clinton. Miss Katie Murray, dear to the hearts of all W. M. U. members young and old continues to witness for us in China.

Mrs. Hood, Young People's leader of the Association happily reported two Queen's Regent in G. A. Lynette Boney and Anne Crumpler; three Ambassadors in R. A., W. L. Crumpler, Jack Morgan, Charles Pope, these all of Clinton. Due to conditions the superintendent and Young People's leader did not accomplish all the things they wanted to during the year.

In January there was a Leaders Conference in Warsaw. 9 churches were represented. The Annual W. M. U. meeting was at Beulaville April 20. Miss Katie Murray, home from China, brought the inspirational message. Miss Kathryn Alee of Raleigh also was in the meeting and took an active part. The Young People had their meeting August 19 at Sharon. Rev. N. E. Gresham brought a very timely message to the young people. Miss Olive Sinclair gave the closing message of the day.

The next Annual W. M. U. meeting is with Siloam Church in April, 1946.

Respectfully submitted,

MRS. GROVER BRITT,
MRS. W. B. MURRAY,
MRS. H. C. COOK.

Motion by Rev. G. Van Stephens that the Association be asked to give its endorsement to the employment of Rev. Gilmer Beck to serve as Field Worker in the association at a salary of $2,500.00 (twenty-five hundred dollars per year). Motion adopted by standing.

Report on Christian Literature by Dr. R. F. Marshburn. Duly adopted. Comments also by Dr. R. F. Marshburn. Report follows:

REPORT ON CHRISTIAN LITERATURE

A free press has probably influenced American life more than any of the freedoms we claim through the first amendment to our Constitution. It has been the task and privilege of Christian people to seek in every way possible to make the free press a clean and pure one. As we scan modern

magazines which line the racks of any drug store and delve into the first-rate novels of our day, how can we cease to wonder when we fell asleep at our job! The average person one meets daily can converse rather intelligently on the Hit Parade, the latest gossip from Hollywood, rationing, which shows or night clubs are best, how to mix the tastiest social drink or the current comics—especially "Smilin' Jack." A well-read person should be able to converse on a variety of subjects; yet, the ignorance of our Baptist people concerning the life and happenings of our denomination is alarming.

Surely this is a day when we should read our Bibles more and more and urge others to do so. When someone asks for a good book to read we should be ready to suggest some soul-stirring story such as "Splendor of God" or "In His Steps" that we **know** from our own experience is Christian literature. When a person goes into a Baptist home he should have no difficulty in finding four Baptist publications—The Commission, Home Missions, Charity and Children, and the Biblical Recorder. In quality of reading matter, inspiration, and information, these are unsurpassed in church periodicals. Our Baptist Book Store can give us the best in Christian literature and lend encouragement in building up a good Church library in every church in the Eastern Association. May every church be encouraged to give careful and urgent consideration to this matter of Christian literature throughout the coming year.

Respectfully submitted,

R. F. MARSHBURN.

Report on Sunday School by Rev. J. V. Case. Duly adopted. Report follows:

REPORT ON SUNDAY SCHOOLS

"The truth shall set you free." The truth as it is revealed in the word of God is the guide into true freedom. Apart from the teachings of the Bible there is no foundation for character or any possibility of transforming men. Since a knowledge of God's Word is absolutely essential to Christian living and Christian witnessing all of us need to be sure that the Word of God is being taught in the church from Sunday to Sunday. We ought to be sure that we can say a Bible School rather than just a Sunday School. There is a great deal of difference.

Indications are that in the Eastern Association there has been a good increase in Sunday School enrollment and attendance this associational year. Let all of those who are responsible see that when people come they are really taught the Word of God in simplicity and purity. Our churches will not be better than the character of the individual member and that is determined primarily by his attitude and conception of the Word of God.

The Vacation Bible School is coming more and more to be seen as a must in the church program. Through this great opportunity there is Bible teaching to supplement that in the Sunday School. Through this avenue some children receive about as much Bible instruction as throughout the entire year. And also some get all the Bible teaching they receive through the Vacation Bible School! It is hoped that next year each Sunday School will do a better job of Bible Teaching and plan a Vacation Bible School.

J. V. CASE.

Report on Temperance made by H. L. Stewart. Duly adopted. Comments on report by Rev. G. Van Stephens. Report follows:

REPORT ON TEMPERANCE

By far the most serious moral problem for the people of this country today is the Liquor Problem. In the solution of this problem we seem to have failed to realize that the Church must take the lead. The use of liquor in many of the social affairs of the young people is getting to be all too frequent. Roadside places of amusement and filling stations in many of our counties serve wines and beer to our young people who are all too anxious to get in popular favor with the crowds. Statistics showing the amount of money spent for liquor and advertisements of liquor are easily obtained, but when read they are soon forgotten. This report would seek rather to lay on the hearts of our people the absolute need of clear thinking on this question which strikes at the very roots of our civilization and our Christianity, and to urge them to definite and positive action before it is too late. The liquor interest is rich and powerful and it employs the most experienced and best equipped advertising firms in the nation to put before the people attractive and seductive advertisements to lead them along the road to destruction. Moral and Christian character cannot be built on self indulgence and people—young and old need to be taught this fact. We have just four temperance lessons in our Sunday Schools each year. This is not sufficient to impress the truth about this question on the minds of our youth. We urge our Churches to use every possible means of bringing and keeping the facts about this evil before their members. They need to know in no uncertain terms about a habit that affects so deeply the physical, financial, moral and spiritual life of every citizen of the nation. The truth is often concealed by the friends of liquor. We need to lose no means of bringing it out in all its revealing and condemning clearness and severity.

Report on American Bible Society by Mac Herring. Duly adopted. Report follows:

REPORT ON THE AMERICAN BIBLE SOCIETY

During the year 1944 the American Bible Society distributed the largest number of Bibles in any single year of its history—12,403,541 volumes of scripture in one year. Moreover, six new languages were added to the list of those in which "some part of the Scriptures has been published." According to the Society, "The whole Bible has been published in 184 languages, a whole testament in 235 more; at least a complete Gospel or other Books of the Bible in 560 more; and selections in 89 more—making a total of 1,068."

But the request for Bibles far exceeds the number distributed. "In the first five months of this year more than three hundred requests for Scriptures for prisoners of war were received, calling for everything from a single Greek Testament for a German prisoner studying theology to the request of the Theatre Chaplain, European Theatre of Operations, for everything in German that could possibly be sent. From General Alexander, commanding the Allied forces in Italy, came a request relayed through the Archbishop of York and the British and Foreign Bible Society for 10,000 German Testaments for use in the camps in Italy. Also from the British and Foreign Bible Society came a request for 50,000 German Testaments and 150,000 German Gospels for prisoners in camps in England."

Such work cannot go on without adequate support on the part of interested persons. Money must be given. " . . . There was still a deficit of $292,912.44 in the War Emergency Fund on December 31, 1944." So the gifts for 1945 must be higher. During 1944 Southern Baptists gave 7/10 cents per member or $1.30 per church.

From Thanksgiving to Christmas this year, the Society is seeking to promote Worldwide Bible Reading, telling what the Bible will do for those who read it, and making suggestions on "How to Read" the Bible. Information may be secured from any office of the American Bible Society. This Society is doing a great work. Its cause is worthy of your support.

Respectfully submitted,

MACK HERRING.

REPORT OF BAPTIST TRAINING UNION

The Training Union of Eastern Association held a Mass Meeting in Warsaw in the evening of April 24. Fifteen churches were represented. Rev. R. W. Fitzgerald brought the inspirational message.

In June, State Secretary Harvey T. Gibson and twenty-four co-workers led us in a Training Union Revival. 924 were enrolled in the classes, 16 new units were organized, and 556 awards were requested. The following churches cooperated: Calypso, Clinton, Dobson's Chapel, Evergreen, Hallsville, Johnson's, Mt. Gilead, Mt. Olive, Rose Hill, Rowan, Shiloh, Turkey, and Warsaw.

The coming important date for us this year will be December 7, which is the date set for our Southwide Associational Training Union Mass Meeting.

How often it has been said the farmers have more faith in God than any other class of people. Year after year they go back to the same task, regardless of past failures, preparing soil, planting, cultivating, never conscious of any monotony because of doing the same thing year after year, always hoping for and expecting a harvest. Common sense and experience teach them that, if they omit any part of the usual procedure, unless supplemented by something better, the harvest will show that lack.

The Training Union has a carefully planned program to be followed year after year. In March comes the time for Study Courses, as well as the annual contests in Memory Work, Bible Drills, and Better Speaking. April is the time for the Observance of Youth Week, followed by Christian Home Week in May. In June and July our prayers and plans center around Ridgecrest. September brings Intermediate Emphasis Week, and October is another Month for Study. Then throughout all twelve months we seek to win lost souls to Christ and become better workmen through daily Bible reading.

Surely such a program should challenge our hearts to have and manifest the same loyal faith and practice of our friend, the farmer, as we begin again at the beginning of each year, at the same Training Union tasks, following the same plan through, never omitting any part of it but laboring to turn past failures and mistakes to Victory through Christ, always hoping for and expecting a harvest.

Respectfully submitted,

MRS. G. S. BEST.

Report on Orphanage made by John O. Howard. Duly approved. Report follows:

ORPHANAGE REPORT

Brother Moderator: The year covered by the last official Orphanage report, 1944, was in many ways one of the very best.

A total of 623 children were cared for at an average daily cost of $1.30, only a very slight increase over that of 1943. Morale among the children was high, due to good health, educational, and moral conditions. We may be sure our orphans do not lack any essentials.

The various projects and departments of the Orphanage—building, plants, farms, dairies, Charity and Children—also gave good reports, as to operating efficiency and upkeep. This, in the face of shortages and handicaps attendant upon the war, speaks well for the staff and employees.

Now that peace has come, we face a great challenge: We, as Baptists,

and indeed as good citizens must let absolutely nothing take priority over the welfare and happiness of these youngsters who are without the most precious possession of childhood: A mother's and father's love and care. Furthermore, we must resolve to make it possible to greatly increase the capacity of the Orphanage as to the number of children admitted and cared for.

In the Name of Him who loved childhood second to none, I respectfully submit this report.

JOHN O. HOWARD.

Comments to Orphanage Report was made by Dr. I. G. Greer of Thomasville, in which he said that in every 12 seconds a child was born in the United States, and that we are in the presence of a future president of 1988 so let us help to make that boy to be that man.

Report of nominations for Program Committee for 1946 Annual Session submitted by C. E. Crawford. Duly adopted. On this committee also were C. H. Pope and C. A. McLemore.

Report of nominations for Committee to Nominate the Executive Committee was made by John W. Lambert, chairman. Duly adopted. On this committee also were Mrs. L. F. Thornton, and M. R. Herring.

Moderator asked for an offering to pay expenses of Rev. Gilmer Beck from Lexington coming in interest of the associational Field Work. Amount was $10.00. The offering was taken which totaled $26.55. Ten dollars was paid to Rev. Beck and the remainder of $16.55 turned over to F. W. McGowen to be applied on Rev. Beck's salary as association Field Worker.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORT OF BEVERAGE ALCOHOL AND THE ALLIED CHURCH LEAGUE

The basic wrongness of beverage alcohol is set forth in the Holy Scriptures, in history, and in the social order which we live today. The defiling of the body, the dwelling of the soul, and the temple of the Holy Spirit is alcohol's greatest sin, as well as its greatest peril—"Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy, for the temple of God is holy, which temple ye are." (I Cor. 3:16-17). From a moral standpoint the use of beverage alcohol is most sinful. It goes hand in hand with cruelty, adultery, fighting, and murder. The path of its users has been, is, and will be one of destruction and blood.

In spite of all this evil, even worse than human tongue or pen could well describe, we still have in North Carolina, 25 counties selling legalized liquor. These sold, last year, in whiskey alone, $33,131,904.08. America's whiskey bill last year was $7,800,000,000. This was $58 per capita for every man, woman, and child in America. Think of the tons of sugar and grain required for this, while millions starve! Three distillers declared profits, last year, of approximately $47,000,000.

What are we doing to combat this awful evil? The Allied Church League for Abolition of Beverage Alcohol, representing some twelve or more protestant denominations is doing a great work, and plans to do far more with the cooperation, and support of the Christian people of North Carolina. Bro. L. A. Martin, Executive Director, and Editor of "Tomorrow," a monthly paper for the promotion of the dry cause, has an enlarged staff of workers. and the truth is being given to the people about beverage alcohol, all over North Carolina.

What should each of us as individual Christian citizens do? 1. Drink right, talk right, vote right. 2. Encourage the teaching of the evils of beverage alcohol in home, school, and church. 3. Emphasize the necessity of every Christian standing true on the subject. 4. Refuse to subscribe to any publication which carries whiskey ads. 5. Try to elect the right persons to office. 6. Stand by the Allied Church League.

G. VAN STEPHENS.

REPORT ON STATE MISSIONS

As the denomination has grown, the task of State Missions has constantly increased. Evangelists are still being provided who create the desire for churches. These churches in turn need aid for sites, buildings, and pastors. Heretofore, this has been the heart of all State Mission work.

As churches have multiplied and membership increased, the need for teaching and training has brought about the departments of Sunday School, Training Union, and Baptist Student Union work. These departments are reaching out to the remotest churches, helping to provide a trained leadership for the local churches, and supporters for the whole denominational program.

More recently help has been given to provide associational missionaries. These work as pastors-at-large, doing local and state mission work in respective associations.

Also training for ministers already in service has been provided through schools for pastors, running for a week, and in some instances for six weeks.

Popular educational programs have been provided in summer assemblies and retreats at Ridgecrest and elsewhere, to help produce a trained and consecrated leadership.

Help is still being given to work among Indians in Robeson County, to Negro Baptists in their state mission work, to a visitation program in Veterans' Hospital at Oteen, Sanatoriums at Aberdeen and Black Mountain, to girls at Samarcand, and to four City Mission Centers.

The newest addition to State Missions is the Department of Visual Education and Radio.

While much has been undertaken and accomplished, far more remains to be done. May we support heartily, therefore, an aggressive State Mission program for His glory.

Respectfully submitted,

R. F. MARSHBURN.

REPORT ON THE MINISTER RETIREMENT PLAN

The cooperation of the pastors, churches and State Convention has made possible the future financial security and retirement for the aged and tired minister.

Few ministers command a sufficient salary to enable them to retire on their own savings. The Minister Retirement Plan gives the church an opportunity to help the disabled and retiring pastor to face the future and old age cheerfully and with courage.

A present movement, known as "The Widow's Supplement Plan" is underway. This plan is for the future protection of the minister's wife and is made possible by payment of a small percent of the minister's salary. This plan is still in the experimental stage and depends entirely upon whether enough pastors are interested in this phase of the plan. It is hoped that this will be in effect by January first.

REPORT ON HOME MISSIONS

The Missionary task committed to us by our Master is so general that it extends to all the world. It is so specific that it includes every individual. The Home Mission Board assumes that the strategic approach to our world-wide task is the home land. Christ must rule in the homeland if we expect to win victories for Him in the land afar.

During the past year our Lord has richly blessed our work in every field. The Board added 153 missionaries to our force, opened 82 mission stations, acquired 54 pieces of mission property. During the year the missionaries distributed over 29,000 Bibles, Testaments and portions of the Scripture. They gave out more than 1,900,000 tracts; they delivered over 53,000 sermons and addresses; they led more than 15,000 people to Christ, and received into the fellowship of the churches 11,911 members. The Board employed last year 654 missionaries, including 71 student missionaries who worked during the summer. This total force preached the Gospel to the Indians, Mexicans, Spanish-Americans, the Jews, the Italians, the French, the Cubans, the Chinese, the Russians, the underprivileged in the crowded industries sections and slums of the cities in forty-two of the great cities in the territory of our Convention, in rural work in cooperation with thirteen state mission boards, to the millions of Negroes in the homeland, the boys in the army camps and in Cuba, Panama and Costa Rica.

The Board's monthly magazine, Southern Baptist Home Missions, now has a circulation of above 115,000. The total distribution of all books last year was well over 100,000. Baptists everywhere should read the Home Mission magazine which costs only 25c a year or only 20c to the Church taking it according to the Club Plan.

Respectfully submitted,

C. E. CRAWFORD.

REPORT ON FOREIGN MISSIONS

One of the greatest agencies for the prevention of another world conflict, as well as the carrying out of the Great Commission is the Foreign Mission Board. During the first century of our foreign mission work, we have sent out 1,347 soldiers of the cross to 20 nations. This includes 44 appointed the past April. At the close of the century, one-half million Baptists were represented by one-half hundred missionaries.

The second century of our work presents open doors, but strong adversaries. We live in a compact world with transportation, and communication greatly accelerated, with a more intimate acquaintance with the whole world, and many calls for preachers, teachers, and medical missionaries to help build a war-wrecked world; a world which presents so many opportunities to give the true Gospel of God, where human philosophies, and religions have failed. Our indifference, Roman Catholicism, Communism, Mohammedanism, and inconsistent living of professed Christians are among our greatest adversaries. Racial and religious tensions, national, and international conflicts are also hinderances.

We believe that Christ is the Way, the Truth, and the Life; that He will conquer, if we go forth in His Spirit and Power, and in obedience to His Command. There must be a greater zeal, interest, and liberality than heretofore.

The immediate, and urgent task of Relief and Reconstruction must be responded to now. Multitudes of people are starving, now; tomorrow will be too late. Half the population of the world, more than a billion are without sufficient food. Then, there are multiplied millions starving, either rapidly or gradually, and without homes, and the necessities of life. The 3½ millions of dollars, which we have recently been called upon to give, is

only temporary relief, and our efforts will have to be continued through our Cooperative Program to the Foreign Mission Board. Rehabilitation; providing buildings and equipment for churches, schools, hospitals, and missionaries' homes, many of which have been destroyed. Instead of 560 missionaries, we should send, at least, a thousand, within the next year. The program must be enlarged. The Convention in Miami, the past May, enthusiastically endorsed such a forward step.

Missionaries are returning to China as rapidly as possible—some forty have already gone. Dr. Rankin, Executive Secretary, and Dr. Cauthen, Regional Secretary, of the Orient left in June to make a first-hand survey of the situation. Dr. Geo. Sadler recently spent some time in Europe and the Near East in order to plan for our missionaries to return to mission fields in those countries. Dr. Everett Gill is spending two years in Latin America in cooperation with our workers there. Good news comes from the fields there. Urgent calls come from awakening Africa as she learns of conditions elsewhere, in the world. Our missionaries, there, are breaking under the terrific load, and reinforcements are desperately needed.

We have before us one world—baffled, disturbed, seetheing we have before us life and death, light and darkness, salvation and destruction; the Power of Christ, and the power of an advancing scientific and materialistic age. The clock of opportunity is striking; the door of opportunities is opening. Will we hear, see and enter, or will we pay the price with a wrecked, devastated, bewildered, and lost world.

G. VAN STEPHENS.

ORPHANAGE REPORT

The cause of the Orphanage forever strikes a responsive chord in our hearts. The plaintive and touching appeal made to us by helpless childhood pleading for a chance cannot be ignored. The eloquent lives of those who in past years were given a chance, and many of whom now occupy places of responsibility and trust, show the wisdom of our investment.

The sixty-fifth annual report presented by Supt. I. G. Greer to the Board of Trustees at the close of 1945 was, in many respects, one of the best. The report, in addition to other features, summarizes the farming activities and shows substantial gains in farming and stock raising. In these meatless days it is gratifying to know that the Orphanage produced last year nearly 50,000 pounds of hog meat; 17,000 pounds of beef, and over 8,000 pounds of fried chicken. Our officials are seeing to it that the children will not go hungry. Reports of activities in other lines are equally as gratifying.

The backwash of war is presenting to Orphanage workers some very acute problems. One of these is the inability to secure material for needed repairs and for new buildings. When this material becomes available our Orphanage must expand. Our most serious concern today is how to meet the problems in the ever increasing number of broken homes. A total of 700 children were under care during last year. Applications for 212 children, however, had to be shelved for the time being. Many more applications would have been received if facilities had been encouraging.

Your Committee, Brother Moderator, recommends that each and every Sunday School in this Association contribute at least one Sunday's collection each month to the Orphanage. It is also strongly suggested that our Thanksgiving Offering this year, prompted by our unstinted love for little children, be made as large as possible.

In the Name of the Great Emancipator of all childhood this report is respectfully submitted.

N. E. GRESHAM, Chairman.

REPORT OF THE COMMITTEE OF THE GENERAL BOARD OF THE N. C. BAPTIST STATE CONVENTION ON THE NORTH CAROLINA BAPTIST HOSPITAL

After extended consideration and study, and following numerous conferences with members of the Baptist Hospital Board and administrative staff, your committee respectfully submits the following report:

I. FINDINGS

1. The North Carolina Baptist Hospital urgently needs the proposed new 140-bed South Wing for the following reasons:

(1) Present lack of beds renders the hospital unable to admit all service and pay patients now seeking entrance for treatment.

(2) The growing Mother's Day Offering supplies funds but does not provide space in which to treat those needing medical and hospital service.

(3) The Hospital has been able to offer and enlarge service to charity patients only because of free service rendered such patients by the physicians and surgeons on the faculty of Bowman Gray School of Medicine.

(4) These doctors are supported principally by fees earned from their own private paying patients. At present, the number of beds for such patients is very small. The Hospital must and does reserve a large proportion of beds for service patients.

(5) Bowman Gray School of Medicine now needs certain new departments of instruction if it is to maintain its A-1 four year medical school rating.

(6) The needed faculty members cannot be supported unless they are provided bed space for their private patients. Such provision is utterly impossible unless the new South Wing is erected.

(7) The presence of those new specialists would enable the Hospital to offer charity patients services much needed but not now available.

(8) The new South Wing, furnishing as it will beds for those able and willing to pay for hospitalization, would provide a small daily margin of operating income for the Hospital.

2. The Hospital now receives through the Cooperative Program as its percent share, approximately $80,000.00 per year. Its present indebtedness is $155,000.00. This is being and will be retired according to a schedule well within the means of the Hospital by the Hospital Board.

3. It is estimated that the cost of the new South Wing will be $800,000.00 plus $200,000.00 for space for offices for the private diagnostic clinic. This $200,000.00 has been subscribed by the doctors, contingent on the approval by the Convention of the erection of the new South Wing. The clinic facilities are to be incorporated in the new structure, thus making the project a $1,000,000.00 program, to be executed in 1947 and 1948.

II. RECOMMENDATIONS

In the light of the foregoing facts and findings, your committee recommends that the Baptist State Convention of North Carolina and the Trustees of the Baptist Hospital undertake as a joint enterprise the completion of the South Wing project as outlined in paragraph 3 above.

1. The Hospital Board will assume any remaining balance of the present $155,000.00 indebtedness as of January 1, 1947, and will undertake to raise $600,000.00 of the total amount needed. The Board will secure this amount as follows:

(1) $200,000.00 from doctors on the staff.

(2) Additional gifts and pledges from other friends of the hospital and from endowments and foundations interested in the institutions.

(3) From profits resulting from the rents of rooms to paying patients.

(4) By borrowing up to $250,000.00, if necessary, on mortgage of the hospital properties.

(5) As a last resort, and only if absolutely necessary, to use all funds above the first $80,000.00 of the Mother's Day Offering each year until all indebtedness on the property shall be retired. It is understood that the first $80,000.00 of this offering shall in any case be used solely for hospitalizing needy persons.

2. The Convention as its share, will advance as needed in anticipation of Cooperative Program funds to be allocated to the hospital, an amount not to exceed $400,000.00. The hospital's percent share shall be retained in the Raleigh Office, beginning January 1, 1947, until such time as construction of the new South Wing shall lead the hospital administration to call for those funds. The hospital's percent share shall be administered by the Raleigh Office until such time as the maximum amount of $400,000.00 advanced shall have been repaid. In no event shall this advanced sum exceed four tenths of the cost of the total project outlined in Section 1, paragraph 3, above. When all obligations entailed by this advance shall have been discharged, the Raleigh Office shall remit to the hospital, as before, its percent share of the Cooperative Program.

3. It is urged that every effort be made to retire all obligations arising from this project by December 31, 1951.

4. The Baptist State Convention is requested, by appropriate resolutions, to authorize, instruct, and empower, the General Board and the Trustees of the Baptist State Convention to do all things necessary to effectuate these recommendations.

Respectfully submitted,

J. B. SESSOMS, for the Committee.

REPORT ON AMERICAN BIBLE SOCIETY

The Bible was first written in Hebrew, Greek and Aramiac languages. The first copy was printed by Joham Gutenburg, between 1450 and 1456 at Mainz, Germany.

The first Bible printed in America was for the Indians of Massachusetts in 1663, in their own language. The first English Bible printed in this country was printed by R. Aitben, in Philadelphia in 1782. Since that time some parts of the Bible have been translated into 1,068 languages and dialects.

The entire Bible has been published in 185 languages. The complete New Testament in 237 languages.

The American Bible Society sells Bibles at low cost to those able to buy them. They give away large numbers to those who are unable to pay. Since 1816 the American Bible Society has diligently pursued one fixed policy to supply the scriptures to every person without a Bible. The society has sought no profits and has freely given away millions of volumes.

The conclusion of the war with Germany and Japan has not materially changed the emergency demands for Bibles but, has caused changes in individual items of the original estimates. The number required for the Army and Navy is reduced but on the other hand the needs of civilians in devastated areas is greater than has been anticipated. Would it not be well for the churches in this association and throughout the southland to include in their budgets a reasonable amount to aid the American Bible

Society in carrying on its great work? The Bible and its teachings, not bombs, is the world's imperative need. The Christ of the Bible can heal the war weary peoples of the earth. We cannot afford to do less than our best in this crucial hour. All else has been tried and failed.

SUNDAY SCHOOL REPORT

In any consideration of the Sunday School we must always be grateful for the work that it has done. In spite of its inadequacies it has meant far more to the extension of the Kingdom than we can realize. When we remember that about nine out of every ten Christians come out of the Sunday School then we realize afresh its great opportunities and possibilities.

The teaching of the Bible presents one of our most challenging opportunities today. Since so much power has been discovered in the physical world, the crying need is for men with Christian character to be qualified to handle such physical might. There can be no real character apart from the acceptance of Christ and His teachings. It behooves those who are in places of teaching responsibility to give themselves so completely to their task of making Christ and His way of life known that men shall be constrained to walk therein.

Concerning our own association this year we have had an increased attendance in most of our Sunday Schools. There have been more study courses than for several years. And thanks to Bro. Crawford and Bro. Beck we have had the most Daily Vacation Bible Schools ever held in one year, the number being around 30. Our task ever remains of increasing the number of pupils taught, and increasing our efficiency in teaching the Bible truths so that not only shall they be learned, but most of all practiced.

J. V. CASE.

REPORT ON CHRISTIAN EDUCATION

Christian education includes a great deal of territory. In large outline the purpose of Christian Education is to bring out in accordance with the plan of Christ the very best in redeemed personality.

Education without Christ has little to offer a broken world. We have just barely emerged from a world conflict that was to a great extent started by one of the most educated centers in the world. It was a partial education having left out the fundamental element of redemption.

Today presents one of the most glorious opportunities for Christian leadership that the world has ever witnessed. The cry everywhere is for men who can point the way in a dark world. Where can we turn for such men? Surely our churches, colleges, and seminaries that teach men how most adequately to reflect "The light of the world," must come to our aid. This is what Christian Education must ever seek to do. What a tremendous responsibility!

The unprecedented opportunity and enormous responsibility that is upon us now demands immediate action. Our Christian Educational institutions must have a larger support if we are to meet the demands of the hour. Let us support them with our means and our prayers.

Respectfully submitted,

J. V. CASE.

REPORT OF THE ASSOCIATIONAL MISSIONARY

The first day of November 1945 marked the beginning of the work of an associational missionary in the Eastern Association. This association missionary report begins with that date and ends with the last day of August 1946.

The pastors, leaders and churches have cooperated in a marvelous way with the associational missionary in the pursuit of a greater associational program, and have labored diligently in the promotion and completion of such a program. As a result, much progress has been made throughout the association this associational year.

The records reveal that the associational worker has preached forty sermons, made six addresses, led one devotional service, led two prayer meetings, attended twenty-six conferences, taught ten study courses with forty-three classes, attended three conventions, published two bulletins, served as secretary of the Pastor's conference, assisted in the organization of one mission Sunday School, assisted in the ordination of deacons at Rose Hill, enjoyed seven church socials, worked in two revivals—Union

Grove and Alum Springs, attended one pastor's school at Wake Forest, attended a deacon's school at Warsaw, worked in four Vacation Bible Schools with twenty-eight days of teaching and commencements combined, made three hundred and eighty visits, written numerous letters and cards, assisted in showing the picture, "The Romance of a Century", assisted in the promotion of a School of Missions in the association, attended a training period for associational workers at Meredith, and in February 1946 conducted a Sunday School Planning Conference in seven churches. The missionary has traveled approximately eleven thousand miles in ten months and has made many contacts with people in the association. This gives a total of ninety-nine messages, including sermons, addresses, devotions, study courses and prayer meetings.

The work of the associational missionary is new in North Carolina as well as in the Eastern Association. There is no definite way to measure the good that an associational worker does as he works in an association. He has the job of promoting the whole denominational program in the association as well as magnifying the local church. It is his job to help define and plan the entire associational work. Many discoveries have been made this year, which, if used to an advantage, promise opportunities for a greater associational program next year.

In other associations the associational missionaries are provided with small associational offices. These offices enable the missionaries to make more contacts with individuals and promote the associational program in a more systematical way. We hope to have such an office in our association in the near future. It has been proved a good plan for each church to elect a reporter to report news items to the associational office. There should be a planning committee of not less than five to meet with the associational worker to define and plan the work of the missionary.

The good of this missionary program might be measured to a degree in the results set forth in the various associational reports. However, there is no plan by which we are able to determine the good done by any one of the agencies responsible for the work, for it takes the full cooperation of all concerned to promote any program. Therefore, we must consider the results of the various associational programs promoted, and in some way determine in our own minds the good that has been done.

Respectfully submitted,

GILMER J. BECK,
Associational Missionary.

MISSIONS EDUCATIONAL REPORT

Many organizations woo our young people—organizations good, bad, and indifferent. Should not the church with all its missionary compulsion foster through Woman's Missionary Union these definite missionary education organizations which provide good fellowship, pleasant projects and handicraft, recognition of individual prowess? Sunday services are not enough to build well-developed Christian lives. Mid-week activities must be equally attractive to compete with those of nondenominational or purely social character, lest our young people decide that Christianity is merely a one day-in-seven affair. In missionary education is service material for all the most fascinating projects imaginable. Use it through Sunbeam Band, Girl's Auxiliary, Royal Ambassador Chapter and Young Woman's Auxiliary to tie your young people onto the church whose primary function is missionary.

"We've a story to tell"—are we telling it? In our association last year we had reported 33 Mission Study Classes in the W. M. S. and 23 in the Young People's Organizations. We had nearly one-half as many reported during the first quarter of 1946.

"Now is the time for missionary conquest. By every sign God has ever used to make known His will to His children He has written this fact across the world. There is an urgency in His call which we must not evade. What we do, we must do quickly."

We are face to face with a fact our minds refuse to accept. We must give Christ to the world—or die!

Respectfully submitted,

MRS. H. S. HOOD.

TRAINING UNION REPORT

During the past Associational year the following Training Union Meetings were held: An Executive Meeting on November 5, a Mass Meeting December 7, where plans were made and goals set for our 1946 year's work, another Mass Meeting March 17 when our Young People's Contests were held and two Group Meetings in June, one at Ingold church, another at Rowan. A good attendance and much interest in Training Union work characterized each of these meetings.

Juniors and Intermediates from Rose Hill, Corinth, Rowan, Clinton, Calypso, Johnson and Warsaw churches took part in the Memory Work and Sword Drills in the Associational Try-Out at Warsaw, in the Regional contests at Lumberton, and again in the State contests at Ridgecrest, several being winners there.

The outstanding Training Union for 1946 in our Association is that of Johnson's Church. It has been A-1 for three successive quarters. Rose Hill is a close second, having been A-1 for two quarters.

While less than half our churches are active in Training Union work, a check-up would reveal that these churches that are active have been so over a period of from ten to twenty years. A further check-up would reveal that within the churches with these years of study and training are to be found adult Baptists who are consecrated, informed, and aware of present world needs. Within these same churches surely could be found many young people, capable of serving in responsible and needy places at home, abroad, any place wherever our denomiantion uses or sends workers.

Our Home and Foreign Boards have sent out call after call for trained workers. Is Eastern Association furnishing its quota of these workers our Boards need? Are enough of our Young People answering these urgent calls that are being sent out? Furthermore, are enough of our Juniors and Intermediates thinking on this matter of definite Christian service? Are we Directors, Presidents, Leaders in each local church ever pointing out to our youth a needy and lost world? Are we holding up before them that greatest of challenges of Jesus "Whosoever will lose his life for My sake, the same shall save it"? Are we praying day after day that the "Lord of the harvest will send forth laborers, into His harvest"? If not, why not?

May we not be satisfied until we shall so place "Christ Above All" in our daily living that from every church in our Association, boys and girls shall begin to say to that Lord of the harvest, "Here, Lord, send me."

Training Union discovers talents. Training Union trains for service. Are the Training Union members of Eastern Association burying their talents?

Respectfully submitted,

MRS. G. S. BEST.

W. M. U. REPORT

Another year has slipped by, our successes and failures have been recorded. We must not be satisfied with the things we have achieved, but may we strive harder to accomplish more, as we've a story to tell to the nations. Our Women and Young People are trying in a very humble way to acknowledge Him through the chief aims of our W. M. U. work.

Reported in the Eastern Association last year—27 W. M. S.; 5 Y. W. A.; 11 G. A.; 11 R. A.; 18 Sunbeam Bands. A total of 79 organizations with a membership of 1,558. Four churches reported a full graded union.

Organizations reporting Community Missions 19. Mission Study Classes reported 56. Tithers reported 219. Societies reporting season of prayer for Home Missions 35. Foreign Missions 32. Home Missions 34. Total gifts for the year $8,916.45. $4,480.75 was given by the Women and $1,172.20 given by the Young People.

In January a Leadership Conference was held in Clinton to plan the W. M. U. work for the year. Nine churches were represented at this meeting.

April 19, the Annual W. M. U. meeting was held at Siloam. 27 organizations were represented at this meeting. The theme for the meeting was: "Christ for the World." Mrs. John Wacaster Field, representative, gave a very helpful message on "The Urgency of Making Him Known." Miss Florence Lide, Missionary of China, brought a most interesting message on "The World for Christ." Officers elected at this meeting. Mrs. Grover Britt, Clinton, Superintendent; Mrs. G. Van Stephens, Warsaw, Associate Superintendent; Mrs. C. E. Crawford, Calypso, Secretary. Mission Study Chairman, Mrs. James King, Mt. Olive; Stewardship Chairman, Miss Macy Cox, Magnolia; Community Mission Chairman, Mrs. M. O. Summerlin, Mt.

Olive; Training School and Margaret Fund Chairman, Mrs. J. V. Case, Rose Hill; R. A. Counselor of Association, Rev. G. Van Stephens, Warsaw; Obituary Chairman, Mrs. Henry Middleton, Warsaw.

June 27, "The Young People's Rally" was in Clinton. "Bridge Builders" was the theme of the program. Mrs. S. L. Morgan of Dunn brought the inspirational message. Her subject, "Today's Bridges." The day was partly spent in Mission Study, with a class for each group taught. Mrs. E. J. Morgan and the G. A.'s who had progressed in their forward steps put on a "Coronation Service" in the afternoon, after which followed a "Consecration Service" led by Mrs. S. L. Morgan. Several young people gave themselves for definite Christian service at this time.

Reported in the Association last year were 9 A-1 societies, W. M. S., Clinton, Garland, Johnson, Mt. Olive, Warsaw. Young People, Clinton Intermediate G. A., Clinton Junior G. A., Rose Hill Junior G. A., Clinton Sunbeam, Grading B. W. M. S. Garner's Chapel, New Hope, Rose Hill, Rowan, Siloam. Young People, Mt. Olive, Y. W. A., New Hope Sunbeam.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORT ON CHRISTIAN LITERATURE

While the close of the recent World War called for the cessation of hostilities, it did not end all the war. Another war was left raging, and is still raging,—the war of ideas. This ceaseless struggle goes on, as someone points out, between "the ideas of totalitarianism and democracy, collectivism and free enterprise, authoritarianism and freedom, extreme nationalism and sane internationalism, militaristic domination and harmonious co-operation, secularism and spiritual values, indulgence and self-control, formalism and faith, works and grace, the kingdom of Satan and the kingdom of Christ."

The chief medium to be used in this warfare is the printed page. The forces of evil are making full use of the printed page, and it may be that in this case as in the case of those who propagated evil in Jesus' day that "the children of this world are wiser than the children of light." An author recently sent the manuscript of his novel to a certain press for publication. While it was the author's first novel, the manuscript was returned with the comment, "It isn't dirty enough." Happily another publisher was found for this clean, interesting novel. But do not blame the publisher too much for not publishing the book, you must also blame the people who buy and demand dirty literature. But it is encouraging to note also that this same publisher pointed out that the demand for dirty literature is not as heavy now as it was at the end of the recent war. There has been a slight change to better taste in reading. But the war still rages.

Southern Baptists, battling against these evil, inhuman, and false ideas, now have presented to them sixty different periodicals published through the Sunday School Board. These sixty periodicals are seeking to do their part in this war. "They are designed," according to Clifton J. Allen, Editorial Secretary of the Board, "to encourage Bible study, to lead to personal faith in Christ, to cultivate Christian character and consecration, to develop faithful workers and skillful leaders in our churches, and to motivate worthy participation in the cause of world redemption."

As Baptists, assuming our part of this war of ideas, we must make full use of our chief medium—the printed page. Many can write to fill the printed pages, many others with a careful eye will guard the pages, and all of us can read the pages—not only silently but audibly. Let these printed periodicals from our Sunday School Board make full use of their ministry. Let no Baptist Church be without them. Let no Baptist withdraw from the fight!

Respectfully submitted,

JOHN W. LAMBERT.

REPORT ON STATE MISSIONS

The aim or the purpose of State Missions is three fold: In the first place activities are promoted which develop a Christian state, that is evangelism and training. Winning the lost and teaching the "found" develop Christian citizenship. In the second place, an aggressive State Mission program is essential to the growth of the denomination, and to its morale. In the third place, all missions—State, Home and Foreign—all schools, colleges and seminaries, and all benevolent agencies depend upon State Missions as their basis of supplies. For example, through State Missions people are won, churches are established, and the membership trained. As the churches grow, they in turn support not only State Missions, but the entire Baptist program.

To begin with, the work of State Missions was largely one of providing evangelists who created the desire for churches. These churches then needed aid for sites and for buildings, and likewise aid for the support of the pastor who served them. In many states of the Southland, perhaps one half or more of our present churches are trophies of State Missions. And even now there are expanding areas in and around our towns and cities waiting for the appearance of a State Missionary.

Another task presented State Missions with a challenge which it has partially met: as the churches multiplied, and the membership grew, there arose the need of teaching and training these members. Hence came the department of Sunday School and Training Union as additions to the well established work of State Missions mentioned above.

Also there has been recognized in recent years the need for additional training for ministers already in the service. Many of them have not had the privilege of attending college or seminary. To meet this need schools for pastors, running from one week to, in some instances, six weeks, have been inaugurated.

I should mention the educational program in summer assemblies and retreats, designed to provide the denomination with trained and consecrated leadership. Perhaps the newest addition to State Missions is the Department of Visual Education and Radio.

Through State Missions much has been undertaken and much has been accomplished, but far more remains to be done. There is no state in the South that can truthfully be called a Christian state. Southern Baptists now number more than 5,000,000, there are in these southern states perhaps 10,000,000 people who are possibilities for our present churches and for those which should be established. No Christian state nor powerful denomination can be built without an aggressive State Mission program which actually gets the work done.

A. L. BENTON.

THE ALLIED CHURCH LEAGUE

The Allied Church, composed of about a dozen protestant denominations, continues to wage battle against this awful, and destructive enemy of mankind, demon alcohol. There is opposition within and without the churches. Many church members continue to drink beverage alcohol, and to stand out against prohibition. The politicians with almost every conceivable scheme of trickery, and confusion carry on in favor of the distilleries, and the breweries. They are made richer, while we become poorer. The politicians, and wets cry, "Taxes, Taxes," while little children, and wives cry for kindness, and for the necessities of life. Insane asylums, institutions for nervous disorders, courts, and penal institutions are overflowing, and many of the crowded conditions are due to beverage alcohol. The highways, and by-ways run red with blood in many places from accidents, and crimes caused by drunken drivers, and enraged alcoholics. All this goes on while millions are hungry, and thousands starve. Precious grain is used for distilling alcohol by the thousands of tons, while it ought to be used to feed a hungry world.

Against such conditions the Allied Church League is working. From platform, pulpit, and press these leaders strive to awaken the consciences of the people to the facts of beverage alcohol. They strive to expose the unfair, and unpatriotic practices of the politicians. They tell about the great waste in money, and the destruction of character and life. They assist in the organization of counties to fight against the evil. They help

to wage battle when the question is brought to the ballot box. Whenever, and wherever they have time, and opportunity to strike a blow against this demon, they are on the job.

Just how much good the Allied Church League has done, no one will ever know. We must keep up the fight, and what better way can we go about rallying our people to a sense of their duty than by this organization? A good slogan to practice, and pass on to the other fellow is: "Drink right. Vote right. Be right."

Respectfully submitted,

G. VAN STEPHENS.

REPORT ON MINISTERS RETIREMENT PLAN

In 1940 the Baptist State Convention in cooperation with the Southern Baptist Relief and Annuity Board, worked out a plan whereby the ministers, the churches and the Baptist State Convention could cooperate in a plan to take care of who by virtue of age, disability were unable to carry on their regular work, could retire with some degree of financial security.

In this plan the ministers and the churches pay 4% of the salary paid the minister, and the State Convention pays 2% thus creating a fund for retirement. This plan is a protection not only to the minister but also to the churches for in this way the ministers are assured security without the burden falling on some particular church in some moment of emergency.

In addition to this, there is a plan known as the Widow's Supplement Plan, under which a small additional per cent may be paid and the widow of the minister will receive a retirement fund at the death of her husband.

It is urged that all of our churches that are not participating in this Plan will consider the matter seriously and join with their pastors in providing the Retirement security.

Respectfully submitted,

A. L. BROWN

REPORT ON FOREIGN MISSIONS

Without doubt one of the most compelling motives that prompted our forefathers in 1845 to organize the Southern Baptist Convention was the cause of Foreign Missions. This same great cause remains today our chief reason for continuing as a militant body for Christ. Remove from us our interest in Foreign missions and you will remove the core around which the fruit of our labors for the Kingdom has grown. We are here today because of our concern for missions and no interest in missions has grown to the stature of manhood until it includes the whole world.

It is a far cry from that date, 102 years ago, when the Southern Baptist Convention was organized, to the present; and yet, comparatively speaking, so little has been done. This is not said to discredit the much that has been done of which we are so justly proud. But the teeming millions of people without Christ present an ever increasingly, important challenge to us. The opening of new vistas and the charting of new courses afford for us opportunities such as Christians have never had before—the big opportunity to really fulfill the Great Commission of the Great Teacher.

No Christian, and no member of the Southern Baptist Convention, and no one within the bounds of this Association can afford to rest on his laurels as long as the world is in the condition it is today. With approximately

two billions of people on the earth, with less than a quarter of these even nominal Christians, how can we be happy until more, much more, has been done for our Saviour's Cause?

We have in the Southland a constituency of five and one half millions of Baptists, and yet this large body has, during the entire period of over one hundred years, sent out fewer than five thousand foreign missionaries. Today these five and one half millions of Missionary Baptists have only about five hundred and fifty missionaries in all of the foreign fields. Think of it! Only one missionary for each ten thousand Baptists. The per capita of contributions for this great group of Christians for the year of 1946 was only about 70 cents!

In conclusion, quoting from the splendid report on Foreign Missions given by our Moderator, Brother Stevens, at last year's Associational meeting, we have his soul-stirring plea in these words:

"We have before us one world—baffled, disturbed, seething—we have before us life and death, light and darkness, salvation and destruction; the Power of Christ and the power of an advancing, scientific and materialistic age. The clock of opportunity is striking; the door of opportunity is opening. We will hear, see and enter, or we will pay the price with a wrecked, devastated, bewildered and lost world."

Respectfully submitted,

N. E. GRESHAM.

REPORT ON HOME MISSIONS

According to the annual report of the Home Mission Board for 1946 there were 44,873 new members added to the churches as a result of the ministry of the 720 full time missionaries of the Board and the 200 summer workers from colleges and seminaries who served for ten weeks on the various fields. Of the number 27,474 were reported as conversions.

There were 87 new missionaries added during the past year. There was some turn over in personnel, but the net gain in the number of missionaries was 69. These workers delivered 94,145 sermons and addresses, made 222,281 religious visits, and did personal work with 166,701 individuals.

Besides the 7,317 revivals conducted by home missionaries, there were 12,841 mission classes taught, 361 missions opened, 131 new churches organized, 36 kindergartens maintained, and 1,815 Vacation Bible Schools conducted in mission situations.

Building operations were rather extensive. The Home Mission Board built or improved 74 churches and chapels and 16 pastor's homes.

In our consideration of Home Missions we must never isolate this phase of kingdom work from all missions. Our homeland must be won for Christ as a base for the international propagation of Christianity. This means that churches must be planted in every needy section; that every province of our thinking, every area of our living must be brought under the influence of the Gospel. To this end every individual and every church must join hands for the task of making America Christian and also the whole world.

Respectfully submitted,

J. V. CASE.

REPORT ON THE ORPHANAGE

The Baptist Orphanage of North Carolina was founded for the purpose of caring for orphan children. Providing food, clothing and shelter, however, is not the full answer today for this worthy purpose. Often the privilege of helping parents and children to help themselves is a paramount service. Last year the orphanage, through its case work, helped to make adjustments for more than 400 children where applications had been made to enter the orphanage.

In order to care for more children during these days when it is so expensive to build, the orphanage authorities are developing a program of boarding home care. This enables them to place children in good homes under the supervision of the orphanage and thus give many children the privilege of having a good home without placing them in the institution.

Last year the orphanage cared for 700 children. Sixty of these were cared for in boarding homes and fifty by Mothers' Aid. Case workers service was made available to 1,107 children. This was made possible through the loyalty of the Baptist denomination and other friends who month by month and at Thanksgiving time give to the support of the children in keeping with the will of the Master. More and more we are convinced that this plan of giving is a wise Christian policy. In addition to cash offerings, the orphanage at all times can use can goods and other commodities needed for the daily support of a large family.

May we pledge our continued, loyal support to this institution that is dedicated to the noble task of making strong, clean, Christian men and women of boys and girls under their care.

Respectfully submitted,

DR. R. F. MARSHBURN.

REPORT ON TEMPERANCE RESOLUTION

In cooperation with our Baptist Brethren in North Carolina, we, the Baptists of Eastern Association, deeply deplore the situation in North Carolina regarding intoxicating beverages caused by the Acts of the General Assembly, without a vote of the people, legalizing the sale of beer, wine and ale, the infamous one-gallon intoxicating liquor provision, and permitting the counties to establish A. B. C. Liquor Stores as a county unit.

BE IT THEREFORE RESOLVED:

1. That the Baptists of Eastern Association favor a state wide referendum in regard to intoxicating beverages at earliest date possible.
2. That this Association is squarely in accord with the work of the Allied Church League and ready to cooperate with its plans and program.
3. That we seek to get our people to obey God's Word, namely, not to touch, not to advertise, and not to traffic in alcohol.
4. That we seek to get dry Christian men to run for office, and that we support such candidates when they do run.
5. That our Executive Committee look definitely into the advisability of urging our people to cooperate in any referendum that may be possible in Duplin or Sampson Counties during the coming year.

Signed: C. I. ROBINSON.

REPORT ON THE HOSPITAL

A mother from one of our Baptist churches was hurried to our Baptist Hospital. Local doctors had done their best and said she could not live unless she got other help right away. She had been sick for a year

and had just spent six weeks in another hospital. She had been able to have her five months old baby with her only two weeks since he was born. Her stay in our Hospital was long and expensive, costing over $1,200.00 though she was a service patient and there was no charge for all the work of the doctors. But there she was cared for by highly skilled physicians using the latest drugs and the best known methods of medical care.

Her family is almost without means and able to meet only a portion of this large bill. The churches of this association, through our Mother's Day offerings, helped to provide for her hospital care. Because we gave on Mother's Day she was given a chance and recently went back home and to care for her baby.

What we did for this mother, we are doing in larger or smaller measure for thousands of others throughout North Carolina who are sick and have little money. The past twelve months have been the most crowded year our Baptist Hospital has ever known. Its ministry has gone to more people than ever before.

North Carolina Baptists have voted to enlarge our Hospital. Interested friends have said we are ready to help Baptists do this. Now we are looking forward to a much larger and more modern plant on the beautiful hundred-acre Gray estate in Winston-Salem where this ministry of healing in the name of Christ can be multiplied.

AMERICAN BIBLE SOCIETY

The World Must Have the Bible.

1. Jesus Christ is the one hope of men and nations—and the Bible is the one primary source of knowledge of Christ.
2. In every missionary advance the Bible goes forward first.
3. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart.

Giving the Bible to the World Is a Missionary Task.

1. Every man must have the Bible in his own native language if the message of Christ is to speak effectively to his heart.
2. Someone must translate the Bible into his language, print it, and send it to him wherever he lives. Since most people in the world are too poor to pay the cost of books, someone must also give to help those who can pay only part of the cost and many cannot pay at all.
3. The American Bible Society, supported by gifts, serves as that "someone." As a missionary organization, it aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit and usually below cost, for use in mission work throughout the world.

   During 1946 the American Bible Society—

   —Distributed at home and abroad over 11 million volumes of Scriptures;

   —Sent to Japan more than ⅓ million Gospels and more than ⅓ million of the 2½ million New Testaments requested by Japanese Christian leaders;

   —Shipped to Germany over 1 million Scripture volumes and 205 tons of materials for a self-help plan by which the German people and the German Bible Societies will do the actual printing of at least 1 million full Bibles.

Southern Baptists Can Lead in Providing ENOUGH Bibles for World Needs NOW!

1. Hungry-hearted multitudes, especially in liberated countries, Germany and Japan, are eager for the Word of God. But it is a race against time. Their eagerness may not last indefinitely and opposing forces are actively at work.
2. The Bible is rationed throughout the world, as it has always been rationed in mission lands, because the supply is limited by gifts available.
3. In 1946, Southern Baptists gave $130,550 to the American Bible Society; total church gifts were $1,119,845. Increased gifts from Southern Baptists will help to provide **enough** Bibles **Now** and will multiply their value by inspiring others to give more. Please send gifts to the Baptist state headquarters office, marked "for the American Bible Society."
4. A worldwide missionary advance, through increased Scripture distribution, waits!—Waits only for needed funds!

We recommend that each church in the Eastern Baptist Association observe AMERICAN BIBLE SOCIETY SUNDAY during the ensuing year and take an offering for the work of the Society.

Respectfully submitted,

F. W. McGOWEN.

REPORT ON CHRISTIAN EDUCATION

Christian Education includes all efforts of Christian teaching in the home, church, public institutions, or Christian colleges. Aggressive efforts need to be exerted today along all these lines.

In this report we are thinking specifically of Christian Education as supported by Baptists through our three Southwide Seminaries, the W. M. U. Training School, and our six Baptist colleges in North Carolina. Our four Southwide institutions had a total of 2,705 students last year, of whom 1,744 were ministerial students.

The six Baptist colleges now in operation in North Carolina are Wake Forest, Meredith, Mars Hill, Campbell, Gardner-Webb, and Wingate. During this present Convention year we have contributed to these approximately $351,959. This represents the most generous aid that the Baptists of the state have ever given to their colleges for operating purposes. With a total enrollment of some 4,500 students, these six colleges face this new year with all facilities taxed to their capacity.

The Council on Christian Education, equally represented by churches and colleges, is a coordinating agency through which our program of Christian Education is promoted. It distributes the funds, seeks to improve the services of the institutions and to give the people of the state a better understanding of the over-all program. The outstanding challenge it is keeping before North Carolina Baptists today is the relocation of Wake Forest College. With all legal questions cleared, the Baptist State Convention was authorized to secure during the next three years $1,500,000 through the churches. This effort is being promoted now under the leadership of Mr. Horace Easom.

Seeking divine wisdom and guidance, may we be spiritually equal to the trust, confidence, and responsibility being given us for Christian Education, and ever able to keep faith with the sacred inspiration of the founders of Wake Forest College.

Respectfully submitted,

R. F. MARSHBURN.

REPORT ON SUNDAY SCHOOL

"Go ye therefore, and teach all Nations, teaching them to observe all things." These were the words of Jesus—spoken to His disciples. If teaching was necessary while Jesus was here on earth, it is far more important that we today should go all out to teach all Nations.

Apart from the teaching of the Bible, there is no foundation for character nor any possibility of transforming men. Since teaching God's word is absolutely essential to Christian living and to Christian witnessing, all of us need to spend more time in Bible study. I know of no better way of teaching every man, woman, boy and girl, than we have in our Sunday Schools.

Jesus gave more time to teaching than to any other single activity during His earthly ministry. He was called "Teacher" more than by any other title. He taught the twelve to teach, and sent them out under the commission to teach.

In regard to our Association this year, we have had increased attendance in most all of our Sunday Schools. Our slogan was "Hitch up the team—and go in every church." This past year it was "Don't unhitch the team—until you have gone into every church."

Our February meetings were held with great success. The team went to all churches. One or two report that no one else went but them. I am very grateful to them for their help. We had two very good meetings in January, one at Rowan, the other at Magnolia. We received through these meetings a great challenge to go and teach God's Word.

Thanks to Bro. Gilmer Beck we have one Sunday School added to our number this year, and the greatest number of Vacation Bible Schools ever held in our Association. It is hoped that next year we will look back and see our failures, which have been recorded, and bring to our minds that these things done in the past are gone, and cannot be blotted out. But we might strive harder to accomplish more as we go forth in our Sunday School work another year.

Let us think of who will rule our Nation tomorrow—our children of today. Are we as Christians going to enroll them in our Sunday Schools and teach them the Bible, or let them stay at home and read comic books and build a Nation on them? The Challenge is ours. Let our prayer be that we may wake up and accept the challenge: "Go ye therefore, and teach all nations, teaching them to observe all things."

I am grateful to Pastors, Leaders and Churches, who have cooperated with me as Association Superintendent in a marvelous way during our Association year.

Respectfully submitted,

ELLIS POPE.

REPORT ON ASSOCIATIONAL MISSIONS

During the Eastern Baptist Associational year of Sept. 1, 1946 to Aug. 31, 1947, the Associational Missionary had many wonderful and inspiring experiences throughout the entire Association. There has been manifested on the part of both pastors and churches a fine spirit of cooperation for which they are to be commended.

The records show that during the year the Missionary preached 36 sermons, made 7 addresses, led one devotion, conducted 4 prayer meetings, taught 17 Sunday School classes, attended 5 pastor's conferences, assisted in 2 ordination services for deacons, attended 4 church socials, attended the Baptist State Convention, made the Associational Missions report at the Associational meeting, helped organize 1 Sunday School, assisted in 1 revival meeting at Alum Springs, attended 5 committee meetings, taught 5 study courses, attended 7 general meetings, compiled and published an Associational Calendar of Activities, helped draw up a petition for a vote on liquor, helped install B. T. U. officers at Beulaville, baptized 27 candidates at Alum Springs, led 84 to Christ, led 5 Sunday School planning conferences in February, made 430 visits in homes, drove 16,063 miles, wrote many letters in behalf of Associational missions, published 5 bulletins and helped many conferences with individuals.

Aside from the above mentioned your missionary attended the Sanford clinic for one week, the B. T. U. clinic, the Associational Missionaries' Conference at Fruitland, the Better Bible Teaching clinic at High Point for a week, W. M. U. Conference at Fayetteville, and the V. B. S. clinic at Roxboro—making a total of 6 clinics. The worker helped in 2 Schools of Missions: the Gaston Associational School of Missions and the New South River Associational Stewardship and Missions Emphasis.

The missionary and Mrs. Beck worked in 11 Vacation Bible Schools: Bear Marsh, Warsaw, Johnson's, Garland, New Hope, Dobson's Chapel, Island Creek, Ingold, Mt. Vernon, Alum Springs and Turkey.

Respectfully submitted,

GILMER J. BECK,
Associational Missionary.

REPORT OF COMMITTEE ON ASSOCIATIONAL BUDGET FOR THE YEAR 1947-48

To the Executive Committee of The Eastern Association:

Your committee met in Warsaw on Monday evening, Sept. 8th, and, with the help of your Moderator and Brother Beck who were asked to meet with us, worked out the following budget for the Associational year 1947-48:

Salary of Associational Missionary	$2,400.00

Association be paid to and accounted for by the Treasurer, who shall receive all such funds and pay them out under the direction and orders of the Association or the Executive Committee.

To meet the above suggested budget your committee recommends that the churches be asked to pay to the Treasurer of the Association, in monthly installments if possible, for the associational year 1947-48 the amounts designated below. These amounts will include funds for Minutes, as well as salary for the clerk, and no special calls for these purposes will be necessary in the future.

The total of these amounts requested from the churches is $3,015.00. To this total will be added other items—some of which are certain and others on estimated receipts. The statements of receipts is as follows:

BAPTIST TRAINING UNION REPORT

During the past year the progress in Baptist Training Union has not been great but we are thankful for an upward trend. Three new Training Unions have been organized and some individual unions. More people are becoming aware of the fact that the Baptist Training Union is the essential Training Organization of the church.

There were several important meetings during the year. On December 6, 1946, a mass meeting was held at Warsaw, with 281 attending and Johnson Church winning the attendance banner. An Associational Officers Clinic was held in Durham, February 8, with two car loads from this Association attending. There was an Executive Committee meeting January 22, in Warsaw. A fine officers and leaders council met March 4, in Clinton Church. State Secretary Harvey Gibson and four other very capable people from Raleigh made up the staff of conference leaders. There were 68 present for this meeting. March 30 was the occasion of a mass meeting in Beulaville with a record attendance of 320, Johnson Church again receiving the attendance banner. The program consisted of a Junior Memory Work Drill, Intermediate Sword Drill, Better Speakers Tournament, and Hymn Festival. We had several Juniors who were winners in the Association, in the region and also state winners at Ridgecrest. Our intermediate Sword Drill winner also went all the way to be state winner and participated in the southwide drill. We had one choir to enter the Hymn Festival and this choir participated in the region and at Ridgecrest.

All those who have participated in these various drills have received untold benefits. They have been an inspiration to all who have had the privilege to see and hear them perform and in this way they have witnessed for the Master. We are hoping this year that we will have more Juniors, Intermediates, Young People, and Adults than ever before who will take advantage of the fine training that they will receive by participating in these drills.

We are also hoping that this coming year will be the greatest year in the record of the Association, that more souls will be won to Christ and more trained to serve Him. Next to winning a lost soul to Christ one of the greatest things a person can do is to help train a Christian to serve.

Our next important meeting is a mass meeting to be held on December 8.

Respectfully submitted,

A. R. TEACHEY.

W. M. U. REPORT

As we think of peace again in the world, may we say with the angels: "Glory to God in the highest, peace on earth and good will to men." May we be willing to minister to human needs as never before.

When I come to give an account of the W. M. U. work in the Eastern Association, the chief aims of Woman's Missionary Union comes to my mind. We had reporting in 1946, 27 W. M. S. and 52 Young People's organizations. However 2 W. M. S. and 10 Young People's organizations have been organized this year which brings our number to 29 W. M. S. and 62 Young People's organizations. During the year, 38 organizations observed all three special seasons of prayer for Home, State and Foreign Missions. 77 Mission Study classes were reported. 243 tithers, 8 Stewardship classes. Two churches promoted Stewardship Emphasis Weeks and 3 churches observed Stewardship Church Night.

In the W. M. U. of the Association we had reported 402 subscribers to the Biblical Recorder, 218 to the Royal Service magazines, 14 to the "Window of Y. W. A.", 66 to "World Comrades" and 15 to the Ambassador Life magazine. Nine points were reached on the Associational Standard of Excellence.

In 1946, the gifts of the W. M. U. as reported were $11,500.80 to all causes. A gain of $2,584.35 over the previous year.

Our annual meeting was held April 9, 1947 with Bear Marsh Church. The attendance was splendid, and inspiring, helpful messages were brought during the day. We were especially happy to have with us our State W. M. U. president, Mrs. J. S. Farmer, and Miss Vivian Nowell, missionary to Nigeria, Africa. Officers elected at this meeting were: Superintendent, Mrs. Grover Britt, Clinton; Associate Superintendent, Mrs. G. Van Stephens, Warsaw; Secretary, Mrs. C. E. Crawford, Calypso; Young People's Leader, Mrs. Bill Vann, Clinton; Mission Study Chairman, Mrs. James King, Mt. Olive, R. F. D.; Stewardship Chairman, Miss Macy Cox, Magnolia; Training School and Margaret Fund Chairman, Mrs. J. V. Case, Rose Hill; Community Mission Chairman, Mrs. M. D. Summerlin, Mt. Olive; R. A. Counselor for Association, Rev. G. Van Stephens, Warsaw.

The 1948 annual W. M. U. meeting will be at Mt. Gilead in April.

Respectfully submitted,

MRS. GROVER BRITT,
W. M. U. Committee.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

ASSOCIATIONAL MISSIONARY'S REPORT

September 1, 1947—August 31, 1948

The Association has made progress during the year. At the present, there are eighteen preachers and pastors in the association. The Vacation Bible School program was hindered by the polio epidemic, but still we can

be proud of the progress made in this vital work. There has been manifested a noble spirit on the part of pastors and Churches in all of the work. Many wonderful experiences come to your Missionary, and many blessings from the Lord to all of us during the year as we worked together.

The Missionary preached twenty sermons in the Association and sixteen sermons in other churches, made six addresses in the Association and one outside, taught ten Sunday School lessons, held six study courses, conducted eight prayer meetings, held ninety-nine personal conferences, and eleven group conferences, attended eleven committee meetings, held one baptismal service, reported seventy conversions, worked in six Vacation Bible Schools, published four issues of "Eastern Baptist News," published the Associational Calendar of Activities, made 425 visits, drove 15,730 miles, wrote many letters and cards, helped plan for the Associational survey for September, served as Secretary of the Eastern Pastors' Conference, attended Baptist State Convention, attended the Associational workers' conference at Winston-Salem. Helped in King's Mountain Associational School of Missions, helped in Wilmington Associational B. T. U. Enlargement Campaign, assisted in a Stewardship revival in the Randolph Association, assisted in laying cornerstone at Rose Hill, attended Associational Workers' Conference at Seaside, attended Regional B. T. U. Convention, helped in B. T. U. Mass Meeting, worked in Vacation Bible School Clinic at Warsaw, helped take survey near Beulaville, worked with the Allied Church League, and worked with two committees outside of the Association.

We do not have an associational office and equipment, as was planned. Such equipment is almost necessary in promoting the Association's program of missions. There is not enough money to purchase visual aids equipment. Let us consider this important method of presenting Christ to the people.

Respectfully submitted,

GILMER J. BECK

SURVEY REPORT

The Committee to Study Growth of Church in Eastern Association (see p. 4, 1947 minutes) reports that its work has been accomplished. An Enlargement and Survey Revival was held in 22 churches in our association from September 19 to October 3, 1948, under the direction of Dr. John Freeman, Home Mission Board, Atlanta, and the Rev. G. W. Bullard, Supt. of Associational Missionaries, Raleigh, assisted by 22 pastors and Associational Missionaries of our State. The survey was conducted during the firt week, followed by another week of preaching with emphasis according to the needs of the local church.

Some highlights of the report, combining the work done in all 22 churches: 7,991 prospects were discovered for the Sunday School, the great majority of these prospects were found to be adults. Church enrollment for this group was 5,530. There were 1,481 non-resident members and 691 unaffiliated Baptist. A total of 1,354 unsaved were reported with Baptist preference, while 1,162 unsaved had no church preference. The Sunday School enrollment of these churches is 3,634; Training Union enrollment 847; and the W. M. U. enrollment 858.

Detailed reports were placed into the hands of the pastors and all visitors and messenger to the Associational Meeting. It was thought that some pioneer work had been done, and a hope was expressed that such a program of work might be put on in the other associations of our state. Sincere appreciation was expressed to all workers taking part in the survey, especially to Mr. Bullard and Dr. Freeman.

Churches taking part in the survey: Beulah, Clinton, Corinth, Dobson's Chapel, Evergreen, Garland, Garner's Chapel, Ingold, Johnson's, Magnolia, Mount Olive, Mount Gilead, Mount Vernon, Piney Grove, Rowan, Rose Hill, Shiloh, Siloam, Union Grove, Sharon, Warsaw, New Hope.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge,

holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

PROCEEDINGS

On October 4, at 10 a. m. in the Rose Hill Baptist Church, the One Hundred and Twenty-Second Annual Session of the Eastern Baptist Association was called to order by the Moderator, Rev. Thomas L. Rich, Jr.

The Associate Clerk reported that thirty-seven of the thirty-eight churches in the Association were represented by 126 delegates. 402 visitors also registered, making a total of 528 present.

Having a majority of the churches represented, the Moderator declared the Association duly opened and ready for the transaction of business.

By nominations from the floor, Paul L. Cashwell was elected Clerk and Rev. A. L. Benton Associate Clerk.

Dr. R. F. Marshburn, Rev. A. L. Brown and R. W. Blanchard were appointed as the Committee on Committees (Note—See Directory for other Committee members.)

In the absence of the Treasurer his report was read by the Moderator and adopted on motion.

Rev. J. Peyton Royal, Magnolia, N. C., was recognized and given a warm welcome as the only new pastor coming to the Association during the year.

Rev. Lowell F. Sodeman substituted for Dr. L. L. Carpenter, on the subject, Christian Literature. Rev. J. L. Page, a former pastor of several churches in the Eastern Association, was recognized, with other visitors, and made some remarks on the Biblical Recorder.

Announcements were made by the host pastor, Rev. J. V. Case, with reference to the dinner which was served on the ground.

Rev. John W. Lambert and the Budget Committee submitted an Associational mission budget of $4,450.00, which was adopted on motion from the floor. (See Committee Reports.)

Rev. C. H. Trueblood, Associational missionary, submitted his report along with other recommendations, namely: "Efficient Organization." These were adopted. (See Reports.)

On motion, the Association voted unanimously to publish a complete list of Woman's Missionary Union officers in the minutes.

Rev. James Cammack, First Baptist Church, Smithfield, N. C., substituted for Mr. Horace Easom on the subject, "The Challenge to Men in the Churches."

Dr. R. F. Marshburn pronounced the benediction and the first day of the One Hundred and Twenty-Second Session of the Eastern Baptist Association was history.

Promptly at 10 a. m. in the Clinton Baptist Church, the second day's session of the Eastern Baptist Association was called to order by the Moderator.

Rev. J. M. Page substituted for Rev. Lauren Sharpe in the opening period of devotion.

The minutes of the first day's proceedings were read by the Clerk and approved, as read, by motion from the floor.

The attendance report, made by the Associate Clerk, showed 34 churches represented by 54 delegates. Also, 161 visitors registered, making a total of 215 present. All of the 38 churches were represented during the 1949 Association.

During his address on the Cooperative Program, Dr. Huggins informed the people that it was his birthday. At the completion of his remarks the

Moderator requested all to stand and sing "Happy Birthday, Brother Huggins."

Rev. Lowell F. Sodeman, host pastor, gave instructions to be followed at the noon hour. Dinner was served on the grounds and in the building.

In the absence of Mr. J. D. Boone, who was to speak on "Minsters' Retirement Plan" (See Program) Mr. Don Britt substituted.

Dr. Roy McCulloch extended a cordial welcome to all, to attend the Two Hundredth Anniversary of the Rowan Baptist Church, on the last Lord's day in October, 1949.

The Moderator was requested, on motion by Mr. C. I. Robinson, to have special prayer for the recovery of Mr. H. L. Stewart, who was unable to attend the Association on account of illness. The prayer was offered by the Moderator.

Resolutions were offered by Rev. N. E. Gresham for the Committee. These were adopted on motion. (See Resolutions.)

The memorial service prayer was offered by Rev. Lowell F. Sodeman at the request of the Moderator. (See "In Memoriam.")

Rev. G. Van Stephens and Mrs. Stephens were recognized, along with others, as visitors to the Association.

A member church of the Association, Oak Vale Baptist, has not submitted a letter for several years. Therefore, on motion from the floor, duly seconded, this church was ordered eliminated from the roll.

Motion was made to adjourn and so ended the One Hundred and Twenty-Second Annual Session of the Eastern Baptist Association.

Our pastor was called in January, Rev. A. L. Benton.

Garland

Repairs have been made on our floors, folding doors, kitchen and other equipment.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee held three meetings during the Associational year 1948-1949. The following business was transacted in the meetings:

1. A calendar of Associational and State activities was made up and voted to be printed and placed in each church.

2. The resignation of the associational missionary. The Rev. Gilmer Beck, effective January 1, 1949, was accepted with regret.

3. The following report of the Missions Committee was received and adopted:

> "that the Associational Missions Program be continued with primary emphasis upon real mission work and secondarily upon promotion work;
> the residence of the missionary be as centrally located as possible; the Association provide necessary equipment for the missionary; the Executive Committee appoint a special committee for the purpose of recommending a new associational missionary."

4. The Rev. John W. Lambert, Mr. Harry L. Stewart and the Rev. A. L. Brown were named as a committee to recommend an associational missionary to the Executive Committee. This Committee recommended Brother C. Herman Trueblood of Fayetteville and their recommendation was accepted February 25.

5. A committee was appointed to draw up an associational budget to extend through October 31, 1949, with the understanding that another budget would be submitted to the association, October 3, for the year beginning November 1, 1949, and extending through October 31, 1950.

6. In as much as the association is paying $720.00 a year for house and office rent, the Executive Committee asked Mr. George Bennett and Mr. L. H. Brown to serve on a committee to investigate the possibility of securing a lot in Warsaw on which a house for the associational missionary may be constructed. The idea is to invest the rent money in a permanent missionary pastorium to be owned by the association.

7. The Executive Committee instructed the Moderator to name a committee to nominate the associational Sunday School and Training Union officers at the annual associational meeting for the year 1949-1950. Mr. A. R. Teachey, the Rev. J. V. Case, Mr. E. L. Peterson, Mrs. R. W. Blanchard, and Mrs. E. J. Morgan were placed on this committee.

8. The Executive Committee received and accepted with regret the resignation of Dr. Roy McCulloch as Sunday School Superintendent, and Miss Mary Frances Moss as Associational Young People's Leader. Mr. E. L. Peterson was appointed to serve as Associational Sunday School Superintendent and Mrs. Robert Blackmore as Young People's Leader for the remainder of the associational year.

Respectfully submitted,

THOMAS L. RICH, Jr.,
Moderator

ASSOCIATIONAL MISSIONARY'S REPORT

It is with a feeling of humility and appreciation that I submit my first report as Missionary of this grand old Eastern Baptist Association. I feel humble in the face of the responsibility confronting me; I feel deeply grateful and appreciative for your kindly and sympathetic attitude and for your splendid cooperation in our Master's Service. A spirit of unity and earnestness characterize the pastors and people of our Association, and with increasing visions of "Bigger Things" the future of our Association appears bright.

Figures and statistics do not always tell a whole story; the figures herein given, however, will afford an outline of your Missionary's activities. This report covers a six months period, the length of time that we have been privileged to work with you.

(The plan herein set forth was authorized at the recent meeting of our Association at Rose Hill)

RESOLUTIONS ADOPTED DURING 1949 SESSION

Be it resolved that this Association, at this meeting, commend the faithful and untiring service of Bro. C. I. Robinson who for the past twenty-four years has been clerk of the Association. We appreciate his Christ-like life which has been an inspiration during these years. We pray for him in the sunset of his life that he may have the richest of God's blessings.

Be it resolved that this One Hundred and Twenty-second Annual Session of Eastern Baptist Association regrets the absence of Bro. H. L. Stewart, a friend and trusted leader among us, who is kept away on account of illness. We recommend that this Association, through its Moderator, shall express our interest in Bro. Stewart to him and that we remember him in our prayers.

Whereas, the Allied Church League of North Carolina and the local units of the League, within the Association, merit the endorsement of Christian people for faithful service;

Be it resolved that this Association commend the work of the League and that we go on record as endorsing its support by our Baptist constituency.

Whereas, the practice of gambling, both legal and illegal, is spreading rapidly within all parts of the confines of our Association and throughout the state;

Therefore, be it resolved that we denounce the insidious practice and commend every effort opposing it. It is further resolved that our Baptist leaders be called to warn our constituency of the dangers involved in innocent-appearing games of chance and other forms of gambling frequently engaged in at fairs, social gatherings, schools, and other places. We commend every effort to put them down wherever possible.

Be it resolved that this Association go on record as adhering to the fundamental beliefs of our faith as are taught in the New Testament. That we denounce the insidious teachings of those who deny such teachings as the virgin birth of our Lord, the miracles recorded in God's word, salvation by other means than grace, and other scriptural beliefs, presented as facts without foundation and without proof. We further resolve that we favor the scholarly and scientific search for truth wherever it may lead. We condemn every form of teaching contrary to scriptural truths. Be it further resolved that this Association petition the State Baptist Convention to memoralize and to take such action concerning this subject as may be found necessary. Finally, be it resolved that the Association shall express its confidence in our schools and colleges in this State. We commend each and every Baptist school and college, reaffirm our support and recommend these institutions to our Baptist families.

Be it resolved that this Association express its appreciation to the Rose Hill Baptist Church for the fine hospitality on the first day of the One Hundred and Twenty-second Session of the Eastern Association.

Be it resolved that this Association express its appreciation to the Clinton Baptist Church for the fine hospitality on the second day of the One Hundred and Twenty-second Session of the Eastern Association.

Be it resolved that the Eastern Baptist Association express the appreciation of the churches to the associational officers who discharged their duties so efficiently during this session.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously

educate our chidren, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

PROCEEDINGS

On October 3, 1950, promptly at 10:00 A.M. the One Hundred and Twenty-Third Annual Session of the Eastern Baptist Association was called to order by Vice-Moderator Mack Herring in the Magnolia Church. Rev. Peyton Royal, host pastor, had charge of the opening period of devotion.

The attendance report from the Associate Clerk, for the first day of the Association, was 119 Messengers, 211 Visitors, with 36 of the 38 churches represented. A majority of the churches being represented, the Vice-Moderator declared the Association duly opened and ready for the transaction of business.

Two amendments to the constitution were offered by Dr. Roy R. McCulloch and adopted by voice vote. First: A new article to be known as Article 7 (See Constitution) to be placed in the Constitution and all following numbers to be advanced one number thus making a total of fifteen Articles in the Constitution. Second: Another sentence was added to Article 13. By approval from the floor one amendment was made to the Rules of Order to eliminate the last phrase in Item 21. (See Rules of Order.)

The next order of business was the appointment of the Committee on Committees by the Moderator. (See Directory.) The printed program was adopted on motion of Rev. J. V. Case, Chairman Program Committee, to be the official one for the Associational meeting of 1950. (See Program.)

By nomination from the floor Paul L. Cashwell was elected Clerk for the coming year.

Garland P. King, Treasurer, read his report for the Associational year and it was adopted on motion. (See Treasurer's Report.)

Mack Herring, Moderator, gave a complete report of the Executive Committee meetings held during the year. It was brought out that this committee held three meetings in 1950. (See Executive Committee Report.)

A cordial and warmhearted welcome was extended to the two new ministers that came to the Association during the year: Rev. W. I. Terrell, Mount Olive; Dr. Alton Greenlaw, Warsaw. Mrs. Greenlaw was called on to stand for recognition.

Eight visitors, from outside the Association, were recognized during the day.

Miss Macy Cox made an announcement having to do with the history of the W.M.U. in the Eastern Association. Note: A book on this subject can be secured from Miss Macy.

All along during both days of the Association the Moderator would call attention to the theme for the year: "CHRIST IS THE ANSWER."

In making her report for the W.M.U., Mrs. Raymond Blanchard announced that three new Unions were organized during the year: Ebenezer, Dobson's Chapel and Jones Chapel.

Instructions were given by the host pastor, Rev. Peyton Royal, with reference to the dinner which was served on the grounds. At the close of Rev. J. C. Conoly's sermon he gave thanks to God for His blessings and those present enjoyed a bountiful meal.

Afternoon

After the opening period of devotion a report was given by the Committee on Committees, in the form of a motion to change the name of the Finance Committee to the Auditing Committee. This was adopted.

Some changes were made in the afternoon part of the printed program. In the absence of Don Britt a few remarks were made, about the Brotherhood organizations in the Association, by Paul L. Cashwell. The spot on the program for Vacation Bible Schools, by J. C. Conoly, was exchanged for

the time allotted to the American Bible Society the following day. At this time J. V. Case made some remarks about the American Bible Society and a love offering was taken which amounted to $51.22.

Rev. Parker from the Neuse Association was a visitor during the afternoon. He had with him Mr. Ivey A. Wadsworth and daughter. Brother Parker was recognized for some remarks and he stated that the man with him was the head of the family of which the mother and six children had recently lost their lives in an automobile accident. Only two members of the family left, the father and daughter. An opportunity was given those present to make a love offering toward the purchase of a memorial window, in the church of the family, which is in the Neuse Association.

A motion was made by Rev. W. I. Terrell to send a telegram to Dr. F. Orion Mixon, President of the Baptist State Convention, who was seriously ill in a hospital in Greenville, S. C., following an emergency operation. This was adopted and the following wire was sent by the clerk: "Our most sincere wishes for a speedy recovery. May the touch of God's healing hand be upon you is our prayer." Signed: Eastern Baptist Association.

After a motion to adjourn the Moderator called on Brother C. I. Robinson to lead the closing prayer. Thus the first day of the One Hundred Twenty-Third Session of the Association was history.

Second Day

The second day of the Eastern Baptist Association was held in the Mount Gilead Church beginning promptly at 10:00 A.M. It was called to order by the Moderator and the opening period of devotion was conducted by Dr. R. F. Marshburn, host pastor, and all present joined in singing, "What a Friend We Have in Jesus."

The attendance report given by Rev. A. L. Benton, Associate Clerk, showed a total of 344 present. Of these 102 were messengers and 242 visitors. It was noted that the attendance was larger on the second day than the first. Some of the "Old Timers" said this was a record.

The minutes were read for the previous day's session by the Clerk. They were approved as read by motion from the floor.

Brother C. I. Robinson gave a report on the work of our orphanages. Following this Dr. Marshburn introduced Rev. E. C. Wilkie, who came to substitute for W. C. Reed, to bring a message on the Baptist Orphanages in North Carolina.

A detailed report was given for the Associational year, by Rev. C. H. Trueblood, covering the activities of the Missionary. (See Associational Missionary's Report.)

Rev. A. L. Benton presented Dr. M. A. Huggins, General Secretary of the Baptist State Convention, who brought us up to date on State Missions. Among other things Dr. Huggins said, there were one-fourth of a million dollars more paid into the Cooperative Program as of Sept. 30, 1950, than during the same period in 1949.

After the close of the Missionary sermon by Brother Terrell the Association was adjourned for the noon hour by prayer led by Dr. McCulloch. Previous instructions were given by Dr. Marshburn and dinner was served on the grounds.

Afternoon

At the opening of the afternoon session Miss Irene Olive, Educational Director of the Clinton Church, was introduced by Dr. McCulloch and requested to lead the congregation in singing: "We Are Marching to Zion."

After giving a report on Christian Literature Mrs. Marshburn presented Dr. L. L. Carpenter, Editor of The Biblical Recorder, who told us among other things that 33 of the 38 churches in the Eastern Association were getting The Recorder through the Club Plan.

At this time Rev. J. C. Conoly delivered a message on Vacation Bible School work in the Association. This was a departure from the printed program as an exchange was made for the time allotted for the American Bible Society the previous day.

Dr. Canipe in his message on Evangelism emphasized the importance of the "Crusade East of the Mississippi" for Southern Baptists. There are thirty-nine million people lost, "Without Christ," in Southern Baptist territory, one and one-half million in North Carolina, stated Dr. Canipe.

Several resolutions were offered by the Committee on Resolutions and adopted. (See Resolutions.)

The Association Budget was adopted by a majority vote after its presentation by the chairman of that committee. It was stated by E. L. Peterson, chairman, that the committee did not give unanimous approval to the budget.

See Page One for the results of the report given by the Place and Preacher Committee.

Dr. Marshburn extended an invitation to all present to attend the Mount Gilead Church dedication service to be held on the fifth Lord's day in October, 1950.

Motion was made by Rev. A. L. Benton that a letter, registering the protest of the Eastern Baptist Association over sending alcoholic beverages to our men in the armed forces, be mailed to President Truman. This was adopted. The letter was written and mailed to the President by Rev. Lowell F. Sodeman.

Dr. Marshburn made a motion that the Moderator name the Commmittee on Committees prior to the opening day of the Association each year. This motion carried.

See the Directory on Page Three for the officers elected to serve the Association during the coming year.

Brother E. C. Watson called the names of our beloved dead (See In Memoriam) that passed on during the Associational year. Rev. Lowell F. Sodeman led the Memorial Prayer.

After motion to adjourn the Moderator called on Dr. McCulloch to lead in the closing prayer, and so, the curtain comes down on the One Hundred Twenty-Third Annual Session of the Eastern Baptist Association.

EXECUTIVE COMMITTEE REPORT

The Executive Committee held three meetings during the Associational Year 1949-1950. The following business was transacted in the meetings:

1. Last year the Executive Committee asked Mr. George Bennett and Mr. L. H. Brown to serve on a committee to investigate the possibility of securing a lot in Warsaw on which a house for the Associational Missionary might be constructed. The idea was to invest the rent money in a permanent Missionary Pastorium to be owned by the Association. This committee reported that problem number one along this line was a matter of finances.

2. The Executive Committee voted to rent office space at a rental not to exceed ten dollars per month to be occupied by our Missionary. The purchase of a mimeograph machine to be used in the office of the Missionary was also approved.

3. The following recommendations of the Missions Committee were received and adopted:

   1. The Associational Missionary make full use of the information secured by the returned questionnaires that were prepared and sent out by him.

   2. Use this information to make surveys and to canvass the territory outlined in the questionnaires.

   3. To make full use of the Home Mission Board Survey Cards.

   4. Report results to the Executive Committee.

4. The resignation of Brother Thomas L. Rich, Jr., Moderator of the Association, was received and accepted with regret. Brother E. C. Watson, Sr., was asked to prepare a resolution extending to Brother Rich sincere thanks and appreciation for his splendid leadership during the time he served as our Moderator. A copy of the resolution was sent to each of his churches and a copy to The Biblical Recorder.

5. The date of October 10, 1950 was set for an Associational-wide Sunday School Planning Meeting to be held in the Warsaw Church at 7:30 o'clock P.M. The Reverend John Lambert is to be the guest speaker for the meeting.

6. Sunday School Superintendent Mr. E. L. Peterson, Training Union Superintendent Mr. A. R. Teachey, W.M.U. Superintendent Mrs. R. W. Blanchard and Treasurer Mr. Garland King made periodic reports of their splendid work to the Executive Committee. These reports will be summarized by each Superintendent and the Treasurer in their annual report to the Association.

ASSOCIATIONAL MISSIONARY'S REPORT

In rendering our second annual report to the Eastern Baptist Association, we would first of all lift our hearts in praise and gratitude to God for His plentiful mercies and abundant blessings upon us; and we would take this opportunity to express our deep appreciation to the churches, pastors, Associational groups, and church membership throughout the Association for your sympathetic attitude toward our work, and for all financial support and cooperation that makes our work possible. Indeed, we thank you sincerely for every courtesy, every kind word of encouragement, and every helpful act of service.

Neither you nor I can completely tabulate in statistical form all of the spiritual achievements, in our individual churches and Association, that result from our religious activities. The best that we can do here is to set

Not Dictation—But Kindly Suggestions

1. Send to your missionary, from time to time, brief, concise items of interest concerning your church activities, special events, etc., for publication in Associational bulletins.

2. The Eastern Baptist Association is engaged in BIG BUSINESS—38 churches, 18 pastors, approximately 8,000 church members, raising and INVESTING $200,000, or more annually in the kingdom-building work of our Lord; therefore, we feel that it would be necessary and exceedingly advantageous for the Executive Committee to have regular periodic meeting times, and that these meetings be more often than once or twice a year.

3. We are confident that it would be a great "forward step" if we would inaugurate at least one annual Associational-wide simultaneous effort; such as a Deacons' School, Stewardship School, B.T.U. Study-Course School, a "Big Brother" program (Stronger churches aiding to strengthen weaker churches). An annual one-day Associational Sunday School meeting would prove of incalculable value, etc.

4. Work in unchurched areas is done (throughout the state) in cooperation with established churches (nearest these areas), but usually at the direction of the Mission Committee, Executive Committee, or both. It is not the business or duty of your missionary to go out "on his own" and start Mission Stations, or new churches unless he has the authority of the Mission and Executive Committees, as well as the approval and promised cooperation of nearby churches. The alert Missionary will want to plan the total Associational Missionary program in close cooperation with the Mission Committee. A judicious, and wide-awake Mission Committee, meeting periodically with the missionary, should, and will, formulate an adequate Associational Missionary program calculated to promote every phase of our Associational needs, including the establishment of mission stations, and new churches, whenever and wherever such new work is deemed necessary and possible.

Respectfully submitted,

C. HERMAN TRUEBLOOD,

Associational Missionary

RESOLUTIONS ADOPTED DURING 1950 SESSION

Be it resolved that this Association express its appreciation to the Magnolia Baptist Church for the fine hospitality on the first day of the One Hundred and Twenty-Third Session of the Eastern Baptist Association.

Be it resolved that this Association express its appreciation to the Mount Gilead Baptist Church for the fine hospitality on the second day of the One Hundred and Twenty-Third Session of the Eastern Baptist Association.

Be it resolved that the Eastern Baptist Association express the appreciation of the churches to the Moderator for the gracious way in which he has presided at this session of the Association, and to the Associational officers who discharged their duties so efficiently during this session.

Whereas we realize that organized immorality is sustained too much by the weakness of Christians; Therefore, be it resolved that this Association cease making resolutions only on the moral issue of our day, but rather that we urge the churches to inspire their members, then the pulpit and church organizations to live in accordance with the teachings of Christ.

Be it resolved that the Association go on record as actively adhering to the historic principle of the SEPARATION OF CHURCH AND STATE, thus registering our objection to any political resolutions between our country and the Vatican, and registering approval of the decision of the recently called special session of the State Baptist Convention with its decision to raise $700,000.00 for a new wing to our Baptist Hospital.

Be it resolved that this One Hundred and Twenty-Third Annual Session of the Eastern Baptist Association regrets the absence of Brother H. L. Stewart, a friend and trusted leader among us, who is kept away on account of illness. We miss his friendly and wise counsel and his intelligent leadership in our work.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive

anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconcialiation and mindful of these rules of our Saviour - to secure it without delay. PROCEEDINGS

On October 9, 1951, promptly at 10:00 A.M. the one-hundred and twenty fourth annual session of the Eastern Baptist Association was called to order by the Moderator, Mack Herring, in the Piney Grove Church. Rev. John R. Bene, host pastor, had charge of the opening period of devotion. All present joined in singing the hymn, ' All The Way My Saviour Leads Me.'

Rev. A.L. Benton, Associate Clerk, was called on for an attendance report. His report showed that 27 churches were represented. A total of 169 present, with 71 of that number being Messengers. Before the first day of the Association was over the attendance had grown to a total of 331, with 90 Messengers. All of the thirty eight churches were represented during the Association except Ebenezer.

Rev. W.I. Terrell, Program Committee Chairman, called attention to a few minor changes in the program, which will be referred to later. The program was adopted. (See Program).

Rules were suspended upon motion of Rev. J.V. Case and the Moderator was requested to cast the vote of the Association for Paul L. Cashwell to serve as clerk for the coming year.

Dr. A.W. Greenlaw, Chairman of the Committee on Committees, gave the report of that committee which was adopted on his motion. (See Directory)

Garland P. King, Treasurer, gave his report for eleven months, which was necessary in order to get in line with the Associational year. (See Treasurers Report)

Rev. J.V. Case, Chairman of Committee to nominate officers to serve the Association in Sunday School and Training Union work, gave his report and it was adopted.

Dr. Roy R. McCulloch, Chairman of a Special committee that was appointed last year to study and make recommendations for certain revisions in the ' Rules of Order ', ' Order of Business ' and the ' Constitution ', gave his report and it was adopted by motion.

Rev. C.H. Trueblood presented the new pastors to the Association. For the names of those moving into the Association during the past year, see (New Pastors).

At this point in the program several visitors were recognized by the Moderator, among whom were Rev. J.M. Duncan. Murfreesboro. N.C.. and Mr. John Oats. Fayetteville, N.C., the latter being a former member of the Piney Grove Church. During the day Mr. Oats requested permission to make an announcement. This was granted.

The congregation joined in singing ' All Hail The Power of Jesus Name ' under the direction of Rev. Bene.

After bringing a report on the Orphanage, Mr. M.R. Herring recognized Rev. Wilkie, pastor of Kennedy Home Church, for some remarks pertaining to the work.

At the conclusion of the talk by Mr. J.M. Hayes on the ' Home For The Aged ', a motion was made from the floor to incorporate in the minutes of the Association the ' Statement For Report on North Carolina Baptist Homes For The Aged '. This motion was carried. (See Reports).

The next departure from the printed program was when Rev. J.V. Case recognized Dr. McGee to bring us up to date on the Hospital work. Among other things Dr. McGee stated the work had begun on the new wing, and this was scheduled to be completed in about eighteen months. At the completion of this work, the Baptist Hospital in Winston Salem, would have a total of four hundred beds according to the speaker. All the churches in the Eastern Association have made contributions toward the Hospital expansion program, stated Dr. McGee.

The host pastor gave instructions to those present having to do with the dinner that was to be served on the grounds. He extended a hearty welcome to all.

Miss Harriett Thornton, member of Piney Grove Church, rendered a solo. After this the Moderator called attention to the theme for the Association, ' Christ Supreme'.

At the conclusion of the introductory sermon by Rev. J. Peyton Royal on the subject, ' Adequate Christianity' the body adjourned for the noon hour.

Afternoon

The afternoon session was opened by singing a hymn with Rev. Bene leading the congregation. Due to the illness of Rev. M.M. Turner, the Moderator requested Rev. J.M. Duncan to substitute in the opening devotional period.

Another change in the program was in evidence at this point. After Mr. E.L. Peterson concluded his remarks on the Sunday School work in the Association, a report was given on the Training Union work by Mr. A.R. Teachey. The place on the program occupied by the Brotherhood Chorus of the Clinton Baptist Church was changed and this group sang just before the address by Dr. Marc H. Lovelace on ' Christ Supreme in Our Colleges. '

Under miscellaneous business Dr. Greenlaw presented the name of Mr. Eugene Carlton for the Executive Com-

mittee. The number having been increased from ten to eleven under Article 12 of the Constitution (Revised). A committee on Evangelism was also recommended and approved on motion from the floor. (See Committees) The ladies of the Piney Grove Church were recognized and thanked by the Moderator for the fine way they entertained the Association.

A standing vote of thanks, by all present, was extended to the entire membership of the Piney Grove Church for their hospitality (See Resolutions). The absence of our beloved Brother C.I. Robinson was noted by the Moderator. After the benediction by Rev. T.K. Woody, the first day of the 124 Annual Session of the Eastern Baptist Association came to a close.

Second Day

The Association met the second day, Oct. 10, with the Warsaw Church acting as host. The group convened promptly at ten A.M., with the gavel in the hand of Mack Herring. Dr. Greenlaw, host pastor, led in the singing of ' All Hail The Power of Jesus Name.' The opening devotional was conducted by Rev. Paul Mull. (See Program)

The Associational Clerk reported that 26 churches were represented. Also 56 Messengers and 94 visitors. These figures were increased during the day to make a total of 298 present with 86 Messengers. Minutes for the previous day were read by the clerk and approved as read.

Mrs. Raymond Blanchard, Superintendent of the Associational W.M.U. called attention to the fact that there were five churches in the Association that did not have these organizations.

An anthem was presented by the choir of the Warsaw Church. No changes in the program were apparent from this point until the noon recess with the exception of the special music by the Mount Olive Church.

For the report of Rev. C.H. Trueblood, Associational Missionary, see (Reports).

Rev. O.H. Wright, Pastor Wrightsboro Baptist Church. Wilmington, N.C. was recognized along with other visitors. Speaking on State Missions, Rev. Terrell stated that fifty new churches were built in N.C. during 1950.

' On Jordan's Stormy Banks I Stand ', under the leadership of Dr. Greenlaw was sung, just prior to his talk on Home Missions.

Eighty-five cents per member, for Southern Baptist, toward the support of Foreign Missions, was the amount

given last year, as stated by Rev. N. E. Gresham in his talk on that subject.

The host pastor was recognized by the Moderator for instructions. Due to the rain outside dinner will be served in the church building, and all were notified where to fall in line.

At the conclusion of the Missionary Sermon by Rev. W.P. Milne, 'Christ Supreme In Missions', he gave thanks for the food to Almighty God, and the Association adjourned for the noon recess.

Afternoon

The opening hymn for the afternoon session was 'Revive Us Again.' Rev. Eliott Stewart, Jr. conducted the opening devotion. (See Program)

After making a few remarks about the American Bible Society, Rev. T.K. Woody made the following motion which was adopted; 'I move that the Association go on record as vitally interested in the work, and recommend to the individual churches its financial support, and that this be included in the minutes.'

Rev. A.L. Benton presented Dr.L.L. Carpenter, editor of the Biblical Recorder, for some remarks on Christian Literature. The Recorder has grown to a circulation of 45,968. There are 34 churches in the Eastern Association with Recorder Clubs, stated Dr. Carpenter.

Miss Macy Cox announced that she had some books for sale under the title, 'Building A Stewardship Church.'

The special music was by a trio from the Bear Marsh Church instead of the Calypso Church as shown on the program. The only substitution in the program for the rest of the afternoon was that Rev. Earl Bradley spoke in the place of Dr. Huggins.

Business:

The report of the Executive Committee read by the Moderator was adopted. (See Reports). The resolutions presented by Rev. Milne and his committee were adopted. (See Resolutions). Place and preacher report was given by Percy Gavin. (See Page 1). The Associational budget was submitted by Rev.Terrell, this was approved. (See Budget). Dr. Marshburn made the following motion which was approved: 'I move, sir, that the present Mission Committee be discontinued and a Steering Committee from the Executive Committee be appointed by that body to direct our Mission work, in close conjunction with the Executive Committee, so that the power of action can be brought into reality.'

Your attention is called to the Directory for a list of officers that were elected to serve during the coming year.

A motion was made to amend the constitution and to increase the number of officers of the Association to include a Chorister.

The name of T.K. Woody was presented. Both the motion by Dr. Greenlaw, and the one named from the floor for the position of Chorister were duly adopted. Vote of thanks was extended to the Warsaw Church by the Moderator for their hospitality. J.V. Case called attention to the fact that an increase of over 100% was shown in Baptisms during 1951. Dr. McCulloch also mentioned a sizeable increase in contributions for missions, in the Association during the current year. Dr. McCulloch, Vice Moderator, on motion from the floor to suspend the rules, cast the vote of the Association for Brother Mack Herring to serve as moderator for the next Associational year. Mr. E.L. Peterson said a few words about Bible Schools in the Association. Only three churches failed to participate in this work.

A list of the deceased was read by Dr. Marshburn, and the memorial prayer was led by him. (See In Memoriam). The closing prayer was led by Rev. J.V. Case, after motion to adjourn, and the 124th session of the Eastern Baptist Association came to a close.

ASSOCIATIONAL MISSIONARY'S REPORT

We take this opportunity to express our deep appreciation to the churches, pastors and Associational groups, who have manifested a sympathetic attitude towards our work; we are thankful for all cooperation received, and for all financial support that has made

the work possible. We are grateful for every kind word of encouragement, every courtesy shown, and for every helpful consideration manifested.

Facts and figures are important, but in the realm of spiritual realities it is not possible to fully evaluate Christian service in the terms of mathematics or a dollar yard stick. Sometimes some little thoughtful, ' burden-lifting ' Christlike deed of kindness, might accomplish more good than a big sermon, in some big church by some big preacher.

The most important thing about all of the religious work that we do is the spirit in which that work is done. ' If any man have not the spirit of Christ, he is none of His, ' Rom. 8:9. If we are actuated by 'The Spirit of Christ, ' and ' Go about doing good, ' as Christ did then God will take care of the results, and we shall not be without our reward, though what we do is no more than ' giving a cup of cold water in the name of a disciple ' Matt. 10:42.

However, on such occasions as this, a report that can be tabulated only in facts and figures, is expected: therefore, we submit the following report which summarizes our work for the past Associational year:

Bulletins Mailed out	2760
Letters mailed out	1261
Cards mailed out	411
Other matter mailed out	629
Visits to churches	283
Sermons preached	47
Professions of faith	26

Study Courses taught	6
Aid in formation of Fields	1
Revival Meetings	3
Assisting Pastorless fields	2
Surveys (prospective mission fields)	6
Miles traveled (In Associational Work)	9196

At present, two places, one in particular, are under consideration as suitable spots for the establishment of new Mission Sunday Schools, or churches.

We make one recommendation, as follows: 'That we rethink, and restate the Associational program, and put em-

phasis on helping weak churches, pastorless churches, and other churches as the need may arise, until such time as our churches, pastors, Executive committee, and Missionary can initiate definite Mission projects.

Respectfully submitted,

C. Herman Trueblood

STATEMENT FOR REPORT ON

NORTH CAROLINA BAPTIST HOMES FOR AGING

The North Carolina Baptist State Convention in its November, 1950, session authorized the committee on the Home for the Aging to make plans for the opening and operation of our Home for the Aging as soon as the committee might find a way to meet the cost of equipping and operating. Because of the drive to raise money for the construction of the new wing to the Baptist Hospital, the Convention instructed the committee for the Home not to expect direct help from the Baptist State Convention during the year 1951.

On January 9, the committee on the Home elected Rev. James M. Hayes, pastor of North Winston Baptist Church, Winston-Salem, superintendent of the Home, and Miss Edna Heinzerling, director of Nurses of the Baptist Hospital, to serve as supervisor of our Home. The committee decided to open the Home for residents when sufficient funds became available to begin.

There are many evidences of the Lord's favor upon the Home thus far. In the first place, He led in making a home immediately available. Ten years ago the trustees of the Bowman Gray School of Medicine of Wake Forest College leased a three-story, brick-constructed fireproof building, with an elevator, for a period of 25 years for $1.00 a year. The committee on the Home was able to secure this building for 15 years at the same rental price. The building accommodates 20 residents at present. The top floor, if completed, would give space for 16 additional residents. The completion of this floor would cost approximately $23,000. With more than 100 applications for admission already received, and inquiries coming almost daily, one can easily see the pressing need of more space.

The Home has been greatly helped by the gifts received - furniture, office equipment, heating system, blankets, linens, towels, and many other items, as well as discounts on supplies necessary to be purchased. Although the Home has been operating only since March 16, yet it now has assets approximating $50,000, and is not operating in the red.

Our residents range in age from 67 to 91 years, and come from widely scattered sections of North Carolina - from Franklin to Elizabeth City - the mountains to the sea. Regardless of the sections from which they come, they are a happy, congenial family, all rejoicing in the opportunity to live in the Home. The attitude of all the residents is well expressed in the brief statements of Miss Bertha Callaway, former matron of Mills Home Orphanage: 'I like this good Christian home'; and of Mrs. Carroll: 'I wouldn't exchange it for any other.'

The Home offers four things to those who come to live there: security, comfort, congeniality, and a Christian ministry. With this sort of program, North Carolina Baptists can add years to life, and life to years for those who reside in our Baptist Home for the Aging.

One donor said when he sent his check to the Home: 'I believe in this practical kind of Christianity. North Carolina Baptists have waited too long to begin it.' Surely it is practical, for Jesus said: 'Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.'

The committee on the Home has challenged North Carolina Baptists to build a home adequate to meet the need of the increasing number of old people from 65 years up. Their program calls for a million dollar plant, which would accommodate 270 residents. With the Lord leading and North Carolina Baptists cooperating, such a plant should be built and in operation within a few years.

'Now also when I am old and grayheaded, O God, forsake me not.' (Psalm 71:18).

REPORT OF RESOLUTIONS COMMITTEE

We, the committee on Resolutions representing the Eastern Baptist Association, wish to present the following:

1. We wish to express our sincere gratitude to the host churches for their kind hospitality during the 124th session of the Eastern Baptist Association-our thanks to Piney Grove and Warsaw Baptist Churches.

2. We wish to thank our efficient Associational officers and committees for their splendid work of the past year and especially for the work during this session of our Association.

3. We wish to express our deepest appreciation to the program committee for all who participated in the program.

4. We wish to commend for our most serious consideration, the translation in action of all that we have heard and felt at this association and that as we go forth, we will in reality make Christ Supreme in our Homes - in our Lives - in our Churches - in our World!

REPORT OF COMMITTEE ON MEMORIALS

During 1951 Associational year, 74 of our comrades have been called to their final reward. We praise God for their lives and for their co-operation in our Master's work on earth, and we trust all shall come together again beyond that Beautiful River.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully

and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

ADJOURNMENT

PROCEEDINGS

On October 7, 1952, promptly at 10:00 a.m., the one hundred and twenty-fifth annual session of the Eastern Baptist Association convened in the Siloam church, with Mack Herring, Moderator, presiding. Rev. J. R. Bene, Chorister, led in singing, "All Hail The Power of Jesus' Name." The call to worship was given by Rev. Millard Johnson, reading from the third chapter of first Corinthians, and leading in prayer.

The report of the Associate Clerk was called for by the Moderator, this report revealed: forty-nine messengers, fifty visitors, and a total of twenty-eight churches represented. Having a majority of the churches represented the Moderator declared the 125th session of the Association ready to transact business.

Dr. Greenlaw, program committee chairman, gave his report, presenting the printed program, this was adopted by motion.

Motion was adopted that the rules be suspended and the Moderator declare the vote of the Association to re-elect Paul L. Cashwell clerk. This motion was made by Rev. J. V. Case.

The report of Committee on Committees, W. I. Terrell, chairman, was delayed until the afternoon session. Garland P. King, Treasurer, gave his report for the Associational year, this was received and filed by motion of Mr. Harry Stewart. (See Reports) A call was made for Petitionary Letters. Rev. Eliott B. Stewart, pastor of the Teachey Baptist Church, presented a letter to the Association, from the Teachey Church, requesting membership. It was brought out that the Teachey church was a former member of the Eastern Association from the year of Teachey's organization in 1885 until 1900, when the Eastern Association was divided to form the Wilmington Association. Mr. Harry Stewart made a motion that the Teachey delegation be called to the front (there were eight messengers from this church) and the right hand of fellowship be extended to them by the Moderator. This was done and the Teachey church was extended a warm welcome into the Eastern Association. (The Eastern Association now has a total of thirty-nine churches).

An announcement was made by Rev. J. V. Case requesting all churches to make good their pledges to the Baptist hospital, Winston-Salem, for the construction of a new wing.

Rev. Paul Mull was called to the front, by the Moderator, to extend the right hand of fellowship to the new pastors coming into the Association during the year. (See New Pastors) Recognition of visitors was in order at this point in the program and the Moderator asked them to stand. Several were recognized among whom were Miss Isabell Knott, educational and music director for the Mount Olive church, and Mr. H. M. Stroud from Spruce Pine, N. C. The Moderator called attention to the presence of Mr. Harry Stewart, stating that sickness had prevented his attendance for the past two years.

Prior to the next part of the program, "Fellowworkmen In The Local Church," our very efficient chorister led in singing, "What A Friend We Have In Jesus."

Please refer to the printed program for the reports and discussions on the Sunday School, Vacation Bible School, Training Union and Brotherhood. One substitution was made due to the absence of Mr. Teachey. His report was read by Mrs. George McGill. Mr. Clarence Shipp was called on to tell, "How We Did It," in the Clinton church. Many arresting statements were made during this part of the program: E. L. Peterson: "Only six churches represented at a recent Associational Sunday school meeting." Mrs. Bill Vann: "Thirty-nine housewives assisted with the Vacation Bible School in the Warsaw church." Mrs. George McGill: "Old Satan and his cohorts, are very powerful, taking advantage of every opportunity, trying to defeat our very purpose. If we are to advance for Christ it is necessary

for us to have more trained and enlisted leaders, more young people who are willing to say, 'Here am I, send Me.'" J. B. Williams: "Christians must grow spiritually if we are to make the gospel interesting." He also told about a Training Union paper, "News and Views in T. U." that is enclosed in the Church Bulletin each Sunday morning at the Mount Olive church. Clarence Shipp: "Dedicated men are needed in the church today." The host pastor, Rev. E. F. Knight, issued instructions to all present where to go and what to do during the noon hour. All joined in singing, "He Leadeth Me." The Associate Clerk reported a total of 316 present, thirty-six churches represented. A solo, "No One Ever Cared For Me Like Jesus," was rendered by Miss Isabell Knott just before the introductory sermon by Rev. Eliott B. Stewart. Rev. Stewart used as his subject, "Pillar and Ground of the Truth," asking the question, "what would God have me do as an individual." The speaker read from the third chapter of first Timothy. Mr. J. C. Powell closed the morning session with prayer, asking God's blessings on the food.

Afternoon

Inspirational singing at the opening of the afternoon session was under the direction of Rev. Bene. "Sinners Jesus Will Receive" and "I Am Resolved" were used. Scripture reading and prayer by Rev. Wade James. Ten verses from the sixth chapter of second Corinthians were read. Mrs. Raymond Blanchard, Superintendent, Woman's Missionary Union gave her report for the year's activities of that organization. Among other things Mrs. Blanchard stated that there were only 3 churches in the Eastern Association that did not have W. M. U. organizations. The Lottie Moon Christmas offering amounted to $3,014.70 during 1952, according to Mrs. Blanchard. The speakers on the next part of the program, "Society's Call to the Workman," were: Hubert Phillips, J. V. Case, and W. I. Terrell. Judge Phillips speaking on Civic Righteousness said: "Christian voices must sound out to the world if we are to take the gospel of Christ to the people." Rev. J. V. Case speaking on Associational Missions made four recommendations that were duly adopted by motion. These were: (1) That a strong mission-minded committee be appointed out of the executive committee to continually study new opportunities for Associational Missions and recommend such to the executive committee. (2) That if a church or field of churches could be helped to have a resident pastor by aid from the Association either financial or otherwise that the Association look with favor on such a program. (3) That we ask the pastors to select a committee from their group to aid in the forming of fields and in helping to secure pastors for pastorless churches where such help is desirable and wanted. (4) That we use the money in the Visual Education Fund to set up a library of visual aids such as filmstrips to be used by all the churches and organizations in the Association and that such library be in Warsaw under the direction of the Warsaw Baptist church. An amendment, made by Rev. A. L. Brown, that the filmstrips were to be selected by the mission committee was adopted. "All the organizations of our churches, Sunday School, Training Union, Women's Missionary Union, should be used to look for new opportunities for MISSIONS in our Association," stated Rev. Case. Rev. W. I. Terrell, speaking on Evangelism, said "The churches that cooperated in the Associational wide efforts showed the largest number of baptisms." "We must take Christ to where the people are," pointed out the speaker. Appreciation was expressed by Rev. Terrell for the fine way that some of the churches entertained the pastors prior to the Associational Evangelistic Crusade.

"Send The Light" was the hymn the congregation sang at this point in the program, under the leadership of Rev. Bene.

Several invitations were extended to the Association to meet with their churches in 1953. Action was delayed until the following day. A special

musical number by Mrs. Rouse and Mrs. Wells of Rose Hill was given at this time. All the churches were represented on the first day with the exception of Alum Springs and Jones Chapel.

Rev. Eugene Poston brought a stirring message on Evangelism at the close of the first days session. Rev. Poston, pastor of the Wallace Baptist Church, read as his text Acts 1:1-11. "The tide of New Testament of Evangelism must come back in if the world's crisis is to be met. Personal Evangelism, the person at your door, constitutes the forgotten field of Evangelism," stated Rev. Poston.

All members of the Siloam (host church) were requested to stand, by the Moderator, congratulations were in order for the fine way this church entertained the Association. All present were requested to come to Dobson's Chapel the following day. The benediction was given by Rev. Poston and the first day of the Association was ended.

Second Day

Second day of the Eastern Baptist Association convened promptly at 10:00 a.m., in the Dobson's Chapel church. "Come We That Love The Lord," was the opening hymn. Call to worship was by Rev. J. L. Powers, reading from first Corinthians. The Moderator called attention to the theme for the day, "Cooperative Stewardship." Several attendance reports were given during the day, the final account being: 34 churches represented, with a total of 306 present. The minutes of the previous days session were read by the clerk and approved as read. Mr. C. V. Garner made some remarks about the Baptist hospital in Winston-Salem, and introduced Mr. Benard to bring us up to date on this subject. The speaker gave as a definition of health, "Wholeness of Life." In the absence of M. B. Holt, the Moderator introduced W. C. Reed, to speak on the Orphanages in N. C., that are supported by the Baptist people of the state. The speaker named several children in the orphanages from the Eastern Association. He quoted Isa. 61:1.

Information pertaining to the Home For The Aging was given by Paul Mull. Among other things Rev. Mull said that the home was filled to capacity, with ages ranging from 64 to 92. This institution that was opened March 16, 1951 according to the speaker Mr. J. M. Hayes, superintendent of the home, was introduced and he told the congregation that there were no ministers in the Home For The Aging. Quoting from the report given by J. M. Hayes, "In spite of the fact that Resthaven did not receive financial assistance last year from the Baptist State Convention, (except a loan which was repaid), it was operated clear of deficit. How did this happen? By the Lord laying the needs upon the hearts of friends and causing them to respond."

Something new was introduced at this Association in the form of a question and answer period. Questions were called for at this time as follows: "How much charity work does the Baptist hospital do? Answer: $330,000.00 during 1951." Question: "Why does the orphanage desire not to come under the nine year program of the State Convention? Answer: "Because all the churches do not have budgets." Question: "Why not include Home For Aging in the Cooperative Program?" Answer: "The State Convention and General Board have the answer to this question." Question: "What are the requirements for entering the Home For The Aging?" Answer: "Give all assets to the home, pay $100.00 per month and seventy five per cent must be Baptist." Rev. Bene led those present in singing, "Rescue The Perishing." At the conclusion of the hymn Brother Bene brought an interesting report on State Missions, as he stated the goal was for North Carolina to be Christian. Miss Isabell Knott gave a report on Home Missions using the theme "Ye Shall Be Witnesses." Christianity must conquer at home then abroad, stated Miss Knott. The Foreign Mission report was given by Rev. A. L. Brown as he related the fact that the

Southern Baptist Convention has 832 missionaries, serving in thirty countries. The speaker emphasized the fact that ninety four per cent of the money given to Foreign Missions goes to the foreign fields.

At the business period to follow, Brother Mack Herring, Moderator, gave the report of the Executive Committee. (See Reports) A motion was adopted for the Eastern Baptist Association to name a representative for the Home For The Aging. The host pastor, Rev. Van Murrell, was recognized and he gave instructions about the noon meal. The chorister, Brother Bene, sang a solo, "What Shall I Give Thee, Master."

A stirring missionary address by J. C. Powell brought the morning session to a close. Mr. Powell called on Rev. Oscar Creech to lead the closing prayer and ask God's blessings on the food.

Afternoon

As the afternoon session got underway singing was enjoyed by all, using the hymns, "Showers of Blessings" and "When We All Get To Heaven." Rev. J. V. Case, Vice-Moderator, presiding. Rev. M. M. Turner read from the fourth chapter of Ephesians and led in prayer.

Mrs. Robert Johnson brought a report on Christian Literature, asking the question, "What are our teenagers reading?" She called attention to several publications that should be in every home. Dr. Carpenter was introduced and he told us that the present circulation of the Biblical Recorder was 50,893 and the goal was set for 55,000 by the time the Southern Baptist Convention meets in Houston, Texas.

Dr. Greenlaw presented several speakers representing our institutions of Christian Education. Dr. Gaines Rogers, Wake Forest, stated that contracts had been let for three buildings in Winston-Salem. Rev. Oscar Creech, Chowan, asked the question, "What is happening to our teenagers?" Dr. Leslie Campbell, Campbell, stated that the goal for North Carolina Baptist, nine year program, was "too small." A three point program was outlined by Dr. Greenlaw, designed to meet the present day needs of Christian Education. Rev. J. V. Case made a few remarks about the American Bible Society. After the singing of the hymn "Higher Ground," Brother Caes handed the gavel over to the Moderator.

Business period: Place and Preacher report by M. M. Turner; Mt. Olive and Rowan churches for the 1953 meeting, Rev. Wade James to preach the introductory sermon, Rev. E. F. Knight, alternate, was adopted by motion. Rev. W. I. Terrell presented the budget report for the coming year, this was adopted. (See Reports) One amendment was passed to this report, "The money for new churches be administered by the Executive Committee."

Mrs. Bene read the report of the resolutions committee and this was adopted. The Moderator expressed thanks to Mrs. Bene for serving as pianist all during the Association. Other reports were presented and adopted including the Sunday School and Training Union officers to serve during 1953, given by Brother A. W. Watson. Officers were elected to serve during 1953. (See Directory) Dr. M. A. Huggins spoke on Stewardship, (See Program) emphasizing the nine year program of N. C. Baptist. Rev. Vann Murrell read a list of the deceased and led in a memorial prayer. (See In Memoriam). Closing remarks were made by the out-going Moderator, Brother Mack Herring, as he handed over the gavel to the newly elected Moderator, Rev. J. V. Case.

Brother Case requested the prayers of the entire Association as he accepted the responsibility of Moderator.

By motion, duly adopted, the Minutes of the Eastern Baptist Association, for 1952 meeting are to be dedicated to the memory of Rev. N. E. Gresham.

The closing prayer of the One Hundred and Twenty-fifth session of the Association was led by Brother Mack Herring, and the curtain came down on a group of God's people that had assembled themselves to transact the business of the Kingdom of Christ here on this earth.

REPORT OF THE EXECUTIVE COMMITTEE

Your Executive Committee has transacted the following items of business since our last annual meeting:

On November 26, 1951, the Executive Committee and the pastors of the Association held a joint meeting for the purpose of making plans for an Evangelistic Crusade in the Eastern Association. After much discussion it was agreed that March 23 to April 6, would be the most satisfactory dates for a majority of the churches.

The Committee on Evangelism was asked to serve as a steering committee for the Crusade.

A motion was made and duly adopted that an Evangelistic Rally be held in Warsaw on the third Sunday in March and that an offering be taken at the Rally to help defray the expenses of the Crusade.

Another motion was made and passed that each church be asked to contribute $3.00 toward the expenses of the Crusade.

In accordance with instructions from the Association a Missions Committee was named within the Executive Committee. The following were named to this committee: Mrs. R. W. Blanchard, Dr. Roy R. McCulloch, and Mr. Mack Herring.

The Executive Committee requested Dr. A. W. Greenlaw to look after and place in safe keeping the equipment in the office of the missionary after January 10, 1952, at which time the office would be vacant.

No further business, the meeting adjourned.

On May 12, 1952, the Executive Committee met in Warsaw. The primary purpose of this meeting was to fill vacancies on committees brought about by some of our brethren moving away from the Eastern Association. The following were approved by motion to serve: Associate Clerk—Rev. E. F. Knight; Chorister—Rev. J. R. Bene; Vice-Moderator—Rev. J. V. Case; Program Committee Chairman—Dr. A. W. CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

PROCEEDINGS

The one hundred and twenty sixth annual session of the Eastern Baptist Association convened in the Mount Olive Church, October 6, 1953, ten A.M. with A. W. Greenlaw, interim Moderator presiding (Dr. Greenlaw was appointed by the Executive Committee to serve until the regular meeting of the Association.) Marvin Spry, chorister, led the congregation in singing "I'm Pressing On The Upward Way." T. W. Williams (host pastor) read Phil. 3:1-14 and was in charge of the devotional.

"I PRESS ON TOWARD THE MARK"

The above words were the general theme for the two day session. The Associate Clerk reported twenty six churches represented. Having a majority the Moderator declared the Association duly constituted and ready for business. All of the thirty nine churches were represented, before the day was over, with ninety seven messengers having registered, along with one hundred and fifty eight visitors. The first order of business was the election of a moderator and clerk. Motion to suspend the rules was adopted and T. W. Williams cast the ballot of the Association for Paul L. Cashwell as clerk. M. M. Turner nominated A. W. Greenlaw for moderator and this was unanimously passed as there were no other nominations. The moderator was elected to serve only during the present session.

Mack Herring, chairman of the program committee, presented the printed program and it was adopted by motion. (See program). The committee on committees, E. B. Stewart, chairman, made the report of that committee and it was adopted. (See committees). The Associational Treasurer, Garland P. King, read his report and it was adopted by motion from the floor. (See reports).

Several announcements were made during the miscellaneous business period, and some visitors were recognized.

All new pastors, coming into the Association during the past year, were called to the front and welcomed to Eastern Association. These men were: Marvin Spry, Minister of music, Bob Melvin, (not present), E. B. Hager, J. C. Mitchell, J. D. Everett, T. W. Williams, L. H. Knott, (not present). Paul Mull extended the welcome to the new comers.

The Moderator called attention to the fact that Eastern Association was growing; one new church added during the year, twenty three more services per month were conducted. "It is growing in interest and close relationship," said the Moderator.

At this point the program was ahead of schedule and a season of prayer, with several laymen participating, was called for by the Moderator. The congregation stood to sing the hymn, "Blessed Assurance." The Sunday School, Training Union, and Brotherhood reports were given by those listed on the program. Only one substitution: J. W. Hollingsworth made the Brotherhood report in the absence of Clifton Knowles. "Eastern Association had an increase in enrollment during 1953 of 650," stated E. L. Peterson. "The number of Training Unions are increasing, however, there are fifteen churches in the Association that do not have Unions," said Mrs. McGill. Making the Brotherhood report, J. W. Hollingsworth said; "Men in the churches need to be given a job, to be busy in the matter of evangelism." An intermediate union gave an interesting Training Union skit. T. W. Williams, host pastor, was recognized. Instructions were given for all present to go to the gymnasium, about three blocks from the church, at the noon hour. A trio from the Mount Olive church sang a number before the sermon. E. F. Knight preached the introductory sermon using Isa. 40:11 as his text. A motion was passed during the morning session for a Sunday School clinic to be held, Jan. 10 to 15, 1954 at some central point in the Association.

Afternoon

Under the direction of T. W. Williams the congregation sang "I Will Sing The Wonderous Story" and "I Am Thine O Lord." Eugene Hagar conducted the devotional, reading selected verses from Genesis, 1, and John 1. Executive Committee report was given by the Moderator, this was adopted by motion with the exception of one item, discussion of securing an Associational Missionary, which was left open until the following afternoon, by request of the Moderator. Mrs. J. D. Everett gave a talk on Christian Literature, requesting all to "Take A Look At Your Magazine Rack." Several volumes of denominational publications were displayed by the speaker. She also said; "Bad reading makes bad living." A. W. Greenlaw presented the editor of the Biblical Recorder, L. L. Carpenter, and he said the Recorder now had a circulation of 55,890.

Lauren Sharp, bringing a report on the American Bible Society, stated that; 13,369,030 portions of scripture were distributed by the Society last year. At the beginning of the afternoon session E. C. Watson, Sr., Vice Moderator, was holding the gavel. At the conclusion of the reports on Literature the gavel was handed back to the Moderator.

During the business period that followed Miss Katie Murray, along with other visitors, stood for recognition.

Rowan extended an invitation to the Association to meet at that church in 1954.

Colleges were represented by H. L. Aycock, Wake Forest, and Oscar Creech, Chowan. At the close of the talks a question and answer period was called for by the Moderator. "What about whiskey in Wake Forest dormitories?" was asked. "There is less whiskey on the campus now with 1400 students, than during 1922, with 350 students," stated Dr. Aycock. "Will only those contributing to the new Wake Forest be admitted to that school?" Answer; if student wants an education in a Christian College he will be admitted. Only two girls were rejected this fall at Wake Forest, according to Dr. Aycock. "All Hail The Power Of Jesus Name," was the hymn the congregation joined in singing before the address on, "Our Baptist Program." by E. L. Spivey. "There are 250 new churches in N. C. since 1940," stated Dr. Spivey. "N. C. Baptist have increased their giving 500% in the last twelve years. Cooperative Program giving is now ahead of last year about 16%," according to the speaker. Several questions were asked about the work in N. C. Question: How many objects participate in the Cooperative Program? Answer: State missions reach into sixteen areas in N. C. 55% of the Cooperative Program dollar is used in our state, 45% given to Southern Baptist Convention. "Would more undesignated gifts help?" "Yes," was the answer. Dr. Spivey also stated that undesignated gifts were increasing. The speaker closed the days session, at the request of the Moderator, with prayer; then the congregation stood and sang, "Blest Be The Tie." Thus the first day of the Association was over.

SECOND DAY

The second days session was held at the Turkey Church and not at Rowan as the original plans called for. This was caused by a building program at the Rowan Church.

At the opening of the second day the congregation stood to sing, "Jesus Saves," under the leadership of Marvin Spry, the chorister. J. D. Everett had charge of the scripture and prayer period, reading from Isa. 53.

The first report of the Associate Clerk revealed that thirty one of the thirty nine churches in the Association, were represented. The total attendance record for the day was 250, ninety eight of these being messengers. All of the churches were represented during the Association. The minutes of

the preceeding day were read, by the clerk, and approved with two minor changes. Several visitors were recognized including one Episcopalian. (See program for the theme of second day.)

Elliot Stewart introduced Dr. McGee to give a report on the Baptist Hospital in Winston Salem. Among other things the speaker told us that one half of the new hospital wing was opened this year. Medical service was rendered to patients from ninety counties in N. C. and all of the churches in the Eastern Association participated in the Mothers Day Offering, stated Dr. McGee.

J. L. Powers made a few remarks on the orphanage work in N. C. and then introduced Marse Grant. Mr. Grant used as a basis for what he said; Exodus 2:9. Fifty orphans were converted during the current year, and the speaker brought greetings to the Association from Brother W. I. Terrell, a former pastor and vice moderator, now pastor of the church at the Thomasville Orphanage.

The Home For The Aging was represented by J. M. Hayes. He was introduced by M. M. Turner. $52,000.00 was the amount of the first state wide offering, for this work, according to Mr. Hayes. More than one half of the churches responded to the call for funds. $100,000.00 is the goal for next year. The ages vary from 66 to 93 for those being cared for by the Home For The Aging, said the speaker. There are twelve people in the Winston-Salem home, and forty in the new home in Albemarle.

Several questions were asked at this time; What happens to orphans not adopted by classes, etc.? Answer by Marse Grant; All orphans are properly cared for with adequate clothing, food and other necessities of life. It is a wonderful thing for organizations, classes, other groups, to take one child and grow up with the boy or girl through the orphanage. What percentage of orphans are Baptist? This question could not receive a definite answer, but a majority of the children are Baptist or come from a Baptist back ground, said the speaker. Dr. McGee was requested to explain the chaplain program in the hospital. "It is the duty of the chaplain to minister to the spiritual needs of all patients, visit patients regularly, find their special needs."

Prior to the mission part of the program all stood to sing, "Am I A Soldier Of The Cross?" Mrs. A. W. Greenlaw, R. F. Marshburn and M. M. Johnson were called to the pulpit. The first speaker asked the question, "Are you too big for the little task?" Speaking on Home Missions she related a personal experience that happened on her vacation last summer. Dr. Marshburn stated, the Cooperative Program dollar goes all over the world. As he talked on State Missions, some facts and figures given by Dr. Spivey on the previous day, were quoted. Southern Baptist had 879 Missionaries on foreign fields in 1952. $11,519.78 were given to this cause by Eastern Association Churches during last year, according to the third speaker, Brother Johnson.

The host pastor, J. L. Powers was recognized and he gave instructions with reference to the noon meal, which was served on the grounds. Announcement was made that Miss Macy Cox would give a copy of the "History of W. M. U. In The Eastern Association," to all new pastors. Committee on Committees, E. B. Stewart, chairman, reported that Rowan would entertain the Association on the first day and no church had extended an invitation for the second day. (Johnsons Church voted to entertain the second day in 1954.) T. W. Williams, was named as the preacher for the coming year, and J. D. Everett, alternate. J. C. Mitchell, chairman of the Evangelism Committee, brought a report, in the form of a ten point program, which was recommended to the Association by the commtitee consisting of Mrs. G. S. Best, J. D. Everett and chairman Mitchell. This report and recommendation were adopted by vote. (See reports.) Special music, at this time, was

a solo by Marvin Spry. L. O. Barker, the preacher for the Missionary sermon was not present, a change was made in the program. J. C. Mitchell preached on "Personal Evangelism" using Luke 10:25-37 as his text, and Mr. Barker spoke in the afternoon. At the close of the sermon, Mr. Mitchell returned thanks for the food and this ended the morning session.

AFTERNOON

Inspirational singing was conducted by the chorister, Marvin Spry, the hymns, "Oh How I Love Jesus," "Tis So Sweet To Trust in Jesus," and "On Jordan's Stormy Banks I Stand," were used. A. L. Brown conducted the devotional, reading from Hebrews 12, and leading in prayer. The Memorial service was next on the program and Brother J. L. Powers read the list of seventy three church members in Eastern Association, including five deacons, that were called to their reward during the past year. (See In Memoriam.)

Motion was made to extend the time fifteen minutes for Mr. Biggerstaff, Allied Church League spokesman. Mrs. Raymond Blanchard, brought a report on the work of W. M. U. in Eastern Association. Paul Cashwell made a report on Associational Missions, thanking Eastern Association for the $600.00 given to Grove Park Mission, in Clinton. Evangelism was the subject of Paul Mull, reading Luke 24:49, and Acts 1:8. C. O. Whitley spoke on Civic Righteousness, saying: "There was more liquor consumed in N. C. during 1952 than ever before." W. P. Biggerstaff cited many facts and figures on the problem of alcohol, stating that the industry spent one billion dollars, last year to advertise the stuff. Mrs. E. B. Hales gave the report of the Resolutions Committee, this was adopted by motion. (See resolutions). A report of nominations for Sunday School and Training Union officers was read by A. L. Brown, Chairman, and adopted by motion with the exception of Vacation Bible School leader. M. M. Johnson said he could not serve in that capacity. The Executive Committee was requested to appoint some one to serve in his place.

Motion was made by Brother Brown, and adopted, that two committees be responsible hereafter for nominating Sunday School and Training Union Officers. Motion to extend the time for fifteen minutes to discuss an Associational Missionary was passed. A motion was made for Eastern Association to employ a Missionary. After some discussion a substitute motion was offered for the Mission Committee along with the Executive Committee to submit an estimated budget, including the salary of a Missionary, and the duties of a Missionary, making recommendations to the churches that a man in this capacity be employed as soon as possible. The substitute motion was carried. It was passed by voice vote that the Mission Committee. in the future, be appointed by, and chosen from, the Executive Committee. Budget for the coming year was given, which was the same as last year. This was adopted. The next order of business was the election of officers. Dr. A. W. Greenlaw received much commendation for the way he served during the two days, he was unanimously elected as Moderator for the coming year. See directory for other officers elected. The last item on the program was the missionary sermon by L. O. Barker, pastor of Snyder Memorial Church, Fayetteville. N. C. Mr. Barker used as his text Matt. 28:19-20. After the benediction by the speaker, the one hundred, and twenty sixth annual session of the Eastern Baptist Association was history.

REPORT OF THE EXECUTIVE COMMITTEE

On October 8, after the Association Meeting at a special called meeting the following were appointed to the Missions Committee: Rev. W. I. Terrell, Mrs. Raymond Blanchard, Paul L. Cashwell.

On February 2, 1953 the Executive Committee met at Clinton with these special conclusions: Business included a report from Rev. W. I. Terrell, chairman of the missions committee:

> Meeting recently held in Clinton to discuss the possibilities of establishing mission Sunday school. It was agreed that this would be delayed until tabulations were completed on a census that was recently taken in Clinton. $63 worth of film strips were ordered by the Mission Committee to be placed in the Warsaw Church (Assoc. Library) for use by any of the churches in the Association.
>
> Motion was made that the clerk write B. C. Sheffield, Jr., owner of the office which was formerly used by the Association missionary, Rev. C. H. Trueblood, and offer our apologies for not clearing the office of property owned by the Association and the missionary at the time the rental agreement expired. It was suggested that we offer to pay Mr. Sheffield for the additional use of his office in Warsaw.
>
> Motion was made for the moderator to request Mr. James Ray, State Baptist Student Secretary, to send a student pastor to the Association to assist in V.B.S. and youth revivals during the summer. This would be for a six weeks period and under the supervision of the S.S. Supt. and the moderator.

Mrs. McGill submitted some changes in personnel for Training Union officers: Mrs. Bill Carlton, Rt. 1, Warsaw, Adult leader; Mrs. Ariel McLamb, Ingold, Group 2 Leader. It was requested by Mrs. McGill that the groups in the Association be listed by churches in the minutes. These changes were approved by the committee.

On April 9, 1953 a special called meeting was held in Warsaw at which time Rev. J. V. Case resigned as moderator and Rev. Isaac Terrell resigned as Vice moderator. By motion and adoption the following interim appointments were made: Dr. A. W. Greenlaw, acting moderator, E. C. Watson, Acting vice moderator; Rev. M. M. Johnson to fill other position on Executive Committee; Mrs. W. D. Byrd, V.B.S. leader. Appropriate resolutions were drawn up concerning Rev. J. V. Case's leaving the association.

On June 11 a regular meeting of the Executive Committee was held in Warsaw. As a part of the program of positive thinking in the association the committee recommends that we look with favor on the matter of securing an associational missionary.

The second week in January was set aside for an associational training school for Sunday School workers. The State leadership will direct the classes.

A similar program was set up for the Training Union to be held in March. Both meetings have been confirmed with minor changes in dates.

Bill Vann was appointed to the vacancy on the missions committee and Paul Cashwell was made chairman.

The committee voted to request the budget committee to present a budget to the churches in time for consideration before the association meets. The churches were also to be informed of the suggestions concerning an associational missionary.

The committee approved a recommendation of the missions committee to contribute $500 toward the purchase price of a lot near Clinton to be used for the erection of a new church, also that $100 be given to aid in a tent revival in the above mentioned location.

By general consent through conferences and telephone conversations the committee approved the support for a "Crusade for Christ" evangelistic campaign in Clinton led by Dr. Appelman. This would be sponsored by the association and proper authorization was given to the evangelism committee to appoint proper committees with the counsel of the moderator and Rev. J. C. Mitchell.

At a regular meeting August 27 the date for the Training Union association study was set for March 15-18, with the State Department securing the teachers for the occasion.

A motion was adopted to request the committee in charge of nominating Sunday school and Training Union officers be asked to please make actual contact with each nominee and receive approval of the nomination before placing the name on the list to be voted on. This motion was made in an effort to avoid leaving uncared for vital responsibilities in the association by individuals who cannot assume the leadership position.

REPORT OF EVANGELISM COMMITTEE

Your evangelism committee recommends:

The association adopt a two year program of evangelism and that in all our organizations and programs, primary and focal attention be given to Evangelism.

This program will include

1. Encouraging co-operating churches to have two revival meetings a year, and make proper preparation, prior to each revival.
2. Promote a program of pre-revival and personal evangelism in every church.
3. Encourage each church to have at least one study course on evangelism—using books as "Every Christians' Job."
4. At the end of six months of our associational year, the clerk will solicit a report from each church on the number of conversions, baptisms, and other additions. At this time we have a meeting of all churches, with reports, instructions, and sermon.
5. Simultaneous revivals in all churches—March-April. One or two weeks as near the date as possible.
6. Recommend to every church and pastor that doctrine of atonement be given emphasis in 1954 in accordance with action of the Southern Baptist Convention in Houston last spring.
7. Lead all churches to co-operate with Southern Baptist Convention in simultaneous revivals to be conducted in this section March 21-April 5, 1955.
8. That we strive to win and baptize 500 in 1954.
9. That associational officers do all possible to lead churches to co-operate with this program if adopted.
10. Program Committee build next Annual Assoc. program around evangelism.

Respectfully submitted,

J. C. MITCHELL

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the

support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another ir prayer, to aid each other in sickness or distress, to cultivate Christian symprthy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Our church was sponsored and organized by the First Baptist Church of Clinton. The church covenant and articles of faith were formally adopted and the church constituted an independent unit on April 16, 1954. "Done by order of church assembled on Sunday the 3rd day of October, 1954."

(Signed):
GROVE PARK BAPTIST CHURCH,
Robert A. Melvin, Pastor.

Mrs. Nathan McLaurin, Clerk.

PROGRAM COMMITTEE

Brother Ted Williams, chairman of the Program Committee, presented the printed program with few minor changes, this was adopted.

A motion was made that the report of the Committee on Committees be delayed until Wednesday in order to give time to discuss some proposed amendments to the constitution. Brother Motley read the proposed amendments, as recommended by the pastors. It was suggested that these amendments be considered and voted on the following day by the Association.

An amendment was made to the motion that a committee be appointed to study the proposed amendments, and bring a report to the next annual meeting of the Association. This amendment did not carry and the original motion was adopted.

TREASURER'S REPORT

This report was given by Brother Garland P. King, treasurer of the Association. It was adopted along with a report from the auditing committee, Brother Lanier, chairman. (See reports.)

EXECUTIVE COMMITTEE

A report of the Executive Committee, read by the Moderator, was adopted as read. (See reports.)

NEW PASTORS

Paul Mull, former president of the Pastors Conference, extended

the right hand of fellowship to Julian Motley, J. W. Mears, and Bob Melvin. Eugene Martin, minister of music, First Church, Mt. Olive, was also recognized. Ben Philbeck, U. A. McManus (not present).

At this point in the program several visitors were recognized from other associations, and other faiths.

"THAT YE PRESENT"

This was the theme for the day. It was often called to the attention of those present, during the day, by the Moderator. Sunday School and Vacation Bible report was discussed by Brother Clarence Shipp. Only six churches in the Association made the 20 percent increase in Sunday School enrollment during the "Million More In '54" campaign.

Speaking for the Training Union Brother Elliot Stewart reported an attendance of 361 on "M" Night in Mount Olive church.

According to Brother Julian Motley, reporting for the American Bible Society, 15 million volumes were distributed over the world, in 1953 by the organization. These reports were adopted.

HOST PASTOR

Brother Johnson extended a most cordial welcome to all those present, and gave instructions concerning the noon meal.

INTRODUCTORY SERMON

After the solo, "In My Father's House," by Eugene Martin, the introductory message was brought by Brother Ted Williams. Using the theme, "That Ye Present," the entire 12th chapter of Romans was used as a basis for the sermon.

At the close of the message the speaker asked God's blessings on the food, bringing the morning session to a close.

TUESDAY AFTERNOON SESSION

Opening the afternoon session Marvin Spry led the congregation in singing "O, How I Love Jesus."

Scripture and prayer was by Brother Bob Melvin, reading selected passages.

CHRISTIAN EDUCATION

Mrs. Hager presented a report on Christian literature, stating among other things that the Home Life magazine has reached a circulation of 650,000.

Brother A. L. Brown made a few comments about The Biblical

Recorder and then introduced C. W. Bazemore, a representative of the Recorder. Thirty-four churches in Eastern Association get the Recorder, according to Brother Bazemore. Another interesting observation made by this speaker was that an average of one Baptist Church was born in N. C. during 1953, each week. During a brief business period the Moderator called for a vote of thanks to the Rowan Church for the splendid way they had entertained the Association.

Brotner C. O. Whitley, from Mount Olive Church, gave a report on Baptist Colleges and Seminaries. A representative from Campbell College made a few remarks about this school. In answering the question, "Can a student get high school and college training at Campbell?" the speaker stated it was possible to do so. It was pointed out that an increase of 14 percent, in Southern Baptist Colleges, was shown in 1953.

"He Leadeth Me" was the next hymn sung by those present, before the address on Christian Education.

At this point in the program a special number was rendered by the choir of the host church, under the direction of Mrs. Millard Johnson, "Our Father In Heaven."

Dr. W. C. Strickland, from the Southeastern Seminary brought the address on Christian Education. He used Deuteronomy 6:4-9 as a basis for the message. In answer to the question, "Can girls enter Southeastern?" Dr. Strickland explained that five girls were students at the present time.

At the close of Dr. Strickland's address the Moderator called for a motion to adjourn. A motion was made and Paul Cashwell led in the closing prayer. This brought to a conclusion the first day of the 127th annual session of the Eastern Baptist Association.

SECOND DAY

The second day session, which was held at Johnson's Church, got underway with T. W. Williams leading the group in singing "Jesus Calls Us," after which U. A. McManus led the devotional thought taken from Luke 16:1-17, followed by prayer.

The attendance report, given by Paul Mull, showed 33 churches represented, 38 messengers, and 350 total attendance. The minutes for the preceding day were read and approved. T. W. Williams then announced that the Association would meet with Sharon Church and Beulaville Church for the coming year. Julian Motley to be the preacher.

J. L. Powers introduced D. W. K. McKee from the Baptist Hospital, who gave a first-hand report on some of the activities there. A report on the Orphanage was given by E. B. Boyette and W. I. Terrill, in which they brought out the needs of the Orphanage and also

something of how we are meeting those needs, also something of what is needed to continue meeting the needs.

Eugene Hager, Home for Aging Representative for this Association, introduced Rev. Zeb Caudle who brought a brief talk concerning the work being done at Resthaven, which cares for 19 people and also at Albemarle, which takes care of 54 people.

After Marvin Spry led in the singing of "Jesus Saves" a Mission report was given by J. C. Mitchell, who says our Association gave $49,724 of which only 19 cents of each dollar went outside the local church. He stated that we must have vision, money and people to build spiritual roads.

Host pastor, Paul Mull, welcomed messengers, visitors and others and made announcement concerning dinner to be served on the grounds.

A sextet from the First Church, Clinton, rendered special music, "Send Out Thy Light."

Dr. Earle Bradley brought morning message on Stewardship. He stated that ours is not a financial problem, but a need for lives to serve. Christian living is the need of all Baptists; rendering their time, influence, and possessions to Him. One out of every four verses in the four gospels deals with property and money.

Session adjourned for dinner.

AFTERNOON SESSION

The afternoon session began with Marvin Spry leading in singing "I'm Pressing on the Upward Way." In the absence of James Tate, M. M. Johnson took charge of the devotion, reading from I Corinthians, Matthew and John; after which he led in prayer. E. B. Stewart was in charge of the Memorial Service Roll Call. "Faith of Our Fathers" was sung, after which E. C. Watson led in prayer.

Sunday School officers and Training Union Officers for the coming year were named and adopted. Report of Resolutions Committee was read and adopted.

Amendment to Constitution was recommended by the pastors. Motion was made by T. W. Williams and after lengthy discussion was voted on and adopted to change the setup of the Constitution; which is found elsewhere in these minutes. It was brought out the corrections will have to be made from time to time to fit our changing needs.

Following this, officers were elected for the following year. Mack Herring was elected Moderator, but asked that his name be withdrawn; after which, our beloved secretary, Paul Cashwell, was elected to the chair. (Note list of our Associational officers.)

H. C. Allen gave report on Associational Work in the Brotherhood; followed by a report from Mrs. Lula Q. Parker on the W. M. U. Work in the Association.

W. P. Biggerstaff of the Allied League gave a report on efforts against Alcohol and other Narcotics, beginning out that there are 67,000,000 people above the age of 15 using liquor. Seven million are problem drinkers, while 60,000,000 are "social drinkers." As an illustration of the advertisement carried on by the liquor industry, Mr. Biggerstaff showed a calendar picture of Christ, published by a liquor concern in Texas and inscribed on that picture was "The House of Good Spirits." He suggested that a Temperance Committee be set up in each church and have a program on alcohol education.

J. C. Mitchell's report on Evangelism showed that in the Association there were 445 baptisms in the Associational year, which was 55 short of our goal of 500.

Report on Revival Crusade was presented by Joe Everett. Date is to be March 27-April 5. Suggested study book is 1 in 8. Rally Day for men is February 28 at night. Rally Day for women will be during the day March 15. Prayer services to be held two weeks before revival.

April 3 is high attendance day in Sunday School.

April 10 is high attendance day in Training Union.

During afternoon session, special music was rendered by the Junior Choir of the Warsaw Church.

The closing message was delivered by Rev. Douglas Branch, pastor of First Church, Rocky Mount. He warned against cheap substitutes for Evangelism, stating that the gospel rests on the Deity of Christ. Personal witnessing is our basic weakness. The whole purpose of the Crusade is to win men to Christ. As motive for winning he quoted 2 Corinthians 5:14.

After motion to adjourn, Mack Herring led in prayer, thus bringing to a close the 127th session of the Eastern Association, leading us to forget the past and press on toward the goal ahead.

REPORT OF THE EXECUTIVE COMMITTEE

1953-1954

Your Executive Committee held six meetings during the past

year and transacted business as follows:

On November 2, 1953, the following were appointed to the Associational Missions Committee: W. Y. Vann, Warsaw; Mrs. Raymond Blanchard, Turkey; Mack Herring, Mount Olive.

Johnson's Church and Sharon Church extended invitations for Associational meeting for second day of 1954 meeting. Johnson's invitation was accepted because it was received first.

The Associational-wide Sunday School Clinic to be held in January, 1954 was discussed. Superintendent Clarence Shipp suggested the date of November 17, 1953, as Sunday School Rally Day for the Association. The Executive Committee requested that the Associational Sunday School officers handle the clinic and Rally Day programs as they saw fit.

W. Y. Vann, chairman of finance committee for the Appleman Evangelistic Campaign, reported a cash balance on hand of $509.25. Motion was adopted by Executive Committee that this cash balance be turned over to the Associational treasurer for general fund.

On November 17, 1953, the resignation of Brother E. C. Watson from the Executive Committee was reluctantly accepted in view of his devotion, faithfulness and wisdom in serving the association in many ways.

Rev. Elliot Stewart was named to the position of Associational Training Union Director after the resignation of Mrs. Joe Everett was accepted.

Motion was adopted for the Association to pay $25.00 travel expense of the Sunday School Rally workers for their trip to Warsaw.

On January 12, 1954, motion was adopted unanimously to request the Moderator to present a statement to the associational treasurer, for expenses incurred in entertaining all the workers helping in the Sunday School Clinic, under the direction of Dr. L. L. Carpenter.

The Moderator was advised to request the treasurer of the Association to make up any deficit that might incur in selling the Study Course Books.

On February 1, 1954, Brother C. O. Whitley of Mount Olive was unanimously selected to fill the position as Associational Christian Education Representative.

Appointments were made to fill the following vacancies: Associational Sunday School Officers-Vacation Bible School Work, Rev. Julian Motley, Rose Hill. Associational Training Union Officers-Young People's Leader, Mrs. Paul Tucker, Magnolia.

Motion adopted for the Association to pay travel expense of Associational Vacation Bible School Worker to conference at Fruitland.

Mrs. L. H. Lamb, Ingold, was appointed to fill the vacancy on the Executive Committee created by the resignation of Brother E. C. Watson.

The Immanuel Baptist Mission in Clinton, by unanimous vote is to receive $600.00 from the Church Assistance Fund of the Association to pay the rent on a building now occupied by the mission for a period of twelve months. This is a mission of the Clinton Baptist Church.

April 4, 1954, was the date set for the Associational Evangelistic Rally. The place for the rally to be named by the Evangelism Committee.

Rev. Elliot Stewart, Associational Training Union Director suggested the dates of March 15-18, 1954, for an Associational-wide Training Union Clinic. Brother Stewart was requested to secure necessary workers and pay expenses incidental to the clinic from the Associational Training Union fund.

On July 5, 1954, in answer to a request from the Southern Baptist Convention, the Executive Committee voted to recommend that the Association name an Associational Radio and Television Representative.

The Executive Committee recommends to the Association that an Associational Brotherhood organization be set up.

On September 13, 1954, the Missions Committee recommended to the Executive Committee that a proposed budget be set up in the amount of $5,910.00 annually, to defray all expenses toward the employment of an Associational Missionary. After the Executive Committee approved the report of the Missions Committee, a motion was adopted as follows: The Executive Committee of the Eastern Baptist Association recommends to the churches of the Association that the budget as suggested by the Missions Committee be adopted and each church requested to contribute at least one dollar per resident member to the entire program of the Association.

DEDICATED TO COLUMBUS IVEY ROBINSON

C. I. Robinson, age 81, died in Sampson County Memorial Hospital, Clinton, N. C., Monday morning, December 27, 1954, at 5 o'clock. Death followed a brief illness, though he had been in declining health in recent years. He was a well known farmer, merchant and religious leader of the Clear Run section of Sampson County. News of Mr. Robinson's death cast a pall of sorrow over this entire section. He was of a happy disposition and made friends with all his acquaintances.

Funeral services were conducted from the Center Baptist Church near Garland by his pastor, the Rev. R. F. Marshburn. Interment was in the Robinson cemetery at his home.

Mr. Robinson was the son of the late Columbus and Nancy Vann Robinson, early settlers of this section of the state. He was widely known in business and religious circles throughout this area of the State.

At the age of 15 he became a merchant's assistant at Tomahawk, and later a merchant and farmer at Clear Run for many years. At one time he was a member of the Board of Education of Sampson County and later a member of the Welfare Board. He was Clerk of the Eastern Association for 23 years.

When a lad he became a member of Lisbon (now Ingold) Baptist Church. Later, in 1901, he became one of the organizers and a most dependable leader of the Center Baptist Church, Eastern Association. Here, at various times, he served as Superintendent, Adult Teacher, Treasurer, and Clerk. In reality, he and his companion pored out their best in loyalty and loving service to others for their Lord through this beloved spiritual fellowship.

In his heart there was a great love for children, especially orphan children. It was his desire that friends give an offering to the Baptist Orphanage at Thomasville rather than give flowers at his memorial service.

Survivors include his widow, Mrs. Jessie Herring Robinson; two grandsons, one granddaughter; two great-grandsons, and several nieces and nephews.

The Eastern Association dedicates these minutes to Brother C. I. Robinson in appreciation of his fine Christian character and lengthy service to the Association.

RECORD OF PROCEEDINGS 1955 SESSION

Moderator Paul L. Cashwell called to order the one hundred and twenty-eighth session of the North Carolina Eastern Baptist Association at the Sharon Baptist Church, Chinquapin, at 9:45 a. m. on October 4, 1955, by recognizing Rev. Julian Motley, Associational Chorister, who led the congregation in singing "All Hail the Power of Jesus' Name." Rev. Grady McKeithan read Romans 10:1-17 and led the association in prayer.

The election of a new clerk became the first item of business before the association, and Rev. H. M. Baker was nominated to serve as the new clerk of the association. A motion that the nominations be closed was adopted, and Mr. Baker was elected by acclamation.

Moderator Cashwell next recognized Brother M. M. Turner, Chairman of the Program Committee, who called attention to one correction and moved the adoption of the printed program already distributed as the agenda for this session of the association. His motion was seconded and unanimously adopted without discussion.

The next item of business was the appointment of committees to serve at this session of the association, and Moderator Cashwell designated the following committees at this time:

Place and Preacher: Lauren Sharpe, Rudolph Massey and E. F. Knight.

Resolutions: H. L. Stewart, Sr., Mrs. Raymond Blanchard, T. W. Williams.

Memorials: A. L. Brown, Mrs. George McGill, E. C. Watson.

Garland King, Associational Treasurer, was recognized next for the treasurer's report and the report of the Associational Auditing Committee. These reports were adopted without discussion following a motion and second from the floor.

Moderator Paul Cashwell next presented the report of the Executive Committee, and this report was adopted without change.

Rev. Paul Mull moved that the 1955 minutes of the Association be dedicated to Brother C. I. Robinson who had faithfully served the Eastern Association as clerk for twenty-three years. This motion was adopted unanimously.

Moderator Cashwell called upon Rev. Julian Motley to present the new pastors to the association: Rev. H. M. Baker, pastor of the Warsaw church; Rev. John Durham, interim pastor of Dobson's Chapel and Sharon church; Rev. Grady McKeithan, pastor of the Corinth and Teachey churches; Rev. David Johnson, pastor of Shiloh and Island Creek, and Rev. James Tate, pastor of Immanuel Mission Church in Clinton, were introduced by Brother Motley and welcomed to the Eastern Association.

Preceding Rev. U. A. McManus' report on the Associational Training Union, the congregation sang "Higher Ground" with Rev. J. C. Mitchell substituting for the chorister. At the close of the Training Union report, Brother McManus recognized Mr. George McGill for a report of his special committee to nominate the associational Training Union officers. Both reports were adopted following a motion and second from the floor.

Rev. T. W. Williams, substituting for Mr. E. J. Bundy, presented the Associational Brotherhood Report, and included in this report recommendations for the Brotherhood officers for the coming year. The report and the recommended officers were approved by the association.

Mr. Clarence Shipp, Associational Sunday School Superintendent, was next recognized for a report on the Sunday School work. His report indicated continuing growth in the Sunday School and Vacation Bible School work, and the association voted to adopt his report and the slate of officers he recommended for the coming year.

Rev. Paul Mull, representing the American Bible Society, brought a report in which he stressed the value of the Bible

in winning lost people and asked for an enlarged support of the work being done by the American Bible Society.

At this point, the association being ahead of the allotted time in the printed schedule, the moderator availed himself of the opportunity to recognize some leaders from the different churches in the association. Brother Cashwell then called on Rev. John Durham, pastor of the host church, to make whatever announcements were necessary about the arrangements for the noon meal.

The next order of business was the Introductory Sermon, but before calling on Rev. Julian Motley to bring this message, Mr. Cashwell recognized a choral group from the Calypso church who brought us a blessing in song.

Mr. Motley used as his scripture Ezekiel 47:1-9, the vision of the living waters issuing from the temple, and pointed us step by step to Christ as the living water for our lives, issuing from the throne of God who has made us for the indwelling of this living water through the agency of the Holy Spirit. At the close of the message Brother Motley dismissed the association with a prayer and the blessing of the food prepared for our noon-day meal.

AFTERNOON SESSION

Reconvening at 1:25, Moderator Cashwell called on Brother Ted Williams to lead the congregation in singing "I Love to Tell the Story." Brother Eugene B. Hager had charge of the devotional, and read for us Acts 4:1-22 before leading the association in prayer.

As the first order of business in the afternoon session Moderator Cashwell recognized Dr. J. B. Hipps of the Southeastern Baptist Seminary. Dr. Hipps spoke about the plans already made for remodeling some of the buildings on the campus after Wake Forest College moves to Winston-Salem, the presence of three of our foreign missionaries at Southeastern Seminary this year, and the need for student aid assistance and help in the building of an adequate library. He also reported that Louis McCall, the first graduate of Southeastern Seminary to receive an appointment by our Foreign Mission Board, is now serving on the mission field in Thailand.

Rev. E. F. Knght followed Dr. Hipps with a report on our Baptist Hospital. In his report he indicated that thirty-nine churches in our association reported a Mother's Day gift to the

hospital last year. The total amount given was $2,135.44, including a special gift of $71.64 from the W. M. U. of the Eastern Association. Brother Knight then introduced Rev. Dean Bergen, a chaplain at the Baptist Hospital, who spoke on the work of the hospital, medical school and school of nursing. Mr. Bergen pointed out that with the opening of the phychiatric ward all of the new wing of the hospital was now in use. The report on the hospital was adopted by the association without discussion.

Rev. J. C. Mitchell was next recognized by the moderator for a report on the work of our Baptist Orphanage, and he introduced Mr. W. A. Smith from Kennedy Home. In Mr. Smith's report he pointed out that the new church building at Kennedy Home is almost completed, and that the Orphanage now receives its support through the Cooperative Program and special offerings from the churches. He emphasized that the orphanage strives to develop the child "physically, mentally, in personality, and spiritually." The orphanage report was adopted unanimously.

At this point Moderator Cashwell yielded the gavel to Vice-Moderator E. L. Peterson, who then called upon Rev. J. L. Powers to bring the report on the Home for the Aging. Brother Powers stated that this year will be remembered as a year of enlargement in this work, and that the goal of $100,000.00 will probably be reached by the end of the year. He recognized Rev. Zeb A. Caudle of the Albemarle Home, who spoke of the happiness prevalent among the elderly people cared for in our Homes for the Aging, and the increasing support this work is receiving from our churches now that the State Convention is completing its special efforts on behalf of Wake Forest College and the Baptist Hospital. Upon motion, the report on this work was adopted by the association.

Mr. E. L. Peterson next called on Mrs. U. A. McManus for a report on State Missions. Mrs. McManus spoke on the ministry to the deaf, the work being done in the Fruitland school for preachers, Vacation Bible Schools, aid to pastors and churches, work among students in college, and the work of the chaplains at McCain Sanatorium and Samarcand.

At the request of the moderator, Mrs. M. O. Summerlin brought a report on Home Missions, with an emphasis on the work being done in pioneer states, Alaska, Cuba, and the Panama Canal Zone. She also reminded us of the work done

by our Home Mission Board among foreigners in many of our cities, among American Indians, and with migrant workers. Her report was adopted by the association.

Mrs. G. S. Best followed Mrs. Summerlin with a report on Foreign Missions, and asked Rev. H. M. Baker, son of foreign missionaries, to speak on this report. Mr. Baker pointed out that for the first time in the history of our foreign mission work we now have over one thousand missionaries on the foreign fields, and that the total offering for foreign missions during the calendar year 1954 amounted to almost ten million dollars. He pointed out that missions could not be measured in terms of dollars, but must be measured in terms of life and used as illustrations some observations he had made on a trip to Cuba and Mexico earlier this year.

Dr. M. A. Huggins, Executive Secretary of the North Carolina Baptist State Convention, brought the closing message on missions. Using as his text Paul's words, "I am a debtor to the Greeks and the Barbarians, the wise and the unwise," Dr. Huggins made a special plea for the continuing support of the nine-year advance program of the North Carolina Baptist Convention. Using a chart, he indicated where we are now in this program, and where we hope to be in 1960, and he had with him some suggested goals for the churches of our association in their gifts to the cooperative program during the coming year. Dr. Huggins brought this session of the assocation to a close with prayer, and the association was adjourned to meet tomorrow at the Beulaville church.

SECOND DAY, BEULAVILLE CHURCH

On October 5 at 9:45 a. m., Moderator Cashwell called the Eastern Baptist Association to order for its second day session at the Beulaville Baptist Church. Rev. Ted Williams led the congregation in singing "O, For A Thousand Tongues," and Rev. H. M. Baker had charge of the opening devotional.

Minutes of the first day's session were read by the clerk, and adopted after some minor corrections. Rev. E. B. Hager, associate clerk, brought a report indicating sufficient churches represented by messengers to enable the association to transact its official business.

Mrs. Joe D. Everett was recognized by the moderator for a report on Christian Literature, and her report was followed

by a report on the Biblical Recorder brought by Rev. M. M. Johnson. Mr. Johnson pointed out that six churches in the association do not have the Recorder in their program either on a club basis or on the every family basis. He offered to visit any of these churches on behalf of the Biblical Recorder, and pointed out that "we ought to fear the little read Baptist more than the red Russians or red Chinese." Mr. Johnson then introduced Dr. L. L. Carpenter, editor of the Biblical Recorder, who spoke about the need of reaching the masses in our Baptist Churches by teaching them to read our denominationa. literature and placing it in their hands.

Following the singing of a hymn under the leadership of Rev. Ted Williams, Mr. C. O. Whitley brought a report on Christian Education. He spoke on Wake Forest and introduced Mr. Ombron from Campbell College, and Mr. Creech from Chowan. Rev. J. C. Mitchell represented Mars Hill College, and Rev. H. M. Baker, a trustee of Gardner-Webb College, spoke about Gardner-Webb. Mr. Claude Gaddy represented the Council on Christian Education, and all of the speakers emphasized the needs of our colleges and the value of Christian Education to our nation this day and time.

Rev. Ted Williams brought a report on stewardship in which he pointed out that all we do represents what we interpret Christ's teachings to mean in our daily lives. His report is printed in the section on reports.

The next item of business was a report from the Associational Missions Committee, brought by Rev. J. C. Mitchell. In this report he recommended that Mr. Paul Cashwell be employed as our Associational Missionary and begin hs work not later than January 1, 1956. Mr. Mitchell also presented the proposed budget set up for this work and outlined the duties of an associational missionary. The association was informed that Mr. Cashwell had been offered this position, but that he had not yet made a decision in this matter. The report of the Missions Committee was unanimously adopted.

Rev. A. L. Brown, host pastor, was recognized at this point for a word of welcome to the messengers and instructions relative the arrangements for the noon meal.

Following a solo by Mrs. J. C. Mitchell, Dr. J. Clyde Turner brought the address on missions. In this message Dr. Turner emphasized the oneness of our world in the nature of man, man's need, God's love, the plan of salvation, and Christ's plan

for His Church. Pleading for action to meet the needs of our world Dr. Turner pointed out that there are three things we can do: we can pray, we can give our means, we can volunteer for service in mission areas and work.

AFTERNOON SESSION

The afternoon session began with a congregational hymn sung under the leadership of Rev. Ted Williams and a devotional period led by Rev. J. L. Powers.

Rev. A. L. Brown, chairman of the Memorial Committee, brought a report on our beloved dead and called on Brother E. C. Watson for a special memorial prayer.

Brother Gordon Thigpen was nominated to serve as leader of Group 2 in our Associational Training Union organization, and was duly elected to this office. Rev. H. M. Baker asked the churches that had not already elected a representative to the Associational Council to please do so as soon as possible.

The report of the Committee on Resolutions was brought by Rev. Ted Williams in the absence of Chairman H. L. Stewart, and this report was followed by the report of the Committee on Place and Preacher with a recommendation that the association meet with the Warsaw Church for the first day and the Bear Marsh Church for the second day of its 1956 session. Robert A. Melvin was recommended as the associational preacher with M. M. Johnson as alternate. The reports of both committees were adopted by the association.

The next item of business was the election of officers, and the following officers were elected to serve the Eastern Association during the coming year: J. C. Mitchell, Moderator; E. C. Watson, Vice-Moderator; E. B. Hager, Associate-Clerk; Garland King, Treasurer; and Ted Williams, Chorister.

Following his election as Moderator J. C. Mitchell was given the gavel by Paul Cashwell, and as his first official act he called upon Mrs. Lula Q. Parker for a report on the W. M. U. work. Taking part in this report were: Mrs. Louise Bratcher who spoke on community missions; Mrs. A. L. Brown who spoke on mission study and challenged the men to take part in this work as well as the women; Mrs. Denning who spoke on the young people's organizations; and Mrs. Orzo Thigpen who spoke on the stewardship training program of the W. M. U. with its emphasis on tithing and the four special offerings

sponsored each year by the W. M. U. This comprehensive report of the W. M. U. was adopted by the association.

Dr. R. F. Marshburn brought a brief report on Civic Righteousness which he defined as "a citizen living right in his relationships and circumstances," and he introduced Mr. W. P. Biggerstaff, president of the Allied Church League. Mr. Biggerstaff spoke on some of the goals of the Allied Church League, and stressed the importance of alcohol education, the need of the electorate to let the legislature know that it wants a referendum, the need for a committee on social problems in each church, and the need of a program that will keep our people informed.

The Report on Evangelism was brought by the Rev. Joe Everett. In his report he pointed out that 23 churches had one revival last year, and 14 churches had two revivals. Mr. Everett pointed out that evangelism includes teaching and making disciples, not just preaching.

Prior to recognizing M. M. Turner to introduce the guest minister who was to speak on evangelism, the moderator asked the congregation to stand and sing "Jesus Calls Us." Rev. A. D. Aldrich, pastor of Forest Hills Church, Raleigh, brought the closing address on "The Church and the Evangelistic Mood." Mr. Aldrich stressed that in an age frustrated by its discovery of its own power we must bring back to the church its evangelistic heart-throb. The church, possessed by an evangelistic mood, will grow in numbers, knowledge, grace, stewardship and world-wide evangelism. The conditions necessary to bring about this evangelistic mood in the church are: conviction of utter spiritual poverty apart from God, a turning in repentance to Christ, a confession of Christ to the world, a complete commitment to the task of Christ's Church in the world.

Following this address the association was closed with prayer by Rev. L. H. Knott.

ASSOCIATIONAL REPORT

Allied Church League, Inc.

One phase of our work which needs much more emphasis in the churches is the program of the Allied Church League. It is the conviction of the writer of this report that we will never make any headway toward a solution of the problems and evils created by the sale of and use of beverage alcohol until our people are informed and aroused about the situation which confronts us. We shall never get any action by our General Assembly until the people who elect its members are concerned enough to demand that action be taken. A statewide referendum will come when our churches are sufficiently aroused to create a sentiment in their respective communities that will become vocal enough to be heard in the halls of the General Assembly.

During the 1955 session of the legislature, the League had three representatives in Raleigh most of the time, Hon. Marvin

T. Leatherman of Lincolnton, and its two regular employees. A sincere effort was made to get a bill through calling for a referendum but we again met with failure. We did succeed in rendering ineffective a beer bill which would have brought back to every county in North Carolina 3.2 beer and a second beer bill was killed in committee.

The League is greatly handicapped by lack of funds to promote an effective program and it seems that we may be forced to curtail what we are now doing. This will be tragic in the face of what should be done. There is need for additional personnel, funds for an educational program, new films, and a more vigorous effort in the field of Good Government. We also need to combat liquor propaganda by radio and television and, with a reasonable amount of money we could do a very effective job in that wide open field.

The Drys have recently won two major victories in North Carolina. On July 23rd, an election was held in High Point on the question of establishing ABC stores. The city remained dry by a vote of 5,446 against stores and 2,283 votes for them. Then on August 6th, the voters of Henderson County voted out beer and wine by a vote of 5,976 against beer and wine and 1,499 for beer and wine. We now have forty-nine counties in the State that have voted out beer and wine since local option was granted in 1948.

Problems created by the use of beverage alcohol are increasing as time passes. Under the constant urging of liquor advertising more and more people are using it, and becoming its victims. It is said on reliable authority that one-quarter million people are becoming alcoholics each year. It kills one-fourth of those slain on our highways, and is said to be rapidly becoming the number two health hazard.

One of the major problems in dealing with the situation in our State is that of indifference on the part of many church members. One dangerous attitude is that liquor is here and we can do nothing about it. This is the position of the defeatist. Whatever conditions exist in North Carolina, do so by the churches. There are enough Christian people in our State to do whatever needs to be done if we will only stand together.

It is possible that we need a new approach to some of the problems, certainly in those sections of the State where liquor is entrenched. The Allied Church League program is flexible enough to meet any situation. We are anxious to work with

any group who wants to make an effort toward a solution of local problems. Because the law permits local option on the legal sale of beverage alcohol, we believe every county or city having legal sale should call an election as soon as is practical. An election can be called in any city or county upon the signing of a petition by fifteen per cent of those who voted in the last general election for governor. We also sincerely believe that every church should promote a vigorous program of alcohol education. We are ready to help any church in setting up such a program. It would be very helpful if local groups on the county or associational level would undertake to hold clinics or seminars on alcohol problems. The League would be happy to assist in such work.

We express deep appreciation to our Baptist people for the support given us. You have stood by us financially and have cooperated in a fine way in many elections in various places. We are trusting you for continued support and pledge our best effort in helping to make ours a better State in which to live and a safer one in which to work.

The one hundred and twenty-eighth annual session of the Eastern Baptist Association, meeting with Sharon and Beulaville Churches will be remembered as choice days. Surely God has been with us and we offer our thanks to Him for His many blessings.

Be it therefore resolved that the Association extend hearty

thanks to the churches for their delightful entertainment and to every one who had a part therein.

Be it also resolved that whereas our minds and hearts have been deeply moved during these days by the excellent reports and inspiring messages, we offer to every speaker our profound gratitude; and to those who made this program possible.

BAPTIST BROTHERHOOD REPORT

Much progress has been made this year in Brotherhood work in our association. Several new Brotherhoods have been organized and others have expressed interest in this important phase of church life. We have had the privilege of sharing with some of these new groups in their organizational meetings.

On March 1st of this year, the first Associational Brotherhood Clinic was held. The supper meeting was in Mount Olive. Brother Horace Easom, our state Brotherhood Secretary, told us about the organization and workings of a Brotherhood, and about the program being promoted by the Brotherhood Commission of the Southern Baptist Convention. Thirty of our churches were represented by an attendance of one hundred and sixty. Reports that have come in since this meeting lead us to believe that God is calling the men of our churches to take their rightful places of leadership in His work. We are convinced that it is through this enlarged Brotherhood program that we are able to develop and bring into active play the unlimited potentialities of the great multitudes of men in our association.

Our hope and prayer is that every church in our association will have an active Brotherhood, enlisting our men in the total program of Christ through His church. Call on us if we

may assist in any way.

Respectfully submitted,

E. J. BUNDY, President

1955 REPORT ON BIBLICAL RECORDER TO EASTERN BAPTIST ASSOCIATION

When the North Carolina Baptist Convention was organized in 1830, its main purpose, as stated in its constitution, was "the promotion of missions, education, social service, and the distribution of sound religious literature." Shortly after the year 1833, the BIBLICAL RECORDER was founded, and for 122 years it has born the true message of Baptist life, growth and thought in North Carolina. It has a noble heritage to preserve, and a high mission to fulfill. No Baptist home or mail box in North Carolina is outside the reach of the RECORDER each week.

The present circultation of the Recorder is approximately 61,000 each week. In the Eastern Association the circulation is 1,091. We have seven churches that have the Every-Family Plan receiving 791 Recorders each week. There are 28 churches in our Association that have the Club Plan and receive 300 Recorders each week. We have six churches that have neither the Every-Family Plan nor the Club Plan.

The Recorder has three subscription plans, unchanged for years; individual or single subscriptions are $2.50 a year; subscriptions in the Club Plan are $2.00 a year; and in the Every-Family Plan the rate is only $1.50 a year for each resident home or family in the church.

We would recommend that each church in our Association give some time on a designated Sunday in the year for special emphasis regarding the Biblical Recorder. Urge the people to incooperate the Every-Family Plan and if this is not possible then urge them to incooperate the Club Plan or increase the number of subscriptions in the clubs already formed.

Baptist people need to be the best informed people; and, to be informed they must have the best information about Baptist and what Baptist believe and are doing about their belief.

We cannot do unless we know. The Biblical Recorder

speaks for Baptist and to Baptist of the gospel of our Lord; and, what Baptist are doing about it.

We talk of our fears of the little RED Russian and the little RED Chinese. But, we need to fear the little READ Baptist.

EXECUTIVE COUNCIL REPORT

During the 127th annual session of Eastern Association the constitution was amended to replace the Executive Committee with an Executive Council. The Council to be composed of all pastors, one lay representative from each church, and all officers of the Association.

Five Meetings During Year

There were four regular meetings and one call meeting during the year just closed. Approximately 221 Council members attended the meetings. The interest and enthusiasm were beyond expectation.

First Regular Meeting

The first regular meeting of the Executive Council was held in the Calypso church, October 25, 1954, at 8 p. m. Each person was called on to stand and give his name and the name of his church. The regular meeting of the Association failed to approve the report of the Committee on Committees, this

was approved by the Council. E. J. Bundy was chosen to lead the Brotherhood work. Three committees were appointed by the Moderator to submit nominations for the various committees in accordance with Article 12 of the constitution. All nominations were approved by the Council. (See Minutes.) The Council approved places and dates for the regular meetings. As requested by our State Convention the following names were submitted to the General Board; Paul Mull, J. C. Mitchell, and Mack Herring. One of the three was to be chosen to fill the vacancy created by the resignation of Dr. Greenlaw. The Council approved the request of Immanuel Mission to the State Convention to supplement the salary of Brother James Tate. Approval to employ a part time secretary, not to exceed $50.00 a month, was voted by the Council. It was suggested that some kind of news letter be published monthly. The ladies of Calypso church served refreshments after the meeting.

Second Regular Meeting

January 24, 1955, the second regular Council meeting was held in Beulaville church. At each of the meetings the host pastor conducted a devotional. A report of the treasurer was submitted by Brother Garland King, and approved by the Council. Reports of the organization heads were given at each meeting, along with announcements from the various committees. Brother Julian Motley was granted permission to spend up to $40.00 for Vacation Bible School supplies. Ten new Training Unions were organized during 1954. Brother U. A. McManus, Jr., was chosen to replace Brother Stewart as Training Union Director. Brother E. J. Bundy announced the first Brotherhood meeting, on an Associational level, to be held in Mt. Olive, March 1. The Council voted to grant $600.00 to the building fund of the Faison church, as requested by Brother Turner. The Budget Committee was instructed to poll the churches as to their desire in the matter of employing an Associational worker. The ladies of Beulaville church served refreshments after the meeting.

The third regular meeting of the Council was held in the Teachey church, April 25, 1955. Following the devotion, reports were made by the organization heads. There were 324 awards presented to Eastern Association Sunday School workers, according to Brother Shipp. Brother Motley reported 96 percent of the churches held Vacation Bible Schools in 1954. Training Union workers were granted 489 awards for the first

quarter, according to Leslie Southerland. W. M. U. report was given by Mrs. Parker. Thirty churches were represented at the Brotherhood in Mt. Olive, according to the report. Treasurer's report was approved by the Council. According to the Budget Committee $3,800.00 would have to be underwritten by the churches to employ a full-time worker. There was considerable discussion on the matter. A final vote on the motion to secure a worker was passed by a majority. Refreshments were served by the ladies of Teachey church.

First Call Meeting

A special call meeting, requested by the Pastors Conferance, was held in the Rose Hill church June 7, 1955. Brother Motley led the meeting in a devotion, then explained the purpose of the pastors calling the meeting. As president of the Conference Brother Motley stated that it was the desire of some of the pastors to have a further discussion on the matter of an Associational worker. After much discussion, in true Baptist fashion, a motion was made by Brother Ted Williams to reaffirm the action taken in a preivous meeting, to place faith in the Missions Committee in the selection of a suitable worker. After some amendments were voted down, a unanimous vote was cast in favor of the motion.

Fourth Regular Meeting

The last meeting of the year was held in the Ingold church with Brother Ben Philbeck as host pastor, July 25, 1955. Reports were submitted by organization heads, and committee chairmen. Brother Joe Everett reported 170 professions of faith during the simultaneous crusade. A committee was appointed to name three people, to be submitted to the General Board of the State Convention, from which one would be selected to represent Eastern Association on the Board. The names of J. C. Mitchell, Mack Herring, and Ted Williams were submitted. Brother Knight was appointed to fill a vacancy on the nominating committee. Brother M. M. Johnson was appointed to fill a vacancy as Recorder Representative. L. H. Knott, Mack Herring, and Herbert Baker were requested to study the phraseology in paragraph three, Article 12 of the Constitution and submit a report to the Association. The ladies of Ingold church served refreshments after the meeting.

Summary

To summarize the activities of the Executive Council, for this Associational year, your Moderator desires to express his

appreciation for the splendid cooperation of Christian Brethren during the entire year. Surely, God has enriched our fellowship, and our Association has been richly blessed by the attitude and action of each member of the Executive Council.

To each of the churches who so graciously opened their doors for the Council meetings, to the dear ladies of each church for their hospitality, we extend our most sincere thanks.

Respectfully submitted,
PAUL CASHWELL,
Chairman
PAUL MULL, Clerk

THE DYNAMICS OF FAITHFUL STEWARDSHIP

I Peter 4:10—"As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God."

The objects embraced in the ministry of our churches represent our interpretation of the commission of Jesus. He said to His disciples, "Go ye into all the world, preaching, teaching, and baptizing." This is the church's commission today. So all that we do, all that we say, from the pulpit, in the Sunday School, in the Training Union, in the W. M. U. and in the Brotherhood is our interpretation of this commission.

Now, the objects are worthy, the facilities for carrying them out are adequate, but up to this time the resources have been all to meager. There are several things that will help break this bottle-neck to progress.

1. First, we must all keep informed about our causes. Someone has said that an informed church member is an intelligent church member. We must know that our Sunday School is the teaching ministry of our church. We must also know that the Training Union is the training ministry of our church. We need to recognize the Brotherhood and the W. M. U. as the enlisting agencies of the church, helping men and women and young people to face up to their responsibilities and shoulder their share of the load. We need to be informed about our great world-wide program for Christ.

2. **Secondly, we need to understand and recognized the importance of the budget of our church.** That it is a means of carrying out in an orderly manner the commands of our Lord.

3. **In the third place we need a thorough inventory of our program,** our resources and our potentialities.

4. **We need to accept and practice God's plan in the stewardship of money.**

With these things in mind we come now to consider the Dynamics of Faithful Stewardship.

I. **FIRST OF ALL LET US CONSIDER THE INCENTIVE FOR STEWARDSHIP** (The Why).

1. To help to positionize men within the will and purpose of God. This means for them: redemption, enrichment, (or the more abundant life) and an opportunity to grow in the likeness of Christ.

2. To help to get done in the world what God wants done. That is: to overthrow evil, to spread the Gospel of salvation and peace, and to bring in His Kingdom.

3. To help to supply aims, guidance, and power for righteous living and for kingdom service.

I. **SECONDLY, WE CONSIDER THE OBLIGATION OF STEWARDSHIP.**

This obligation is based on three things:

1. **God is owner.** "The earth is the Lord's and the fullness thereof." We belong to God because He has created us and because He has redeemed us by the precious blood of Christ.

2. **We are trustees of all that we possess.** The trustee's duty is to the owner. Three things the trustee must do:

(1) Preserve his goods.

(2) Increase the trust.

(3) Use the trust according to the owner's wishes.

3. **The requirement of an accounting.** Every trustee must give an account to the owner. "It is required in stewards that a man be found faithful."

III. **THE MINIMUM EXPRESSION OF STEWARDSHIP IS THE TITHE.**

Stewardship expresses itself largely through money; not that we aren't accountable for time, talents and other things, but because money represents our time, our talents, energy, and our very lives; and because it is the only form in which

we can give ourselves to all phases of the Kingdom Work.

In spite of this truth, however, the great majority of our people are not tithers, but mere tippers. There is a great deal of difference. The tither gives to God the first fruits of the increase, a tenth part; but the tipper gives (when he gives at all) of the leftovers, the amount that is convenient. The tithers puts God first, among his creditors, the tipper puts God last.

IV. THE REVELATIONS OF OUR STEWARDSHIP.

What does our giving reveal about us?

1. **The quality of our worship.** Mark 12 tells us, "And there came a certain poor widow, and she threw in two mites, which make a farthing. And he called unto him his disciples, and said to them, "Verily I say unto you, that this poor widow hath cast more in, than all they which have cast into the treasure; for they did cast in of their abundance; but she of her want did cast in all that she had, even all her living." GIVING IS AN ACT OF WORSHIP IN WHICH WE EXPRESS TO GOD OUR COMPLETE CONSECRATION.

2. **The genuiness of our faith.** Faithful giving shows the extent of our faith in God, for we take him at his word.

3. **The measure of our trustworthiness.** We read from Luke 16, "He that is faithful in that which is least is faithful also in much; and he that is unjust in the least is unjust also in much. If therefore ye have not been faithful in the unrighteous mammon ,who will commit to your trust the true riches?"

4. **The sincerity of our love.** II Corinthians 8:8 speaks of proving the sincerity of our love. God proved the sincerity of His love by giving all that He had, even His only begotton son. We prove the sincerity of our love for Him by our faithfulness in the realm of stewardship.

V. THE BLESSINGS OF STEWARDSHIP.

1. **It enriches the life of the giver.** It gives him peace and satisfaction, makes his giving cheerful and worshipful, strikes a blow at selfishness, and develops his spirituality. Further, it makes him heir to greater prosperity promised by his divine partner, and gives him a worthy part in the whole program of Jesus.

2. **It strengthens the church for its task.** It makes possible a worthy local program, facilities and leadership for such a

program, and broadens the influence and usefulness of the entire church.

3. **It insures the means for advancing Christ's Kingdom around the world.** For faithful stewardship means that we are carrying out His command to "Go," "Preach," and "Teach."

God help us to be good stewards of the manifold grace of God!

MINUTES OF EXECUTIVE COUNCIL MEETING HELD IN TEACHEY

The third meeting of the Executive Council held in Teachey's Baptist Church opened with the singing of "I Love to Tell the Story." The Chairman of the Deacons of the host church had charge of the devotion, using I Corinthians 3:5-11 for the Scripture; after which Grady McKeithan led in prayer.

Paul Cashwell, Moderator, called for minutes of last meeting. Count showed eleven pastors and twenty-three laymen were present for this meeting. Reports from Committees were heard as follows:

Clarence Shipp announced that according to records received from State office, 324 Sunday School awards were given in our Association.

Julian Motley announced Vacation Bible School Clinic to be held April 29 at Clinton. Last year about 96 percent of our churches had V. B. S.

Leslie Southerland gave the Training Union report in the absence of U. A. McManus; 489 awards were granted for first quarter of this year.

Mrs. Lula Q. Parker gave the W. M. U. report stating the theme, "Go Quickly and Tell," and also spoke a word in regard

to work being done by the women in the Association.

T. W. Williams reported approximately 30 churches were represented at Brotherhood meeting in Mt. Olive on March 1.

Joe Everette, Chairman of Evangelism Committee, stated that only nine churches had reported results of revivals.

Garland King was recognized for a treasurer's report. Balance on hand, $804.22. Mr. King reported that the budget would have to be approximately $3,800 more to have field worker in Association. Floor was then open for discussion of hiring field worker who would be a young lady to help in our Associational work. The possibility of hiring Associational Missionary was discussed. After lengthy discussion, vote was taken and 25 voted to hire field worker and three voted against. Each Counsellor is supposed to present the recommendation to his respective church and have his church express views concerning the step taken by Council. On Monday night, October 25, 1954, Calypso Baptist Church was gracious host to the first meeting of the Executive Council. Paul Cashwell, Associational Moderator, presided over the meeting which 41 persons attended. Rev. M. M. Turner, Host Pastor, led in the song, "Follow On," after which he brought a brief devotional thought from a passage in Phillipians.

Each person was called on to introduce himself; after which the new amendment was read. It was called to Mr. Cashwell's attention that the report of Committee on Committees was not approved at the Association. This was approved by the Council.

Mr. E. J. Bundy was recommended for Associational Brotherhood Leader, by Ted W. Williams.

Upon approval of the Council, Mr. Cashwell appointed Lauren Sharpe, Mack Herring, and Billy Taylor to nominate officers as called for in the first five Articles of the Amendments. Likewise, he appointed E. L. Peterson, Elliot Stewart and George McGill to nominate officers for the last five Articles.

The Council then approved the dates and places for the three following meetings.

Letter from Dr. E. Norfleet Gardner was read requesting that the Council send him three names of men, one of whom was to be chosen to succeed Dr. A. W. Greenlaw on the General Board. Names sent in were: Mack Herring, J. C. Mitchell, and Paul Mull.

A motion was made and seconded that the Council request $600 annual supplement to pastor's salary at Immanuel Mission.

It was further passed on that a part-time secretary would be hired (salary not to exceed $50.00 per month) until such time as the Association could see fit to employ an Associational Missionary. Among her duties will be assistance in publishing the "Newsletter."

After adjournment the Calypso ladies served punch, cookies, and salted nuts to those present.

Next meeting will be held January 24, 1955, in Beulaville Baptist Church.

Respectfully submitted,
PAUL MULL, Clerk

The second meeting of the Executive Council was held on January 24, 1955, in Beulaville Baptist Church. Host Pastor, Bro. A. L. Brown, was in charge of the devotion which opened with the singing of "O, Worship the King"; after which he read Acts 1:1-12 and Bro. J. L. Powers led in prayer.

The program was then turned over to Bro. Paul Cashwell, Moderator. Count showed there were 15 pastors and 28 layment (a total of 43) in attendance.

After the reading of the minutes, Bro. Garland King was called on for Treasurer's report. Bro. Clarence Shipp, Associational S. S. superintendent, was called on for a few words.

Bro. Julian Motley then made a few remarks regarding Vacation Bible School. The Council voted to give Mr. Motley permission to spend up to $40 on Vacation Bible School books needed in his work. Letter from Mr. L. L. Morgan, offering experienced help for Vacation Bible School work in the association, was read. It was decided that this help was not desired, since it was felt that each church could provide ample workers to carry out their own programs.

Bro. Elliot Stewart brought to our attention that 10 new Training Unions had been organized in the Association during 1954. Announcement was made of the Associational Training Union Tournament to be held on April 17 in Sharon Baptist Church at 3 p. m. Regional Tournament to be held April 22 and 23. Baptist Youth Night was announced to be held on April 30 in Warsaw Baptist Church with Bro. U. A. McManus in charge. Training Union Director, Elliot Stewart, resigned and Bro. U. A. McManus was elected to the job.

Mrs. Lula Parker gave a brief resume of W. M. U. work since its organization in this Association.

Bro. E. J. Bundy announced Brotherhood meeting on March 1 at Mount Olive.

During open discussion Bro. M. M. Turner requested financial aid for new church at Faison. The Council voted to grant $600.00.

The subject of whether to hire an Associational Missionary was brought up and it was voted to let the Budget Committee meet and discuss the prospects of a Missionary and then send a letter to each church requesting that they vote definitely as to whether or not they favored hiring a Missionary.

After adjournment, the Ladies of the Church served pie and coffee.

Next meeting will be held on April 25 at Teachey.

PAUL MULL, Clerk

SPECIAL MEETING OF EXECUTIVE COUNCIL HELD JUNE 6

A special meeting of the Executive Council was called on

June 7 in Rose Hill Baptist Church. The group began the meeting by singing "Work For the Night Is Coming," after which, the Host Pastor, Julian Motley, read the 12th chapter of Romans and called on James Tate to lead in prayer.

Paul Cashwell, the Moderator, explained that the meeting was called as a result of requests from pastors in the Association. Julian Motley, as President of Pastors' Conference, explained that the last Pastors' Conference, the majority of pastors voted to ask that another meeting of the Council be called to further discuss the proposed plan of hiring a field worker for the Association.

Mr. Cashwell opened the meeting for discussion of hiring someone to work in the Association. Then, followed a very lengthy discussion regarding the hiring of a lady or an experienced man, and whether or not the budget would permit hiring a man, the misunderstanding in presenting the proposed program to the churches, etc.

Bill Vann, Chairman of the Missions Committee, reported the amount of money each individual church had agreed to pay for the field worker. The total was $3,283 and with State Aid of $1,000, a grand total of $4,283. There are eight churches which had not reported.

Motion was made by T. W. Williams that Council reaffirm the action of the last meeting—place faith and confidence in the Missions Committee in the selection of a suitable worker for the Association, to be subject to the approval of the Council. This motion was seconded.

J. C. Mitchell moved that the motion made by T. W. Williams be amended that if the churches were willing to pay $1.00 per resident member (rather than 50 cents as had been previously proposed) that the Missions Committee would be instructed to hire only an experienced men for the job. This motion was seconded; but amendment was voted down.

Another amendment was made that the Missions Committee interview both a man and a woman for the job and recommend their choice. This amendment was withdrawn.

At this point, L. H. Knott took the floor and read Acts 1:23-24 and in a few very fitting remarks, stated that we can claim God's promise and let Him show us the person He would have to serve in the capacity of Associational worker.

Paul Cashwell then called for a vote on the motion made by T. W. Williams and each member of the Council voted for it.

The meeting was adjourned with prayer led by Bob Melvin.

Respectfully submitted,
PAUL MULL

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We morever engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Moderator J. C. Mitchell called to order the 129th session of the North Carolina Eastern Baptist Association at 10:00 a.m. on October 9, 1956 in the Warsaw Baptist Church. The Chorister,

T. W. Williams, led the congregation in singing "Come We That Love the Lord." H. M. Baker read Luke 4:16-22 and led in prayer.

The Associate Clerk, Eugene Hager, reported 31 churches represented and the Moderator declared the Association duly constituted.

The floor was opened for nominations for Clerk. H. M. Baker was renominated, but at his request his name was withdrawn. Eugene B. Hager was nominated and elected.

The Association heard the following petitionary letter from the Immanuel Church:

The Immanuel Baptist Church located in Clinton, Sampson County, N. C., hereby applies for membership in the Eastern Baptist Association of North Carolina. Our church was sponsored and organized by the First Baptist Church of Clinton. The church covenant and articles of faith were formally adopted and the church constituted an independent unit on Sunday, October 7, 1956. Copies of the church covenant and articles of faith are attached hereto and made a part of this application. Done by order of the church assembled on Sunday, October 7, 1956.

Immanuel Baptist Church
James H. Tate, Pastor
Mrs. Calvin Mattocks, Clerk

The report was adopted.

The Moderator read the following summary of the Executive Council Meetings:

SUMMARY OF COUNCIL MEETINGS

The Executive Council of the Eastern Association has met five times since the annual meeting of the Association. At the first meeting, November 20, 1955, the Council approved a Committee on Committees selected by the moderator and later approved the report of this Committee about various committees to serve in our associational work during the current associational year. The Council also approved a tentative schedule of activities for the various organizations in the association during the current year.

At the second meeting of the Council, January 23 at the Kenansville Church, the Council heard reports from the leaders of our associational organizations, and approved a motion to defray any expenses that might be incurred by the Missions Committee in their effort to secure an associational missionary.

The third meeting of the Council was a special meeting called

to hear a recommendation of the Missions Committee relative to the employment of Rev. W. L. Crumpler as our Associational Missionary. After hearing a brief testimony from Rev. and Mrs. Crumpler, the Council voted to employ Mr. Crumpler to serve in this capacity at a salary of $2,800.00 per year, with additional grants of $1,200.00 for rent allowance and car expenses, and with a provision that the Eastern Association pay its share of the Minister's Retirement Plan for our missionary. The employment of Mr. Crumpler was to begin February 12, but his pay was made retroactive to February 1 in lieu of the Association paying his moving expense.

The fourth meeting of the Executive Council, at Immanuel Church on April 16, was a meeting in which the Council could not transact any official business in the absence of a quorum, but several reports were heard as matters of information. Dr. Eugene Poston brought a report on the petitions being circulated by the Allied Church League and urged that we seek to obtain as many signatures as possible to this petition.

At the fifth meeting of the Council, July 23, reports on the work of the Sunday School, Training Union and W. M. U. were presented, and two important motions adopted. The first was a motion to accept the resignation of Rev. W. L. Crumpler as our Associational Missionary so that he might accept a position tendered him by the Home Mission Board and the Spanish Church of Barstow, California. The second was a motion that the Council go on record as favoring the movement sponsored by the New South River Association seeking to have the Baptist State Convention accept the offer of the trustees at Pineland College to give this school to the Baptist State Convenion for its operation as a part of our Baptist Colleges in North Carolina. This motion was unanimously adopted by the Executive Council of the Association.

His report was adopted, the Vice-Moderator, E. C. Watson, presiding during this transaction.

During the period of Miscellaneous Business, H. M. Baker called attention to the churches which have not yet sent in the names of their representatives for the Executive Council.

In view of the vacancy left when the Associate Clerk was elected to serve as Clerk, the Moderator appointed Paul Cashwell to serve as Associate Clerk until the election on the second day of the Association.

Eugene Hager introduced the new pastor of the Beulaville Church, Rev. Jerry DeBell.

The Moderator recognized visitors present at the Association. Chorister Ted Williams led the congregation in singing "Jesus Thy Boundless Love to Me."

Eugene Hager was recognized for the Report on Christian

Literature. He introduced Miss Addie Mae Cook, Church Library Supervisor from the Baptist Book Store and C. W. Bazemore of the **Biblical Recorder** each of whom spoke briefly to the Association.

C. O. Whitley gave the Report on Colleges and Seminaries. He introduced Dr. Carlyle Campbell, President of Meredith College who spoke briefly concerning Christian Education and our Baptist Colleges, using Psalms 27:4 as a text.

The Moderator asked everyone to stand; then, recognized the host pastor, H. M. Baker, who gave instructions concerning the lunch hour.

Special music was presented by a trio from the Warsaw Church. Following this, Robert Melvin preached the Introductory Sermon, with Acts 1:8 as his text. He called attention to two words in the text: "power" and "witness."

M. M. Johnson led in the closing prayer and blessing for the noon meal.

Tuesday Afternoon

The Association reconvened at 1:30 p.m. with Vice-Moderator E. C. Watson presiding. T. W. Williams led in the singing of "Come Thou Fount." James Tate read from James 1 and II Timothy 2:15 and led in prayer.

Clarence Shipp gave the Sunday School and Vacation Bible School Reports. They were adopted.

U. A. McManus gave the following Training Union Report and read the nominations of the Associational Training Union Officers for the coming year:

Training Union Report

PROGRESS FROM AN OVER-ALL POINT OF VIEW:

We do not have an encouraging report to give so far as enlistment and attendance is concerned. We did little more than hold our own in enrollment and only a slight increase in attendance. The net results indicate the same number of churches with unions at the close of the year as at the beginning. We still have 12 churches missing the blessings of such a program.

I am encouraged by the quality of work that is being done. In some instances with which I am familiar, the quality of work is indeed good. We do appreciate the effort that is being put forth to make this work succeed.

OUR GOALS—PAST AND FUTURE:

1. We aimed for 1,000 or more awards for study courses. We achieved the goal and hope for at least this many again this year. We have a new series of books on alcohol for use in March, 1957.

2. Participation in tournaments by our churches was disappointing this past year. Seemingly, little stress was applied at the proper places. We were, however, proud of the representatives we had in four of the five types of work. We must begin working now for good participation next April.

There was one very fine note in connection with this phase of Training Union work — the fine attendance at the tournaments held in Rose Hill Baptist Church. We are interested as shown by the crowd.

3. Youth programs were held in several churches. Let's make youth work an integral part of the total church program having at least one special effort for the youth in the course of a year.

Associational Youth Night was held in Magnolia with a very fine program. Traffic conditions limited the response. Let's plan for a big night next April.

4. We held one Officer's and Leader's Council meeting. We would like to follow through with the suggested activities this year.

5. "M" Night program was a good one last year and plans are underway for ours this year. The date is December 3. The theme for the new year is SERVING THE LORD CHRIST. Let's give honest and serious consideration to such a theme.

The question comes to your mind, how are we going to get participation in Training Union? I have said before, and say again—the Pastor is a vital person in the work of the Training Union. But it takes more than a Pastor to constitute a "good" Training Union. We need mass participation. I offer two or three suggestions.

1. Get some interested persons in the Lord's work to look in at a church doing a good job in Training Union. This will help in creating interest.

2. When possible, get some successful Director or Pastor to come before your group and talk Training Union.

3. Get some key persons to attend Caswell or Ridgecrest during Training Union week. Such persons will never be the same after the experience.

4. Promote attendance at mass meetings sponsored by the Training Union in the Association.

5. Pray that God may have his way with respect to training Union beginning with the prayer.

The report was adopted. E. F. Knight moved that the officers nominated be elected. The motion carried. (The names of these officers will be found in the Directory at the beginning of these Minutes).

Mrs. Lula Parker presented the following W. M. U. Report which was adopted:

W. M. U. Report

Twenty-two women from twelve states organized the W. M. U. in Richmond, Virginia, in the year 1888. It was from their vision that the W. M. U. has gone forward with Christ. Here are some of the figures for North Carolina:

Foreign Missions (Lottie Moon Offering)	$331,104.37
Home Missions (Annie Armstrong Offering)	127,222.01
Heck-Jones Memorial Offering	57,966.10
State Missions	74,781.55
Total	$586,074.03

The figures for Eastern Association are:

Foreign Missions	$3,980.51
Home Missions	1,748.04
Heck-Jones Memorial Offering	795.04
State Missions	1,125.45
Total	$7,649.04

These are only the financial figures. It would be impossible to tell you of the "work of love" given by our women for we are "laborers together with God" (I Cor. 3:9—W. M. U. Watchword). Our goal is that: "All the ends of the world shall remember and turn unto the Lord." (Psalm 22:27 — W. M. U. Watchword for 1955-56).

In the absence of E. J. Bundy, who could not be present, T. W. Williams read the Brotherhood Report and nominations for the new year. The report and nominations were adopted.

Brotherhood Report

One of the most encouraging signs of our day is the rediscovery of laymen by our Baptist churches. We have all along realized our deep need of an agency that would attract and hold the men, challenging them to loyalty to Christ and the church, and utilizing them in essential Christian activities. The Brotherhood furnishes our churches with just such an agency.

The Associational Brotherhood has made some progress during the past year. Several churches have been given assistance in organizing Brotherhoods. In March the Associational Brotherhood Clinic was held in the Rose Hill Church. About 175 men attended. During the program, a film-strip "Men on the March" was presented which emphasized the importance of every man being enlisted in the Kingdom's work. The evening was climaxed with an address by Rev. Douglas Aldrich, Pastor of the Forest Hills Baptist Church in Raleigh, in which those present were challenged to go "all out" for Christ.

One of the most important aspects of the work is with the Royal Ambassadors. Already several Brotherhoods have assumed responsi-

bility for the boys. This is perhaps the greatest challenge for service that the Brotherhood has ever received. The boys of our churches are depending upon the men to lead them in a great program of advance, that in the coming years we may have a generation of men wholly dedicated to the cause of Christ.

Nominations: President—Paul Cashwell; Vice-President—W. K. Lewis.

L. H. Knott presented the Report on the American Bible Society. The Moderator replaced the Vice-Moderator on the platform and recognized Paul Cashwell, who reported on registration as follows:

Messengers	85
Alternates	26
Pastors	16
Visitors	147
Total	274

The Moderator called attention to the proposed budget on the back of the program. He then called A. L. Brown, former pastor of the Beulaville Church, to the platform to say a word. Mr. Brown recalled that he had been preaching 41 years and during that time had served two fields in Eastern Association. J. L. Powers led in a prayer of thanksgiving for A. L. Brown and his years of service.

During the business period, H. M. Baker moved that the Association go on record in support of the action taken by the Executive Council favoring the acceptance of Pineland College and E. M. I. by the State Baptist Convention. The motion carried.

H. M. Baker then moved that the Association create a new position to be known as Associational Music Director and that this Director form a Music Committee to plan a Music School to be held in a centrally located church. The motion carried.

Robert Melvin was recognized for an announcement requesting churches interested in being host to the Association next year to see him. U. A. McManus gave directions to Bear Marsh and extended an invitation to all to be present at Bear Marsh for the second day of the Association.

H. M. Baker was recognized and introduced a friend from Brazil, Francesco Paez, who spoke to the Association in Portuguese, H. M. Baker serving as interpretor. Chorister T. W. Williams led in the singing of "To the Work."

The Moderator introduced Julian S. Hopkins, State Evangelism Secretary, who brought the afternoon Message, using

Acts 20:18-20 as his text. He said that God has given evangelism to all, but only Southern Baptists at the present time have been willing to follow a program of evangelism. He stressed the effectiveness of simultaneous evangelistic crusades. How can we get the work of evangelism done? Get at it; Stay at it!—in humility of mind— from house to house—showing others how. Mr. Hopkins then pronounced the benediction.

Second Day—Bear Marsh

At 10:00 a.m. Moderator J. C. Mitchell called the Association to order for the second day of its session. Chorister T. W. Williams led the congregation in singing "All Hail the Power." The Moderator recognized Rev. Jerry DeBell of Beulaville for the devotional in the absence of James Walsh. The Moderator extended a welcome to all and recognized the visitors. Paul Cashwell, Acting Associate Clerk, reported 29 churches represented.

The Minutes of the first day's session were read by the Clerk and approved.

In the absence of A. L. Brown, the Moderator recognized Lauren Sharpe who read the Report on the Baptist Hospital. He then introduced Dr. W. K. McGee of the Baptist Hospital. Dr. McGee reported that all but one church in the Association have contributed to the hospital this year. He told of plans for the construction of a cobalt machine for the treatment of cancer, the coming of a trained plastic surgeon, and the establishment of a research project in Urology.

The Chair ruled that unless some objection is raised reports would be accepted as information except in the case of pertinent information needing some action. No objection was made.

Emmett Boyette gave the Report on the Baptist Orphanage and introduced Dr. W. C. Reed of the Orphanage.

The gavel was yielded to Vice-Moderator E. C. Watson. Grady McKeithan gave the Report on Baptist Homes and introduced Max Storey of Winston-Salem, Business Manager for the Homes.

The gavel was given back to Moderator J. C. Mitchell. T. W. Williams led in the singing of one stanza of "Send the Light." U. A. McManus was recognized for the Report on Our Mission Programs. Mrs. Eugene Hager reported briefly on State Missions, M. M. Turner on Home Missions, and Mrs. U. A. McManus on Foreign Missions.

Time having run out, U. A. McManus moved that there be a ten-minute extension of time to allow Earle Bradley to speak. The motion carried and Earle Bradley, Secretary of Promotion of the N. C. Baptist Convention, was introduced.

The Sunday School Nominating Committee submitted nominations for Associational Sunday School Officers for the new year. They were elected. (Their names will be found in the Associational Directory at the beginning of these Minutes).

The Moderator appointed the following Constitutional Committee to study and recommend any needed changes in the Constitution: Julian Motley, Chairman, T. W. Williams, E. C. Watson, James Tate, Mrs. Norwood Hobbs.

After various announcements concerning committee meetings, the host pastor, U. A. McManus was recognized for instructions concerning the lunch hour arrangements.

Special Music was presented by a trio from the Mt. Olive Church. Following this J. C. Powell, retired Missionary, brought the Missionary Message. Using Matthew 28:16-20 he spoke concerning his experience in Africa: "What I Expected to Find, What I Found, What I Left, What We Hope Will Come Out of it."

Dr. W. C. Reed pronounced the benediction and blessing.

Wednesday Afternoon

The afternoon session opened with the singing of "Guide Me O Thou Great Jehovah" led by T. W. Williams. Julian Motley read from Romans 12 and Jerry LeBell led in prayer.

E. F. Knight, Chairman of the Memorials Committee, led in the Memorial Service.

The following report was given by Robert Melvin, Chairman of the Committee on Place and Preacher, and adopted:

First Day ---------- Immanuel
Second Day ---------- Kenansville
Preacher ---------- M. M. Turner
Alternate ---------- Joe Everett

Mack Herring presented the Report of the Missions Committee giving a digest of the year's activities.

Report Of The Missions Committee

The Missions Committee has been actively engaged in seeking for a suitable person to recommend to the Association as Missionary. The following were appointed from the larger committee as a screening committee to interview prospects: namely, Mack Herring, chm., Jeff Honeycutt, H. M. Baker, Stacy Evans, and T. W. Williams. It was an action of the Executive Council that expenses be paid of prospects who came to be interviewed as well as expenses of the screening committee as they went out in performance of their duties.

In a called meeting of the Executive Council on February 12, the Missions Committee recommended Rev. W. L. Crumpler as missionary, and the recommendation was unanimously adopted. Recommendation was also made and adopted to increase the budget to include: $2,800.00 salary, $600.00 travel, $200.00 convention expense, $600.00 house rent, and $140.00 retirement.

The next meeting of the Missions Committee was on July 23, at which time the resignation of Rev. W. L. Crumpler was reluctantly accepted. (Brother Crumpler's reason for resigning was that he had received appointment by the Home Mission Board of the Southern Baptist Convention to serve in Barstow, California, among Spanish speaking people.) The Missions Committee asked the same screening committee that had recommended Brother Crumpler, to serve in seeking a new missionary.

In August the Missions Committee met and recommended to the Executive Committee that a series of group meetings be held to inform and inspire the churches concerning the Associational Program. Recommendation was adopted by the Executive Committee. (These group meetings were held and it was generally agreed that the results were good.) It was also recommended at this meeting that the Associational Budget be increased and that the requests to the churches be increased from 50¢ to 75¢ per resident member. This recommendation was aslo adopted by the Executive Committee.

On September 30, the Missions Committee unanimously voted to recommend to the Annual Meeting of the Association that a call be extended to Rev. U. A. McManus to become Associational Missionary. On October 8, Brother McManus contacted the Chairman of the Missions Committee and requested that his name be withdrawn from further consideration.

The Missions Committee will continue its work in seeking the right person to recommend as our missionary and requests the prayers of the people of the Association for leadership in its task.

T. W. Williams led in the singing of "Take My Life and Let It Be." Evangelist Don Austin of Greensboro brought the Address on Evangelism using II Kings 2:1-15 as his text.

The Association adjourned.
